17 March 2023

**ASX Announcement
Spacetalk Limited (ASX:SPA)**

Appointment of interim Chief Financial Officer

Spacetalk Limited (ASX:SPA) ("Spacetalk") is pleased to announce the appointment of Tonderai Maenzanise as Interim Chief Financial Officer (CFO).

Tonderai has over 20 years' experience in a range of senior finance roles working across several countries including the UK, US, Zimbabwe and Australia. He most recently held the role of CFO at Grays. Prior to that he was CFO at RT Health and Group Financial Controller at FlexiGroup (FXL). He started his career at Deloitte.

Commenting on the appointment, Chief Executive Officer and Managing Director Simon Crowther, said:

"I am delighted that Tonderai has joined Spacetalk as our interim Chief Financial Officer. Tonderai has extensive experience and held a variety of senior finance roles and is a great addition to the Spacetalk Leadership Team. This is another important step in us resetting our business as we focus on execution in the Australian market and upskilling our organisation. I am excited to have Tonderai on board and look forward to working closely with him whilst we continue our search for a permanent CFO."

This announcement was authorised by the Board of Spacetalk Limited.

About Spacetalk Ltd.

Spacetalk Ltd. (ASX:SPA) is the developer of a technology platform providing child safety and development tools to support wellness.

The ASX-listed company is recognised globally as a leader in the connected wearables industry thanks to its unique proprietary ecosystem that keep families connected. This market-leading hardware and trusted, parent-controlled software platform enable children and families to experience the benefits of mobile technology securely and with confidence.

With the Spacetalk App, parents can prevent their children's access to the open internet, social media and inappropriate adult content while blocking calls and messages from unknown senders. The app also keeps track of a child's location and is customisable so every feature can be enabled and disabled as needed.

Spacetalk's best-in-class software platform supports children's development by facilitating engaging, confidence-building experiences that the whole family can participate in and enjoy.

The Spacetalk smartphone-watch is a child's first mobile phone, offering all the benefits of a smartphone and operating on a secure, private and parent-controlled ecosystem that can be customised to reflect each family's needs and values. Together, the watches and software platform provide a complete digital communication solution that families can rely on at all times.

Spacetalk was founded in 2001 and listed on the ASX in 2003 as MGM Wireless Limited, which developed the world's first SMS student absence notification platform for schools and went on to become Australia's most successful school messaging company. On 12 November 2020 the Company changed its name to Spacetalk Ltd.
