About TZ Limited

At TZ, we engineer solutions to improve physical access control using smart devices and even smarter technology. We invent solutions to solve real-world problems, solutions designed to work in harmony with existing technology for total connectivity. That's why we are the trusted partner of global corporations like Apple, Microsoft, SunCorp, Adidas and WesTrac.

With offices in Australia, Singapore, India, America and the United Kingdom, TZ solutions support agile workplaces, contactless e-commerce deliveries, campus package management; first responder's chain of custody; data cabinet security, and so much more. Our products implement rules to control who can access what, when and where. – then report on these actions for intelligent business insights.

As the world evolves, so does our technology. We call this "Edge Logistics IT". TZ has always provided connected devices and the software that controls them. TZ solutions will deliver intelligent access for every device to enable a new level of customer control.
