About Australian Bond Exchange Holdings

Australian Bond Exchange Holdings (ASX: ABE) is an Australian financial services company that uses its proprietary technology to provide Australian Investors with access to the global financial markets. ABE has developed a direct, efficient and cost-effective system and method for facilitating the transaction and settlement of financial instruments that provides a transparent trading experience for investors, brokers and advisers. This is coupled with advanced investor protections, provide an attractive venue for private investors, financial advisers, and investment professionals to access the global financial markets.

Through our innovative technology, we're eliminating barriers to entry to the bond market, providing improved access, more efficient trading, lower transaction costs, and introducing new levels of transparency.
