### About WHSP

Washington H. Soul Pattinson is an Australian public company that first listed on the Sydney Stock Exchange (now ASX) on 21 January 1903. With origins in owning and operating Australian pharmacies, WHSP has since evolved into an investment house with a diversified and uncorrelated portfolio of assets across multiple industries. WHSP takes a long-term approach to investing with an objective to deliver superior returns by creating capital growth and regular dividends. Through owning WHSP shares, an investor gains access to the following asset classes: listed equities, private markets, structured yield, and property. More information: <https://www.whsp.com.au/>
