About Careteq Limited

Careteq is an Australian-headquartered health-tech company that has developed and commercialised a suite of products that sit on its proprietary SaaS-based Assistive Living Technology platform for use by the elderly, disabled and vulnerable individuals. Its products and services, which improve outcomes for patients and their carers while increasing productivity, are sold in Australia and internationally through industry leading distributors and specialist retailers. Careteq generates revenues from recurring platform subscriptions, contracted medication management services and sales of its innovated range of sensors and devices that detect falls or unusual behaviour, monitor patient health, provides SOS emergency call functionality, and deliver medication reminders. Careteq is using its early-mover advantage in the Assistive Living Technology sector to revolutionise aged and disability care.
