Markets Announcements Office  
ASX Limited

**Scott's Refrigerated Logistics (in Administration) (Receivers & Managers Appointed)**

Eagers Automotive Limited (ASX:APE) refers to its announcement on 28 February 2023 and provides the following response to media reports that, under the recently appointed receivers, the refrigerated logistics business known as Scott's Refrigerated Logistics ("Scott's RL") will wind down and cease its operations.

The receivership process will have no direct impact on Eagers Automotive's core business.

Eagers Automotive is continuing to evaluate the impact on its sublease arrangements with Scott's RL. Current market feedback indicates the facilities occupied by Scott's RL are well-located and in-demand by industrial tenants.
