SHARE PURCHASE PLAN - LETTER TO ELIGIBLE SHAREHOLDERS

Dear Shareholders

Lumos Diagnostics Holdings Limited - Share Purchase Plan Offer

On 10 July 2023, Lumos Diagnostics Holdings Limited (ACN 630 476 970) (**Lumos** or **Company**), announced on the Australian Securities Exchange (**ASX**) that it had successfully raised A\$4.75 million (before costs) from a placement to institutional investors (**Placement**) of approximately 67.9 million new fully paid ordinary shares (**Shares**) at an issue price of A\$0.07 per Share.

On behalf of the Board of Lumos, I am pleased to offer eligible shareholders the opportunity to subscribe for new Shares under a Share Purchase Plan (**Offer** or **SPP**). The SPP offer allows you to apply to purchase new Shares on the same terms as the recent Placement. The SPP is not underwritten.

The SPP offer is targeting to raise up to a maximum of A\$4.75 million (before costs).

Lumos Directors eligible to participate in the SPP offer have indicated they each intend to participate in the SPP.

Accessing the SPP Offer Document

An offer document with the terms and conditions for the SPP was lodged with the ASX today (**SPP Offer Document**). A copy of the SPP Offer Document along with information about how to apply under the SPP offer is available online on the Offer website: www.computersharecas.com.au/ldxspp. The Company encourages you to carefully read the SPP Offer Document before making your investment decision, noting that you will be bound by the terms and conditions in the SPP Offer Document if you choose to participate.

Issue price of new Shares to be issued under the SPP offer

The Company is offering eligible shareholders the opportunity under the SPP offer to apply for a A\$1,000 (minimum) up to A\$30,000 (maximum) worth of new Shares at an issue price of A\$0.07 per new Share (**Issue Price**). The Issue Price is equal to the price at which the Company undertook the Placement and represents a:

- (a) 18.6% discount to the last closing price of A\$0.086 per Share on Wednesday, 5 July 2023 being the last trading day before the Placement and the announcement of the SPP; and
- (b) 25.7% discount to the volume weighted average market price (**VWAP**) of the Company's Shares over the last 5 trading days up to and including Wednesday, 5 July 2023 of A\$0.094.

The Issue Price is less than 80% of the volume weighted average price for the 5 days in which trading in Shares occurred before the date of announcement of the Offer. Accordingly, the Offer is not made pursuant to ASX Listing Rule 7.2 Exception 5. The Company has applied to ASX for a waiver of ASX Listing Rule 7.1, to permit the Company to issue each Share under the Offer at the Issue Price to eligible shareholders (**Waiver**). In the event that the Waiver is not granted, the Company intends to seek shareholder approval to issue the Shares under the Offer and the issue of Shares would be conditional on receipt of such shareholder approval.

Participation in the SPP by Eligible Shareholders

Participation in the SPP offer is optional and is open to shareholders who were registered as the holder of Shares in the Company at 7.00pm (AEST) on Friday, 7 July 2023 (**Record Date**), and whose registered address is in Australia or New Zealand (**Eligible Shareholders**).

If you reside outside Australia and New Zealand, or are in the United States, or are a person acting on the account of a person in the United States, you are not an Eligible Shareholder and are not entitled to participate in the SPP offer. Applications under the SPP offer can only be made by Eligible Shareholders and an Eligible Shareholder's right to participate in the SPP offer is not transferable.

Certain Eligible Shareholders who are custodians holding Shares on behalf of certain beneficiaries are also invited to participate in the SPP offer on the terms and conditions set out in the SPP Offer Document.

Eligible Shareholders may apply to purchase a parcel of new Shares with a value of either A\$1,000, A\$2,500, A\$5,000, A\$7,500, A\$10,000, A\$15,000, A\$20,000 or A\$30,000.

Participation is optional and Eligible Shareholders may elect to do nothing. If you choose to do nothing, you will continue to hold the same number of Shares, however, your interest in Lumos will be diluted.
