PM CAPITAL GLOBAL OPPORTUNITIES FUND LIMITED
ABN 17 166 064 875
NOTES TO THE FINANCIAL STATEMENTS
FOR THE HALF-YEAR ENDED 31 DECEMBER 2022

1 Summary of significant accounting policies

PM Capital Global Opportunities Fund Limited ("the Company") is a listed investment company incorporated in Australia.

(a) Basis of preparation

These half-year financial statements are general purpose financial statements prepared in accordance with the *Corporations Act 2001* and Australian Accounting Standard AASB 134: *Interim Financial Reporting*.

This interim financial report does not include all the notes of the type normally included in an annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the Company as the full financial statements. Accordingly, this report is to be read in conjunction with the annual report for the year ended 30 June 2022 and any public announcements made by the Company during the half-year reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

(b) Accounting policies

The accounting policies in these interim financial statements are the same as those applied in the Company's financial statements for the year ended 30 June 2022.

There are no new accounting standards and interpretations that have been published that are material to the financial statements.

(c) New accounting standards and interpretations

Certain new accounting standards and interpretations have been published that are not mandatory for the half-year reporting period ended 31 December 2022. The assessment of the directors of the Company is that these new standards and interpretations will have no material impact on future financial reports of the Company.

2 Fair value measurements

The Company measures and recognises financial assets and liabilities held at fair value through profit or loss on a recurring basis.

The Company has no assets or liabilities measured at fair value on a non-recurring basis in the current reporting period.

AASB 13: *Fair Value Measurement* requires disclosure of fair value measurements by level of the following fair value measurement hierarchy:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1);
- Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly (Level 2); and
- Inputs for the asset or liability that are not based on observable market data (unobservable inputs) (Level 3).

(a) Fair value in an active market (Level 1)

The fair value of financial assets and liabilities traded in active markets (such as publicly traded derivatives and listed equity securities) are based on quoted market prices at the close of trading at the end of the reporting period without any deduction for estimated future selling costs.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

An active market is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

(b) Fair value in an inactive or unquoted market (Level 2 and Level 3)

The fair value of financial assets and liabilities that are not traded in an active market are valued with reference to external third party pricing information. These assets and liabilities include: Currency forward contracts.

(d) Transfer between levels

Management's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

There were no transfers between levels in the fair value hierarchy at the end of the reporting period.

(e) Fair value of financial instruments not carried at fair value

The carrying value of trade receivables and trade payables are assumed to approximate their fair values.

6 Contingency - registered charge over assets

The Custodian has a charge over the assets of the Company.

The contractual credit risk of assets is represented by the net payments or receipts that remain outstanding, and the cost of replacing the derivative position in the event of a counterparty default. There are no financial assets that are past due or impaired as at balance date.

The Company has appointed Morgan Stanley & Co. International Plc ("Morgan Stanley") as both Prime Broker and Custodian to the Company. Morgan Stanley is subject to regulatory oversight and capital requirements imposed by the Financial Services Authority (UK) and, where applicable to its Australian operations, the Australian Securities and Investments Commission. As at the date of this report, Morgan Stanley has a credit rating of A+ (S&P) for long term and a rating of A-1 for short term debt.

The terms of the Prime Broker Agreement provide that Morgan Stanley may utilise custodial assets for its own lending and financing purposes (including to borrow, lend, charge, re-hypothecate, and dispose of) up to, but not exceeding, 180% of the value of the Company's outstanding liabilities with Morgan Stanley in its Prime Broker capacity. Under the terms of the Prime Broker Agreement, Morgan Stanley is obliged to return to the Company the equivalent custodial assets irrespective of what transpires between it and any third party with whom Morgan Stanley has transacted.

Cash holdings with Morgan Stanley are not subject to this arrangement and are always considered to be held by Morgan Stanley in its Prime Broker capacity.

6 Contingency - registered charge over assets (continued)

All other custodial assets not subject to the Prime Broking arrangement are held by Morgan Stanley in its capacity as a Custodian in a separate asset pool, as is required by the Financial Services Authority (UK).

As at balance date, the maximum value of the Company's gross assets available to Morgan Stanley for its lending and financing activities is \$98,614,665 [June 2022: \$27,298,694]. Under the Prime Broker arrangements in place, the amount does not require disclosure by Morgan Stanley. The maximum net exposure to the Prime Broking activities of Morgan Stanley, after offsetting the Company's outstanding liabilities with Morgan Stanley, approximates \$43,828,740 [June 2022: \$12,132,753] as at balance date.

The credit position of the Company is monitored on an ongoing basis by the Investment Manager.

7 Segment information

The Company has only one reportable segment and one industry. It operates predominantly in Australia and in the securities industry (though most investments are in foreign jurisdictions). It earns revenue from dividend income, interest income and other returns from the investment portfolio. The Company invests in different types of securities, as detailed at Note 2 Fair value measurements.

Independent Auditor’s Review Report to the Members of PM Capital Global Opportunities Fund Limited

Report on the Half-Year Financial Report

Conclusion

We have reviewed the half-year financial report of PM Capital Global Opportunities Fund Limited (“the Company”), which comprises the statement of financial position as at 31 December 2022, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the half-year ended on that date, a summary of significant accounting policies and other explanatory information, and the directors’ declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Company does not comply with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Company’s financial position as at 31 December 2022 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor’s Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board’s APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Responsibility of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Company’s financial position as at 31 December 2022 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
