REPORT ON QUARTERLY ACTIVITIES TO ACCOMPANY APPENDIX 4C

Q2 FY23 – Operations

In the second quarter of the FY23 financial year, there was a positive cash flow arising from operating activities (comprising rental asset income, bad debts recovered and interest from short term bank deposits after incurring administrative and corporate outgoings appropriate to the Company's scaled down operations).

Cash on hand at 31 December 2022

The Company had funds / interest bearing deposits on hand totalling \$7.6m.

Payments to related parties of the entity and their associates

The amount disclosed in item 6.1 in the accompanying Appendix 4C relates to the payment of directors' fees of \$50,000 and payment of legal fees (\$11,300) to a firm of which a director is a partner in respect of a debt recovery matter.

Corporate activities

In the last update to shareholders (at the time of the Annual General Meeting held on 14 October 2022) the Company advised that it had evaluated three potential acquisition opportunities but for reasons detailed at that time they did not proceed.

The Company continues to search for suitable acquisition / merger opportunities and this process is being driven by our Director, Oliver Schweizer, who leads the Board's Corporate Activities Committee.

The Board, in their deliberations in making this Director appointment at the time, recognised the skill sets which Oliver was able to bring to the position from his extensive experience in corporate merger and acquisition matters over an extended period.

There was a possible acquisition / merger in progress at the time of his appointment but this did not proceed.

The Company is currently evaluating two possible acquisition / merger opportunities with there being no indications at this time as to their success or otherwise.
