## **Resolution 6: Approval of 10% placement facility**

The purpose of Resolution 6 is to authorise the Directors to issue a further 10% of its issued share capital under ASX Listing Rule 7.1A during the 10% Placement Period (as defined in paragraph (c) below) in addition to and without using the Company's 15% placement capacity under ASX Listing Rule 7.1.

If Resolution 6 is passed, the Company will be able to issue 'Equity Securities' up to the combined 25% limit in ASX Listing Rule 7.1 and 7.1A without any further shareholder approval.

If Resolution 6 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without shareholder approval provided for in ASX Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without shareholder approval set out in Listing Rule 7.1.

Resolution 6 is a special resolution.

### **(b) General information**

ASX Listing Rule 7.1A enables "eligible entities" to issue Equity Securities of up to 10% of its issued share capital through placements over a 12 month period after the Annual General Meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1.

As per the ASX Listing Rules, an "Eligible Entity" for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S & P/ASX 300 Index and has a market capitalisation of \$300 million or less.

As per the ASX Listing Rules, "Equity Securities" includes (a) a share, (b) a unit, (c) a right to a share or unit or option, (d) an option over an issued or unissued security and (e) a convertible security.

The Company is an Eligible Entity.

The Company is seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to Paragraph (c)(i) below).

The Company is seeking approval for the extra 10% Placement Facility to ensure that the business has the ability to raise extra equity when required to maintain the optimal capital structure and provide flexibility to take advantage of future growth opportunity.

### **(c) Description of ASX Listing Rule 7.1A**

#### **(i) General**

- Shareholder approval

The ability to issue Equity Securities (such as CDIs) under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting. Hence, at least 75% of votes cast by Shareholders present and eligible to vote at the Annual General Meeting must be in favour of Resolution 6 for it to be passed.

- Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice of Annual General Meeting, has on issue one class of quoted Equity Securities, namely CDIs.

- Formula for calculating 10% Placement Facility

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

**(A x D) – E**

**A** *is the number of shares on issue 12 months before the date of issue or agreement:*

- *plus the number of fully paid shares issued in the 12 months under an exception in ASX Listing Rule 7.2;*
- *plus the number of partly paid shares that became fully paid in the 12 months;*
- *plus the number of fully paid shares issued in the 12 months with approval of holders of shares under ASX Listing Rules 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval; and*
- *less the number of fully paid shares cancelled in the 12 months.*

*Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.*

**D** *is 10%*

**E** *is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under ASX Listing Rule 7.1 or 7.4*

- Minimum Issue Price

The issue price of Equity Securities issued under ASX Listing Rule 7.1A must be not less than 75% of the volume weighted average market price (“**VWAP**”) of Equity Securities in the same class calculated over the 15 ASX trading days immediately before:

- the date on which the price at which the Equity Securities are to be issued is agreed; or
- if the Equity Securities are not issued within 10 Trading Days (as defined in the ASX Listing Rules) of the date in the paragraph above, the date on which the Equity Securities are issued.

**(Minimum Issue Price).**

- 10% Placement Period

Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- the date that is 12 months after the date of the annual general meeting at which the approval is obtained;
- the time and date of the entity's next annual general meeting; or
- the time and date of the approval by shareholders of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

or such longer period if allowed by the ASX (**10% Placement Period**).

**(ii) ASX Listing Rules 7.1 and 7.1A**

The ability of an entity to issue Equity Securities under ASX Listing Rule 7.1A is in addition to the entity's 15% placement capacity under ASX Listing Rule 7.1.

At the date of this Notice of Annual General Meeting, the Company has on issue 615,250,000 CDIs and therefore has a capacity to issue:

- 92,287,500 Equity Securities under ASX Listing Rule 7.1; and
- subject to Shareholder approval being sought under Resolution 6, 61,525,000 Equity Securities under ASX Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities, or the agreement date, in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to paragraph (c)(i) (above)).

**(d) Specific information required by ASX Listing Rule 7.3A**

Pursuant to and in accordance with ASX Listing Rule 7.3A, the below information is provided for purposes relating to the approval of the 10% Placement Facility:

**(i) Minimum Issue Price**

The Equity Securities will be issued at an issue price of not less than the Minimum Issue Price detailed in paragraph (c)(i) above.

**(ii) Risk of economic and voting dilution**

If Resolution 6 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table.

There is a risk that:

- the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
- the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing CDI holders on the basis of the current market price of CDIs and the current number of CDIs for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A(2) as at the date of this Notice of Annual General Meeting.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of CDIs the Company has on issue. The number of CDIs on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Shares on issue (Variable 'A' in ASX Listing Rule 7.1A.2)		Dilution		
		\$0.022 50% decrease in Current Issue Price	\$0.044 Current Issue Price	\$0.066 50% increase in Current Issue Price
Current Variable A 615,250,000 CDIs	10% Voting Dilution	61,525,000 CDIs	61,525,000 CDIs	61,525,000 CDIs
	Funds raised	\$1,353,550	\$2,707,100	\$4,060,650
50% increase in current Variable A	10% Voting Dilution	92,287,500 CDIs	92,287,500 CDIs	92,287,500 CDIs

922,875,000 CDIs	<b>Funds raised</b>	\$2,030,325	\$4,060,650	\$6,090,975
<b>100% increase in current Variable A</b> 1,230,500,000 CDIs	<b>10% Voting Dilution</b>	123,050,000 CDIs	123,050,000 CDIs	123,050,000 CDIs
	<b>Funds raised</b>	\$2,707,100	\$5,414,200	\$8,121,300

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No convertible securities are exercised into Shares or CDIs before the date of the issue of the Equity Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that CDI holder's holding at the date of the Annual General Meeting.
- The table shows only the effect of issues of Equity Securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of CDIs.
- The current issue price is \$0.044, being the closing price of the CDIs on ASX as at April 12, 2023.

**(iii) Expiry of approval**

The Company will only issue and allot the Equity Securities during the 10% Placement Period detailed in paragraph (c)(i) above.

**(iv) Purpose of new issues**

The Company may seek to issue the Equity Securities for the purposes of improving the Company's financial flexibility to take advantage of future growth opportunities and to fund its general working capital.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) upon issue of any Equity Securities. This listing rule provides that in the event of Resolution 6 being approved, when the Company issues Equity Securities pursuant to the 10% Placement Facility, the Company must

- state in its announcement of the proposed issue under ASX Listing Rule 3.10.3 or its application for quotation of the securities under ASX Listing Rule 2.7 that the securities are being issued under ASX Listing Rule 7.1A.; and

- give to the ASX immediately after the issue, a list of names of the persons to whom the entity issued the Equity Securities and the number of Equity Securities issued to each. This list is not for release to the market.

**(v) Allocation policy**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- the effect of the issue of the Equity Securities on the control of the Company;
- the financial situation and solvency of the Company; and
- advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice of Annual General Meeting but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

**(vi) Details of new issues under ASX Listing Rule 7.1A for previous year**

The Company previously obtained approval from its Shareholders/CDI holders pursuant to ASX Listing Rule 7.1A at its Annual General Meeting held on 17 May 2022 ("**Previous Approval**").

The Company has not issued any Equity Securities pursuant to the Previous Approval. During the 12 month period preceding the date of this Annual General Meeting, the subject of this Notice, the Company has not issued any Shares or CDIs.

**(vii) Voting exclusion statement**

A voting exclusion statement is included in the Notice of Annual General Meeting. However, as at the date of dispatch of the Notice of Annual General Meeting, the Company is not proposing to make an issue of Equity Securities under ASX Listing Rule 7.1A.2 and, as such, has not identified any proposed allottees.

**Resolution 7: General Mandate to Issue and Allot New Shares**

Pursuant to Section 141 of the Companies Ordinance, Hong Kong, Cap 622, the Directors cannot issue and allot new shares of the Company without the prior approval of Shareholders. The general mandate granted by Shareholders in the Annual General Meeting in respect of the issue and allotment of new shares may be for any period up until the conclusion of the next Annual General Meeting (or when the next Annual General Meeting is required to be held, whichever is earlier).

Under ASX Listing Rules 7.1, the Company would be able to issue up to 15% of its Shares in any

12 month period without Shareholder approval (and a further 10% in the event Resolution 6 is approved) if it were not subject to the Hong Kong Companies Ordinance. To give the Company flexibility, for any issue of Shares in the next 12 months (in a manner consistent with the ASX Listing Rules), the Company is seeking approval to issue up to 25% of its Share in the period between the date of this Annual General Meeting and the Company's next Annual General Meeting (or when the next Annual General Meeting is required to be held, whichever is earlier). If the Company wishes to issue more than 25% of its Shares (assuming Resolution 6 is approved), a separate General Meeting will be convened.

This Resolution 7 is, however, subject to the ASX Listing Rules and, in particular to:
