## Update on Legal Proceedings

Hills Limited (ASX: **HIL**) (**Hills**) provides the following update regarding long-running legal proceedings brought by Stellar Vision Operations Pty Ltd (Stellar) against Hills Health Solutions Pty Ltd (Hills Health), a wholly owned subsidiary of Hills Limited.

The case was initially dismissed by the court in February 2022 and costs awarded in favour of Hills Health. This decision was appealed by Stellar, with the appeal heard on 1 May 2023.

The judgement of the appeal has been handed down today and the court has found in favour of Stellar. The quantum of the judgement, including any costs orders, has not yet been quantified and the parties have been directed to confer on the quantum of damages over the next seven days.

Hills is considering its options, including grounds for appealing the judgement.
