About NEXTDC

NEXTDC is an ASX 100-listed technology company and Asia's most innovative Data Centre-as-a-Service provider. We are building the infrastructure platform for the digital economy, delivering the critical power, security and connectivity for global cloud computing providers, enterprise, and Government.

NEXTDC is recognised globally for the design, construction, and operation of Australia's only network of Uptime Institute certified Tier IV facilities, and the only data centre operator in the Southern Hemisphere to achieve Tier IV Gold certification for Operational Sustainability. NEXTDC has a strong focus on sustainability and operational excellence through renewable energy sources and delivering world-class operational efficiency. Our data centres have been engineered to deliver exceptional levels of efficiency and the industry's lowest Total Cost of Operation through NABERS 5-star energy efficiency.

NEXTDC's corporate operations have been certified carbon neutral under the Australian Government's *Climate Active Carbon Neutral Standard*.

Our Cloud Centre partner ecosystem is Australia's most dynamic digital marketplace, comprising carriers, cloud providers and IT service providers, enabling local and international customers to source and connect with cloud platforms, service providers and vendors to build complex hybrid cloud networks and scale their critical IT infrastructure services.

NEXTDC is *where the cloud lives*®.
