

**Pure Hydrogen**

ASX Announcement

## Appointment of Chief Financial Officer

**Sydney, 9 January 2023:** Australian Clean Energy Company Pure Hydrogen Corporation Limited (ASX: PH2 or 'Pure Hydrogen') has today announced the appointment of Mr Brendan Evans to the position of Chief Financial Officer and he will start today.

Brendan is a Chartered Accountant with over 20 years' experience across a diverse range of commercial finance and management roles. Brendan has worked extensively in Australia and the United Kingdom for a number of large organisations principally within the oil and gas, mining and engineering sectors.

Brendan's most recent role prior to his appointment as Chief Financial Officer, was as Chief Executive Officer of Petro National Pty Ltd, a petroleum distribution business with operations throughout Australia.

Mr Scott Brown Managing Director commented that "I am excited with Brendan's appointment to the team. Brendan's strong commercial and supply chain experience along with his management and financial expertise will be valuable for Pure Hydrogen. I expect Brendan will play a significant role focusing on performance and delivery of projects.

I look forward to working closely with Brendan as we continue to delivery our strategy and create value for shareholders."

Brendan has a Bachelor of Commerce from the University of Newcastle and is a member of the Chartered Accountants of Australia and the Governance Institute of Australia.

**About Pure Hydrogen Corporation Limited**

Pure Hydrogen is a clean energy focused company seeking to become the leader in the development of Hydrogen and Energy Projects through the use of cutting-edge technology processes. It plans to supply hydrogen fuel to both Australian customers and regional Asia Pacific markets, through the production of Green, Emerald and Turquoise Hydrogen. Concurrently, the Company is developing natural gas projects directly in Australia and Botswana and through a strategic investment it holds in a Botswana- focused energy company listed on the Australian Securities Exchange.

Strategically, Pure Hydrogen will also prioritise incubation for early-stage companies or projects within the clean energy sector, with the aim of realising profits from those investments.
