Directors' Report to shareholders for the half year ended 31 December 2022

The Directors present their report together with the financial report of WAM Microcap Limited for the half year ended 31 December 2022.

Directors

The following persons were Directors of the Company during the financial period and up to the date of this report:

Geoff Wilson AO (Chairman – Non-independent)

Kate Thorley (Director – Non-independent)

Jacqueline Sullivan (Director – Independent)

Adrian Siew (Director – Non-independent)

Principal activity

The principal activity of the Company is making investments in listed companies. The Company's investment objectives are to deliver a stream of fully franked dividends, provide capital growth in the medium-to-long term and preserve capital. No change in this activity took place during the period or is likely to in the future.

Operating and financial review

Investment operations during the half year resulted in an operating profit before tax of \$24,813,851 (2021: \$39,779,162) and an operating profit after tax of \$18,372,166 (2021: \$28,790,405). The profit for the period is reflective of the strong performance of the investment portfolio over the six months to 31 December 2022. The investment portfolio increased 11.1% in the six months to 31 December 2022, outperforming the S&P/ASX Small Ordinaries Accumulation Index by 4.1% while holding on average 8.3% in cash.

The operating profit for the period includes unrealised gains or losses arising from changes in the fair value of the investments held in the investment portfolio during the period. This movement in the fair value of investments can add to or reduce the realised gains and losses on the investment portfolio and other revenue from operating activities (such as dividend and interest income) in each period. This treatment under the Accounting Standards can cause large variations in reported operating profits between periods.

The operating profit or loss for each financial period is reflective of the underlying investment portfolio performance and it is important to understand with context to the overall performance of equity markets in any given period. As a result, we believe the more appropriate measures of the financial results for the period are the investment portfolio performance, the change in net tangible assets (NTA) and fully franked dividends, together with total shareholder return.

WAM Microcap's NTA before tax increased 8.8% for the six months to 31 December 2022, including the 5.0 cents per share fully franked final dividend paid to shareholders during the period. This increase is after corporate tax paid of 1.1 cents per share or 0.9% of the Company's pre-tax NTA during the period. Corporate tax payments made throughout the period and the performance fee accrued of 0.9% were the major items of difference between the investment portfolio performance of 11.1% and the NTA

performance of 8.8%. The franking credits attached to corporate tax payments are available for distribution to shareholders through fully franked dividends. Other items contributing to the change in value of the assets during the period were management fees of 0.5% and other company related expenses of 0.1%, being partially offset by capital raising accretion of 0.1%.

The NTA before tax as at 31 December 2022 amounted to \$1.30 per share (June 2022: \$1.24). The NTA after tax was \$1.32 per share (June 2022: \$1.28). These figures are after the 5.0 cents per share in fully franked dividends paid to shareholders during the period.

The total shareholder return for WAM Microcap was impacted by the significant decrease in the share price premium to NTA, offset by the strong investment portfolio performance during the period. As at 31 December 2022, the share price premium to NTA was 16.3% (June 2022: 30.7%), with TSR decreasing 3.7% for the period. This measure does not value the potential benefit of franking credits distributed to shareholders through fully franked dividends.

The Board declared a fully franked interim dividend of 5.25 cents per share, representing a 5.0% increase on the FY2022 fully franked interim dividend, to be paid on 24 April 2023. A fully franked final dividend of 5.0 cents per share was paid during the period. Since inception in June 2017, WAM Microcap has paid 43.75 cents per share in fully franked dividends to shareholders.

The Board is committed to paying a stream of fully franked dividends to shareholders, provided the Company has sufficient profits reserves and franking credits and it is within prudent business practices.

Rounding of amounts to nearest dollar

In accordance with ASIC Corporations (rounding in Financial/Directors' Reports) Instrument 2016/191, the amounts in the Directors' Report have been rounded to the nearest dollar, unless otherwise indicated.

Auditor's Independence Declaration

A copy of the Auditor's Independence Declaration as required under Section 307C of the *Corporations Act 2001* in relation to the review for the half year is set out on page 6 of this Financial Report.

Signed in accordance with a resolution of the Board of Directors.

Notes to the financial statements for the half year ended 31 December 2022

1. Summary of significant accounting policies

These interim financial statements and notes for the half year represent those of WAM Microcap Limited.

The half year financial report was authorised for issue on 20 February 2023 by the Board of Directors.

Basis of preparation

The half year financial statements are general purpose financial statements that have been prepared in accordance with the requirements of the *Corporations Act 2001* and Australian Accounting Standard AASB 134: *Interim Financial Reporting*, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34: *Interim Financial Reporting*.

The half year report does not include full disclosures of the type normally included in an annual financial report. It is recommended that the half year financial report be read in conjunction with the Annual Financial Report for the year ended 30 June 2022 and any public announcements made by the Company during the half year in accordance with continuous disclosure requirements arising under the *Corporations Act 2001*.

Except for cash flow information, the financial statements have been prepared on an accruals basis and are based on historical costs except for financial assets and certain other financial assets and liabilities that have been measured at fair value.

In accordance with ASIC Corporations (rounding in Financial/Directors' Reports) Instrument 2016/191, the amounts in the financial report have been rounded to the nearest dollar, unless otherwise indicated.

The accounting policies have been consistently applied by the Company throughout the period and are consistent with those applied in the 30 June 2022 Annual Financial Report.

At reporting date	(84,080,955)	(78,672,073)

7. Financial instruments measured at fair value

AASB 13: Fair Value Measurement requires the disclosure of fair value information using a fair value hierarchy reflecting the significance of the inputs in making the measurements. The fair value hierarchy consists of the following levels:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability either directly (as prices) or indirectly (derived from prices).

Level 3: Inputs for the asset or liability are not based on observable market data (unobservable inputs).

Included within Level 1 of the hierarchy are listed investments. The fair values of these financial assets and liabilities have been based on the closing quoted last prices at the end of the reporting period, excluding transaction costs.

7. Financial instruments measured at fair value (cont'd)

Included in Level 2 of the hierarchy are WAM Microcap's investments in initial public offerings, unlisted investments and convertible notes with various maturity dates after 31 December 2022. The fair value of the investment in the convertible notes and initial public offerings have been recognised by assessing the movement in observable inputs such as the price of the most recent arm's length transaction or at cost. Valuation techniques such as comparisons to similar investments for which market observable prices are available, the net asset backing per share, at cost or the last sale price have been used to determine fair value for the unlisted investments.

During the period, two placements settled and were transferred from Level 2 to Level 1 (June 2022: one investment was transferred from Level 2 to Level 1 as a result of the investment being listed and four initial public offerings were transferred from Level 2 to Level 1 following settlement).

The following table presents the Company's financial assets and liabilities measured and recognised at fair value at 31 December 2022:

31 December 2022	Level 1 \$	Level 2 \$	Level 3 \$	Total \$
Financial assets	243,390,342	13,544,437	-	256,934,779
Total	243,390,342	13,544,437	-	256,934,779

30 June 2022	Level 1 \$	Level 2 \$	Level 3 \$	Total \$
Financial assets	212,461,400	13,063,795	-	225,525,195
Total	212,461,400	13,063,795	-	225,525,195

The carrying amounts of trade and other receivables and trade and other payables are assumed to approximate their fair values due to their short-term nature.

8. Segment reporting

The Company currently engages in investing activities, including cash, term deposits and equity investments. It has no reportable operating segments.

9. Capital commitments

There were no capital commitments for the Company as at 31 December 2022 (June 2022: nil).

10. Contingent liabilities

There were no contingent liabilities for the Company as at 31 December 2022 (June 2022: nil).

11. Events subsequent to reporting date

Since the end of the period, the Directors declared a fully franked interim dividend of 5.25 cents per share to be paid on 24 April 2023.

No other matters or circumstances have arisen since the end of the period, other than already disclosed, which significantly affects or may significantly affect the operations of the Company, the results of those operations, or the state of affairs of the Company in subsequent financial periods.

Directors' Declaration

The Directors of WAM Microcap Limited declare that:

- 1) The financial statements and notes, as set out on pages 7 to 15, are in accordance with the *Corporations Act 2001*, including:
 - a) complying with Australian Accounting Standard AASB 134: *Interim Financial Reporting*, the *Corporations Regulations 2001* and other mandatory professional reporting requirements; and
 - b) giving a true and fair view of the financial position of the Company as at 31 December 2022 and of its performance, as represented by the results of the operations and the cash flows, for the half year ended on that date.
- 2) At the date of this declaration, in the Directors' opinion there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of the Board of Directors.

**Independent Auditor's Review Report
To the Members of WAM Microcap Limited
ABN 34 617 838 418**

Report on the Half-Year Financial Report**Conclusion**

We have reviewed the half-year financial report of WAM Microcap Limited ("the Company") which comprises the statement of financial position as at 31 December 2022, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of WAM Microcap Limited does not comply with the *Corporations Act 2001* including:

- a) giving a true and fair view of the Company's financial position as at 31 December 2022 and of its performance for the half-year ended on that date; and
- b) complying with Accounting Standard AASB 134 *Interim Financial Reporting and the Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Responsibility of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Company's financial position as at 31 December 2022 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
