Emperor Energy Limited
Notes to the financial statements
31 December 2022

1. General information

Emperor Energy Limited is a listed public company limited by shares, incorporated and domiciled in Australia. The address of the registered office and principal place of business is Level 4, 55 York Street, Sydney, NSW 2000.

The principal activities of the consolidated entity consisted of investment in selected exploration, production and development opportunities in the upstream oil and gas sector.

2. Presentation of financial statements

The financial statements cover Emperor Energy Limited as a consolidated entity consisting of Emperor Energy Limited and the entities it controlled at the end of, or during, the year. The financial statements have been presented in Australian dollars (\$) as this is the currency of the primary economic environment that the group operates in.

3. Significant accounting policies

The general purpose financial statements for the interim half-year reporting period ended 31 December 2022 have been prepared in accordance with Australian Accounting Standard AASB 134 *'Interim Financial Reporting'* and the *Corporations Act 2001*, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with Financial Reporting Standard IAS 34 *'Interim Financial Reporting'*.

The general-purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2022 and any public announcements made by the company during the interim reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

3.1 New Accounting Standards and Interpretations adopted

The Consolidated Entity has adopted all of the new or amended Accounting Standard and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

3.2 New Accounting Standards and Interpretation not yet mandatory or early adopted

Australian Accounting Standards and Interpretations that have recently been issued or amended but are not yet mandatory, have not been early adopted by the consolidated entity for the period ended 31 December 2022.

3.3 Going concern

The financial report has been prepared on the going concern basis, which contemplates the continuity of normal business activities and the realisation of assets and settlement of liabilities in the ordinary course of business.

For the six months ended 31 December 2022, the consolidated entity incurred a loss after tax of \$586,882 (31 December 2021: \$373,815) and had net cash outflows from operating and exploration activities of \$831,275 (31 December 2021: \$871,690). Additionally, as at 31 December 2022 the consolidated entity had a net current asset of \$698,119 (30 June 2022: net current assets \$155,363) and net assets of \$5,809,560 (30 June 2022: \$5,061,762).

In considering the appropriateness of this basis of preparation, the directors have reviewed the consolidated entity working capital forecasts for a minimum of 12 months from the date of the approval of this financial statement. At 31 December 2022, the consolidated entity had \$756,607 of available cash.

Since the end of the last financial year, the directors have taken a number of actions to ensure the consolidated entity can continue to fund its operations and further explore and develop the consolidated entity's tenements. These steps comprise:

1. Capital raise in October 2022;
2. Payment of directors' fees in shares;
3. Global search to secure a farm-in partner for Vic/P47.

The directors have prepared a detailed cash flow forecast through to 31 March 2024 and based on the budgeted expenditure, the consolidated entity will be required to raise additional funds (through the methods set out above) with a minimum overall raising of \$2,000,000 for exploration and operating costs (which excludes any drilling activities) before capital raising costs by 31 March 2024.

The consolidated entity currently does not have any production income and in order to continue as a going concern is reliant on achieving a capital raising of at least \$2,000,000 over the 12 months to 31 March 2024.

Emperor Energy Limited
Notes to the financial statements
31 December 2022

Based on the current management plan, management believes that these funds will be sufficient for the expenditure to date as well as the planned forecast expenditure for the forthcoming twelve months. As a result of that review the Directors consider that it is appropriate to adopt the going concern basis of preparation.

In the event that the consolidated entity is unsuccessful in the matters set out above, there is material uncertainty whether the consolidated entity will continue as a going concern and therefore whether it will realise its assets and discharge its liabilities in the normal course of business and at the amounts stated in the financial report.

This financial report does not include any adjustments relating to the recoverability and classification of recorded asset amounts or to the amounts and classification of liabilities that might be necessary should the consolidated entity not continue as a going concern.

The 100% Emperor Energy owned Vic/P47 Exploration Permit containing the Judith structure is in very good standing with the National Offshore Petroleum Titles Authority (NOPTA).

Emperor Energy is progressing on schedule through the Permit Work Program (Figure 1) and is now undertaking an engagement process with stakeholders as part of development of the Judith-2 Exploration Drilling Environmental Plan. This process is required following the Federal Court of Australia decision on 21 September 2022 Tipakalippa v National Offshore Petroleum Safety and Environmental Management Authority (No 2) [2022] FCA 1121.

Emperor Energy EMP expects to complete this process in the first half of 2023 and lodged its application with NOPSEMA in Quarter 3, 2023. Emperor Energy will be applying to NOPTA for an extension to its current work program to allow the necessary time to complete this additional work.

Independent Auditor's Review Report to the members of Emperor Energy Limited and Its Controlled Entities

Report on the Review of the Half -Year Financial Report

Conclusion

We have reviewed the accompanying half-year Financial Report of Emperor Energy Limited and its controlled entities, which comprises the consolidated statement of financial position as at 31 December 2022, the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year Financial Report of Emperor Energy Limited is not in accordance with the *Corporations Act 2001*, including:

- giving a true and fair view of the consolidated entity's financial position as at 31 December 2022 and of its performance for the half-year ended on that date; and
- complying with Australian Accounting Standard *AASB 134 Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with *ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's *APES 110 Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the review. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* has been provided to the Directors of Emperor Energy Limited.

Material Uncertainty related to Going Concern

Without modifying our conclusion, we draw attention to the Going Concern paragraph under Note 3 in the half-year Financial Report which indicates that the consolidated entity incurred a net loss of \$586,882 and net cash outflows from operating and exploration activities of \$831,274 during the half-year ended 31 December 2022. Strategies are in place to ensure the ongoing financial viability of the consolidated entity however if these are unsuccessful then these conditions, together with other matters as set forth in the Going Concern paragraph under Note 3, indicate the existence of a material uncertainty that may cast significant doubt about the consolidated entity's ability to continue as a going concern and

therefore, the consolidated entity may be unable to realise its assets and discharge its liabilities in the normal course of business and at the amounts stated in the half year Financial Report.

Directors' Responsibility for the Half-Year Financial Report

The Directors of the consolidated entity are responsible for:

- the preparation of the half-year Financial Report that gives a true and fair view in accordance with *Australian Accounting Standards* and the *Corporations Act 2001*; and
- for such internal control as the Directors determine is necessary to enable the preparation of the half-year Financial Report that is free from material misstatement, whether due to fraud or error.

Reviewer's Responsibility for the Review of the Half-Year Financial Report

Our responsibility is to express a conclusion on the half-year Financial Report based on our review. We conducted our review in accordance with the Auditing Standard on Review Engagements *ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year Financial Report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2021 and its performance for the half-year ended on that date; and complying with Australian Accounting Standard *AASB 134 Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year Financial Report consists of making enquires, primarily of persons responsible for the financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with *Australian Auditing Standards* and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
