BRISBANE BRUNCOS LIMITED AND ITS CONTROLLED ENTITIES 2022 FINANCIAL YEAR FORECAST ANNOUNCEMENT

In accordance with Listing Rule 3.1, the Board of Brisbane Broncos Limited announce that the profit before tax for the Group for the financial year ended 31 December 2022 is expected to be approximately 11.5% above the 2021 result.

The expected financial result reflects Brisbane Broncos members and fans returning to home games in 2022, following the Covid-19 impacted seasons. This resulted in an increase in average crowds and ticketing revenue compared to the comparative period. The Group's consumer and commercial revenue increased in line with the ability to deliver 2022 season benefits to corporate partners, members and fans. The grant received from the National Rugby League increased due to two National Rugby League Women's (NRLW) seasons played in 2022. Group operating costs increased with the return of crowds, expansion of community programs and the two NRLW seasons.

This announcement has been approved by the Board of Brisbane Broncos Limited.

Yours faithfully
