Company announcement

Release date 30 June 2023

New Contracts Secured

Phoslock Environmental Technologies Limited (ASX:PET) (PET or the Company) today confirmed that it has secured new contracts for applications in Brazil and Australia to the value of approximately A\$ 440,000.

The Brazil orders relate to additional applications of Phoslock on projects that are already underway and involve volumes totalling some 105 tonnes.

The new Australian contract involves initial river remediation work in Western Australia and involves volumes of approximately 50 tonnes.

These latest contracts are the culmination of trial work and negotiations that have been underway for some time and reflect PET's focus on securing sales in diverse markets around the world.

This announcement has been approved by the Managing Director and Chairman

Mr David Krasnostein AM
Chairman

Mr Lachlan McKinnon
Managing Director & CEO

Matthew Parker
Company Secretary
