### **About HALO Technologies**

HALO is an online global equities research and trade execution software solution that brings sophisticated institutional-grade analytical frameworks and market insights to everyday investors. HALO includes two distinct and integrated offerings in HALO Global, designed for hands on investors who want professional grade tools without the cost, and HALO Trading which offers global trade execution capability and ready-made themed investment portfolios that are ideal for 'low-touch' and 'values based' investors and SMSFs.
