In accordance with section 249L of the Corporations Act, Shareholders are advised that:

- each Shareholder has a right to appoint a proxy;
- the proxy need not be a Shareholder of the Company; and
- a Shareholder who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Shareholders and their proxies should be aware that changes to the Corporations Act made in 2011 mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does**:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution, the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on, the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair, the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting; or
 - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

Proxy Voting by the Chairman

The Chairman of the meeting may vote an undirected proxy (i.e. a proxy that does not specify how it is to be voted), provided the Shareholder who has lodged the proxy has given express voting direction to the Chairman to exercise the undirected proxy. If you complete a proxy form that authorises the Chair of the meeting to vote on your behalf as proxy, and you do not mark any of the boxes as to give the Chair directions on how your vote should be cast, then you will have been taken to have expressly authorised the Chairman to exercise your proxy on resolutions 1 to 5 inclusive. In accordance with this express authority provided by you, the Chairman will vote in favour of resolutions 1 to 5 inclusive. If you wish to appoint the Chairman of the meeting as your proxy, and you wish to direct them on how to vote, please tick the appropriate boxes on the form.

Questions and Comments from Shareholders

In accordance with the Corporations Act, reasonable opportunity will be given to Shareholders to ask about or make comments on the financial statements for the year ended 30 June 2023 and the management of the Company at the AGM.

Similarly, Shareholders will be given a reasonable opportunity to ask the Company's external auditors, Bentleys, questions relevant to the accounting policies adopted by the Company in relation to the financial report, the conduct of the audit, the independence of the auditor in relation to the conduct of the audit and the preparation and content of the Auditor's Report.

ANNUAL GENERAL MEETING EXPLANATORY STATEMENT

This Annual General Meeting (**AGM**) Explanatory Statement has been prepared for the information of Shareholders in connection with the business to be conducted at the AGM.

The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the General Meeting Resolutions.

1. ANNUAL REPORT

1.1 General

The first agenda item is to receive the Annual Report of the Company for the year ended 30 June 2023.

1.2 Corporations Act

Section 317 of the *Corporations Act 2001 (Cth)* requires the directors to lay before the Annual General Meeting the Financial Report, the Directors' Report (including the Remuneration Report) and the Auditor's Report for the last financial year that ended 30 June 2023.

The Annual Report is available on the Company's website and a printed copy has been sent to those shareholders who requested it.

In accordance with sections 250S and 250SA of the Corporations Act, Shareholders present at the Annual General Meeting will be provided with a reasonable opportunity to:

- (a) ask questions or make comment to the Directors present on the management of the Company and Remuneration Report; and
- (b) ask questions or make comment to the Auditor about the conduct of the audit and the preparation and content of the Auditor's Report.

No formal resolution to adopt the Annual Report will be put to the Shareholders at the Annual General Meeting.

Shareholders who are unable to attend the Annual General Meeting are able to submit written questions to the Chairman or the auditor about:

- (a) The preparation and the content of the 2023 Auditor's Report;
- (b) The conduct of the 2023 audit;
- (c) Accounting policies adopted by the Company in relation to the preparation of the 2023 financial statements; and
- (d) The independence of the Auditor in relation to the conduct of the 2023 audit.

The questions will need to be submitted no later than five (5) business days before the Annual General Meeting to the Company Secretary at the Company's Registered Office or via email to investors@localityenergy.com.au.

2. RESOLUTION 1 – REMUNERATION REPORT

2.1 General

In accordance with Section 250R(2) of the Corporations Act, at a listed company's Annual General Meeting, a resolution that the Company's Remuneration Report be adopted must be put to the vote. Section 250R(3) of the Corporations Act provides that the vote on the resolution is advisory only and does not bind the Directors or the Company.

In accordance with Section 300A, the Remuneration Report sets out the Company's remuneration arrangements for Key Management Personnel. The Remuneration Report is part of the Directors' Report contained in the Annual Financial Report for the financial year ending 30 June 2023. A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

2.2 Voting Consequences

Under the Corporations Act, companies are required to put to shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company ("Spill Resolution") if, at two consecutive Annual General Meetings, at least 25% of the votes cast on the Remuneration Report are voted against the adoption of the Remuneration Report and at the first of those Annual General Meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those Annual General Meetings.

If more than 50% of votes are cast in favour of a Spill Resolution, the Company must convene a shareholder meeting ("Spill Meeting") within 90 days of the second Annual General Meeting. At that meeting, all directors who were in office at the time of the Directors' Report, other than the managing director, will cease to hold office immediately before the Spill Meeting. Those persons who are elected or re-elected at the Spill Meeting will be the directors of the company. Note those directors who ceased to hold office immediately prior to the Spill Meeting may stand for re-election.

At the 2022 Annual General Meeting, the adoption of the remuneration report was approved by 98.98% of votes by shareholders who voted on the resolution. Accordingly, a Spill Resolution is not required at this AGM.

Shareholders of the Company will be provided with the opportunity to ask questions about or make comments on the Remuneration Report.

3. RESOLUTIONS 2 - 5- ELECTION OF DIRECTORS

3.1 General

In accordance with ASX Listing Rule 14.5, a public listed company must hold an election of directors at each annual general meeting. Further, in accordance with ASX Listing Rule 14.4 and the Company's Constitution, a director must not hold office (without re-election) past the third annual general meeting following the director's appointment and a director appointed to fill a casual vacancy or as an addition to the board must not hold office (without re-election) past the next annual general meeting.

3.2 Mr. Simon Tilley

Mr. Tilley was appointed as a Non-Executive Director by the Board on 17 May 2023 and, in accordance with Clause 14.4 of the Company's Constitution, holds office until the conclusion of this meeting. Mr. Tilley stands for election at this meeting.

Simon is a passionate and focused business owner whose knowledge and experience allows him to continually raise the bar in customer experience.

Mr. Tilley is the Company's largest shareholder and his appointment as a director, further strengthens and aligns the Board with all shareholders' interests.

3.3 Mr. David Jarjoura

Mr. Jarjoura was also appointed as a Non-Executive Director by the Board on 17 May 2023 and, in accordance with Clause 14.4 of the Company's Constitution, holds office until the conclusion of this meeting. Mr. Jarjoura stands for election at this meeting.

Mr. Jarjoura has over thirty years of executive and non-executive board level experience in unlisted public, commercial and For Purpose organisations across the retail, property, manufacturing, financial, legal, education and Disability Sectors.

Mr. Jarjoura was previously Managing Director of MyHouse for ten years, during which time he successfully repositioned, re-branded and significantly grew the business. He has since provided consultancy services to various clients including being part of the liquidation teams for the Masters and BonTon (USA) chains.

3.4 Mr. Stanislav (Stan) Kolenc

Mr. Kolenc was appointed as a Non-Executive Director by the Board on 21 September 2023 and, in accordance with Clause 14.4 of the Company's Constitution, holds office until the conclusion of this meeting. Mr. Kolenc stands for election at this meeting.

Mr. Kolenc is a Senior Managing Director of a Canadian pension fund where he is responsible for making and managing infrastructure investments on behalf of the fund. Stan has over 13 years of non-executive director experience having sat on large number of boards. Stan is currently the Chairman of Kinetic and Flow Power as well as a non-executive director of several other Australian and international companies including Australian renewable companies Ararat Wind Farm and Zenith Energy.

Mr. Kolenc holds a Bachelor of Engineering Science (BESc) with distinction from The University of Western Ontario and is a Chartered Financial Analyst (CFA) Charterholder.

3.5 Mr. Barnaby Egerton-Warburton

Mr. Egerton-Warburton was appointed as a Director on 13 March 2020 and re-elected as a Director at the 2020 AGM. He retires in accordance with Clause 14.2 of the Company's Constitution and, being eligible, stands for re-election at this meeting.

Mr. Egerton-Warburton has over 25 years of trading, investment banking, international investment and market experience with positions at JP Morgan (New York, Sydney, Hong Kong) BNP Equities (New York) and Prudential Securities (New York). He is an experienced investment banker and corporate advisor, having held managing director and non executive director positions in the investment banking, technology and resource sectors.

Mr. Egerton-Warburton holds a degree in economics and is a graduate of the Australian Institute of Company Directors. He is Chairman of the Remuneration and Nomination Committee and a member of the Audit and Risk Committee.

4. RESOLUTION 6 - APPROVAL FOR ADDITIONAL SHARE PLACEMENT CAPACITY

4.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (**Additional Placement Capacity**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. Locality Planning Energy Holdings Limited is an eligible entity for these purposes.

Resolution 5 seeks shareholder approval by way of special resolution for LPE to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without shareholder approval, should the need arise.

As a **special resolution** at least 75% of votes cast by Shareholders eligible to vote at the meeting must be in favour of the resolution for it to be passed.

4.2 Technical information required by Listing Rule 14.1A

If resolution 5 is passed, LPE will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval.

If resolution 5 is not passed, LPE will not be able to access the additional 10% capacity to issue equity securities to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

4.3 ASX Listing Rule 7.3A Requirements

Pursuant to ASX Listing Rule 7.3A, the issue price for each security issued under the Additional Placement Capacity will not be less than 75% of the volume weighted average price for securities in that class over the 15 trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the securities are to be issued is agreed by the entity and the recipient of the securities; or
- if the securities are not issued within 10 trading days of the date above, the date on which the securities are issued.

The issue of equity securities under the Additional Placement Capacity may result in voting dilution of existing ordinary shareholders (as shown in the table below). There is also the risk that:

- the market price for equity securities in that class may be significantly lower on the issue date than on the date of the Annual General Meeting; and
- the equity securities may be issued at a price that is at a discount to the market price for those equity securities on the issue date.

Table 1 following shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.3A.2 on the basis of the current market price of Shares and the current number of ordinary securities quoted on ASX for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% against the current market price.

Table 1

Variable "A" Number of Shares on Issue	Dilution			
	Issue Price (per Share)	0.0225 50% decrease in Issue Price	0.045 Issue Price	0.0675 50% Increase in Issue Price
178,156,277 (Current number of Shares on Issue)	10% Voting Dilution	17,815,628 Shares	17,815,628 Shares	17,815,628 Shares
	Funds Raised	\$400,852	\$801,703	\$1,202,555
267,234,416 (50% increase in Shares on Issue)	10% Voting Dilution	26,723,442 Shares	26,723,442 Shares	26,723,442 Shares
	Funds Raised	\$601,277	\$1,202,555	\$1,803,832
356,312,554 (100% increase in Shares on Issue)	10% Voting Dilution	35,631,255 Shares	35,631,255 Shares	35,631,255 Shares
	Funds Raised	\$801,703	\$1,603,406	\$2,405,110

The above table is based on the following assumptions:

- The number of shares on issue (variable "A") is calculated as 178,156,277 being all fully paid ordinary shares quoted on ASX as at the date of this Notice.
- The Company issues the maximum number of equity securities available under the Additional Placement Capacity.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue.
- The table shows only the issue of equity securities under the Additional Placement Capacity and not under Listing Rule 7.1.
- The issue of equity securities under the Additional Placement Capacity includes only Shares.

- The issue price of \$0.05 was the closing price of shares on ASX on 18 September 2023.
- Equity securities under the Additional Placement Capacity may be issued until the earlier of:
- the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained;
 - the time and date of the Company's next Annual General Meeting; or
 - the date of approval by ordinary shareholders of a significant change to the Company's activities under ASX Listing Rule 11.1.2 or the date of approval by ordinary shareholders of a disposal of a major asset under ASX Listing Rule 11.2.
 - To be clear, any approval of the Additional Placement Capacity at this Annual General Meeting will cease to be valid in the event that ordinary shareholders approve a transaction under ASX Listing Rule 11.1.2 or 11.2.
 - The Company may issue equity securities in an existing quoted class of securities under the Additional Placement Capacity for cash consideration:
 - i. to raise funds for the development of the Company's new and existing products and services;
 - ii. the acquisition of new assets or investments (including assets associated with such acquisition);
 - iii. to repay debt; or
 - iv. to fund working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 upon issue of any equity securities under the Additional Placement Capacity.

The Company's allocation policy for issues under the Additional Placement Capacity is dependent on prevailing market conditions at the time of any proposed issue. The identity of the allottees of the equity securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- the purpose of the issue;
- the methods of raising funds that are available to the Company, including rights issues or other issues in which existing shareholders may participate;
- the effect of the issue of the equity securities on the control of the Company;
- the financial situation and solvency of the Company;
- prevailing market conditions; and
- advice from the Company's advisors.

As the Company has no current plans to undertake a new capital raising, the allottees under the Additional Placement Capacity have not yet been determined, but if such an exercise was undertaken, allottees may include existing substantial shareholders and/or new shareholders who are not related parties or associates of a related party of the Company.

LPE sought Additional Placement Capacity at its 2022 Annual General Meeting. During the 12 months preceding the date of this meeting, the Company did not issue any securities utilising the Company's placement capacity under Listing Rule 7.1A.

A voting exclusion statement has been included in this Notice. However, as at the date of this Notice, the Company has not approached any particular existing Shareholders to participate in the issue of equity securities under the Additional Placement Capacity. No existing Shareholders' votes will therefore be excluded under the voting exclusion in the Notice.

If the Company issues equity securities pursuant to the Additional Placement Capacity, it will give to ASX:

- a list of the allottees of the equity securities and the number of equity securities allotted to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- the information required by Listing Rule 3.10.5A for release to the market.

VOTES ON ITEMS OF BUSINESS – PROXY APPOINTMENT

You may direct your proxy how to vote by placing a mark in one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

You are entitled to appoint up to two persons as proxies to participate in the Meeting and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by telephoning the Company's share registry or you may copy this form and return them both together.

To appoint a second proxy you must:

- (a) on each of the first Proxy Form and the second Proxy Form state the percentage of your voting rights or number of shares applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded; and
- (b) return both forms together.
