

QUICKSTEP ANNOUNCES \$11.3M PURCHASE ORDER FOR F-35 VERTICAL TAIL COMPONENTS

19 January 2023: Quickstep Holdings Ltd (ASX: QHL) (Quickstep or the Company) is pleased to announce that its Aerostructures business has secured an order for Lot 17 F-35 vertical tail components.

The \$11.3 million order will be delivered in FY24 and FY25 from the group's Bankstown facility. The customer, Marand Precision Engineering, is a longstanding partner to Quickstep on the F-35 program.

Commenting on the award, Mark Burgess, Managing Director and CEO, said "following our multi-year award announcement on 25 August 2022, this additional order means our F-35 vertical tail production is also underpinned by firm contracts through FY25. It is a great testament to the quality and delivery performance of our Aerostructures business, especially in a challenging operating environment, that we have secured this follow-on work. We are proud to support this important international program and continue to explore opportunities for additional volume."

Important Information - Forward looking statements

This release contains forward-looking statements and information that are necessarily subject to risks, uncertainties and assumptions. Many factors could cause actual results, performance or achievements of the Company to be materially different from those expressed or implied in this release including, amongst others, changes in general economic and business conditions, regulatory environment, exchange rates, results of advertising and sales activities, competition, and the availability of resources. Should one or more of these risks or uncertainties materialise, or should underlying assumptions prove incorrect, actual results may vary materially from those described in this release. Except as required by law, the Company assumes no obligation to update or correct the information in this release. To the maximum extent permitted by law, the Company and its subsidiaries and officers do not make any representation or warranty as to the likelihood of fulfilment of any forward-looking statements and disclaim responsibility and liability for any forward-looking statements or other information in this release.
