Voting Deed Polls

On 28 October 2022, PPH and Pegasus Bidco Limited (**Bidco**) entered into a scheme implementation agreement (the **SIA**) under which a Sixth Street and BGH Capital consortium, through Bidco, proposed to acquire all of the PPH shares (the **Proposed Scheme**). An announcement was made by PPH on NZX on 16 March 2023 about PPH and

Bidco having agreed to vary the SIA and the terms of the Proposed Scheme (the **Revised Scheme**).

As required under the varied SIA and the guidance note by the New Zealand Takeovers Panel in relation to schemes of arrangement, on 23 March 2023 Schrassig entered into a new voting deed poll (**Voting Deed Poll**) in favour of the Takeovers Panel and PPH. Under the terms of the Voting Deed Poll, Schrassig agreed to:

- (a) vote all of its shares in PPH in favour of the Amended Scheme; and
- (b) not dispose of, encumber or deal with any of its shares, except to transfer such shares under the Amended Scheme.

A copy of the Voting Deed Poll was attached to the substantial product holder notice filed by Schrassig on 23 March 2023.

On 27 April 2023, PPH held a special meeting of shareholders to consider and approve the Revised Scheme (the **Scheme Meeting**). Following the Scheme Meeting there is no longer a qualification pursuant to the terms of the Voting Deed Poll on the exercise of the voting rights attached to the quoted voting products of PPH held by Schrassig.

The qualification pursuant to the terms of the Voting Deed Poll on Schrassig's power to control the disposal of the quoted voting products of PPH held by it remains in force until the earlier of the date on which the amended SIA is terminated and the date on which the High Court grants final orders in respect of the Revised Scheme under section 236(1) of the Companies Act 1993, except to transfer such Shares under the Proposed Scheme.

Voting Agreements

On 16 March 2023, Bidco entered into the voting agreements (**Voting Agreements**):

- (1) copies of which were attached as Appendix 1 to the substantial product holder notice filed by Bidco on 16 March 2023 with certain shareholders (referred to as the **Specified Shareholders**); and
- (2) copies of which were attached as Appendix 2 to the substantial product holder notice filed by Bidco on 16 March 2023 with certain other shareholders (referred to as the **Institutional Shareholders** and together with the Specified Shareholders, the **Accepting Shareholders**).

Under the Voting Agreements, each Accepting Shareholder committed to vote all of the PPH shares (or voting rights in respect of PPH shares) that it holds or controls in favour of the Revised Scheme at the Scheme Meeting.

The Voting Agreements with the Institutional Shareholders automatically terminated on the Revised Scheme being approved by shareholders by the requisite majorities at the Scheme Meeting.

Following the Scheme Meeting and the Revised Scheme being approved by shareholders by the requisite majorities, Schrassig:

- (i) ceased to hold the power to control the exercise of voting rights attaching to the PPH shares held or controlled by the Accepting Shareholders;

- (ii) ceased to have a relevant interest in the PPH shares held by the Institutional Shareholders; and
- (iii) ceased to have a relevant interest in the Additional Shares (as that term is defined in the substantial product holder notice filed by Bidco on 6 April 2023).

Pursuant to the Voting Agreements, Schrassig continues to hold the power to control the disposal of the PPH shares held or controlled by the Specified Shareholders as at the date of the Voting Agreements.
