

Appendix 3B

Proposed issue of +securities

Information and documents given to ASX become ASX's property and may be made public.

If you are an entity incorporated outside Australia and you are proposing to issue a new class of +securities other than CDIs, you will need to obtain and provide an International Securities Identification Number (ISIN) for that class. For offers where the +securities proposed to be issued are in an existing class of security, and the event timetable includes rights (or entitlement for non-renounceable issues), and deferred settlement trading or a representation of such, ASX requires the issuer to advise ASX of the ISIN code for the rights (or entitlement), and deferred settlement trading. This code will be different to the existing class. If the securities do not rank equally with the existing class, the same ISIN code will be used for that security to continue to be quoted while it does not rank.

Further information on the requirement for the notification of an ISIN is available from the Create Online Forms page. ASX is unable to create the new ISIN for non-Australian issuers.

**Denotes minimum information required for first lodgement of this form, with exceptions provided in specific notes for certain questions. The balance of the information, where applicable, must be provided as soon as reasonably practicable by the entity.*

Terms and conditions of Options

These are the terms and conditions of the Options:

Entitlement

1. Each Option entitles Regal (or their nominee) or any transferee from time to time to subscribe for one fully paid ordinary share in the Company (**Share**) upon exercise of the Option.

Exercise Price

2. Subject to paragraph 11, the amount payable upon exercise of each Option is \$0.4165 (**Exercise Price**).

Expiry Date

3. Each Option will expire at 5:00 pm (Sydney time) on 4 September 2025 (**Expiry Date**). An Option not exercised on or before the Expiry Date will automatically lapse at 5:00 pm (Sydney time) on the Expiry Date.

Exercise Period

4. The Options will vest immediately and are exercisable at any time after the date of their issue and prior to 5:00 pm (Sydney time) on the Expiry Date (**Exercise Period**).

Notice of Exercise

5. The Options may be exercised during the Exercise Period by notice in writing to the Company (**Notice of Exercise**) and payment of the Exercise Price for each Option being exercised in Australian currency by electronic funds transfer or other means of payment acceptable to the Company. The Options may be exercised in whole or in part (and at one or more times) on or before the Expiry Date.

Exercise Date

6. A Notice of Exercise is only effective on and from the later of the date of receipt of the Notice of Exercise and the date of receipt of the payment of the Exercise Price for each Option being exercised in cleared funds (**Exercise Date**).

Timing of issue of Shares on exercise

7. Within 5 Business Days after the later of the following:

- (a) the Exercise Date; and
- (b) when excluded information in respect to the Company (as defined in section 708A(7) of the Corporations Act) (if any) ceases to be excluded information,

but in any case no later than 20 Business Days after the Exercise Date, the Company will:

- (c) issue the number of Shares required under these terms and conditions in respect of the number of Options specified in the Notice of Exercise and for which cleared funds have been received by the Company. For the avoidance of doubt, the Company must issue new Shares upon exercise, and the Option does not entitle the Holder to purchase or acquire existing Shares;
- (d) give the Australian Securities Exchange (**ASX**) a notice that complies with section 708A(5)(e) of the Corporations Act, or, if the Company is unable to issue such a notice, lodge with the Australian Securities and Investments Commission (**ASIC**) a

prospectus prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares following their issue does not require disclosure to investors; and

- (e) if admitted to the official list of ASX at the time, apply for official quotation on ASX of Shares issued pursuant to the exercise of the Options.

If a notice delivered under sub-paragraph 7(d) for any reason is not effective to ensure that an offer for sale of the Shares does not require disclosure to investors, the Company must, no later than 20 Business Days after becoming aware of such notice being ineffective, lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors.

Shares issued on exercise

8. Shares issued on exercise of the Options must:

- (a) be fully paid;
- (b) be issued in compliance with all applicable law and all contractual rights;
- (c) be free from any encumbrance, security interest, pre-emptive right, or other restriction;
- (d) rank equally with the then issued shares of the Company; and
- (e) be freely transferable.

Quotation of Shares issued on exercise

9. If admitted to the official list of ASX at the time, application must be made by the Company to ASX for quotation of the Shares issued upon the exercise of the Options.

Liquidated damages for delay in issue of Shares

10. If the Company fails to issue Shares in response to a Notice of Exercise within the 20 Business Day time limit required by paragraph 7, then it must on the same day as the Shares are subsequently issued (or on demand if the Shares have not yet been issued) pay to the Holder an amount equal to \$30,000 for every trading day (as defined in the ASX Listing Rules) after the end of that time limit up to but excluding the day of issue of the Shares. For the avoidance of doubt, this paragraph 10 does not limit the Company's obligation to issue Shares in accordance with these Terms and Conditions.

Reconstruction of capital

11. The Options do not confer the right to a change in the Exercise Price, or a change to the number of underlying Shares over which they can be exercised, except:

- (a) In the event of a reorganisation event (including consolidation, subdivision, reduction, cancellation or return) of the issued capital of the Company before the expiry of any Options, the terms of the Options will be changed to the extent necessary to comply with ASX Listing Rules applying to a reorganisation of capital at the time of the reorganisation.
- (b) If before the expiry of the Options the Company makes a bonus issue of shares or other securities to holders of Shares, then upon exercise of an Option the Holder will be entitled to have issued to it (in addition to the Shares which it is otherwise entitled to have issued to it upon such exercise) the additional shares or other securities which would have been issued to the Holder if the Options had been exercised and the

Option Shares issued before the record date for the relevant bonus issue of shares or other securities.

- (c) A change to the Exercise Price will be made to take account of any pro-rata issue (as defined in ASX Listing Rules) by the Company (other than a bonus issue) before an Option is exercised. Any such change will be in accordance with the formula in ASX Listing Rule 6.22.2 at the relevant time.

Participation in new issues

- 12. There are no participation rights or entitlements inherent in the Options and Holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Options without exercising the Options.

Not quoted

- 13. The Company will not apply for quotation of the Options.

Transferability

- 14. The Options are transferable by using a common or usual form of transfer (or other form acceptable to the Company or its registry), without the need for approval of the Company.

Variation

- 15. A variation of this deed poll must be in writing and signed by the Company and Regal (or any transferee from time to time).

Deed Poll

- 16. Each Holder has the benefit of and may enforce this deed poll even though it is not a party to, or is not in existence as at the time of, execution and delivery of, this deed poll.
- 17. Each Holder may enforce its rights under this deed poll independently from any other Holder (or any other person).

Governing law

- 18. These terms and conditions are governed by the laws of the state of New South Wales. The parties submit to the non-exclusive jurisdiction of the Courts of New South Wales.
