

Retraction of Slide in Presentation

On June 21, American Rare Earths (**ASX: ARR | OTCQB: ARRNF | FSE:1BHA**) (**ARR or the Company**) released a presentation titled Gold Coast Investor Showcase.

The presentation included a slide on page 17 showing a peer comparison.

Following consultation with the ASX, the Company would like to retract page 17 and inform shareholders they should not rely on this information as the basis for any investment decision.

This market announcement has been authorised for release to the market by Chris Gibbs, Managing Director.

About American Rare Earths:

One of the only ASX listed companies with exposure to the rapidly expanding US market, American Rare Earths is developing its 100% owned magnet metals projects, Halleck Creek in Wyoming, and La Paz in Arizona. Both have potential to be among the largest, rare earths deposits in North America. The Company is concurrently evaluating other exploration opportunities while collaborating with US Government supported R&D to develop a sustainable domestic supply chain for the renewable future.
