2023 ANNUAL GENERAL MEETING

EXPLANATORY MEMORANDUM

ITEM 1

FINANCIAL STATEMENTS AND REPORTS

The Corporations Act requires that the report of the Directors, the Auditor's Report and the Financial Report be laid before the Annual General Meeting. In addition, the Company's constitution provides for these reports to be received and considered at the meeting.

Apart from the matters involving remuneration which are required to be voted upon, neither the Corporations Act nor the Company's constitution requires a vote of Shareholders at the Annual General Meeting on the Financial Statements and Reports.

Shareholders will be given reasonable opportunity at the meeting to raise questions and make comments on these reports.

In addition to asking questions at the meeting, Shareholders may address written questions to the Chairman about the management of the Company or to the Company's Auditor, Connect National Audit Pty Ltd, if the question is relevant to:

- a) the content of the Auditor's Report; or
- b) the conduct of its audit of the Annual Financial Report to be considered at the meeting.

Note:

Under section 250PA(1) Corporations Act a Shareholder must submit the question to the Company no later than the fifth business day before the day on which the Annual General Meeting is held.

Written questions for the auditor must be delivered by 5:00pm (AEST) on or before Friday 3 November 2023. Please send any written questions for Connect National Audit Pty Ltd to the Company at the address listed on the proxy form attached to this Notice.

ITEM 2

RESOLUTION 1: Adoption of Directors' Remuneration Report

The Corporations Act requires that the section of the Directors' report dealing with the remuneration of Directors, and the Company Secretary (**Remuneration Report**) be put to the vote of Shareholders for adoption.

The resolution of Shareholders is advisory only and **not binding** on the Company. However, if more than 25% of the votes cast on this Resolution are against the adoption of the Remuneration Report, the Remuneration Report for the following year must either address any comments received from Shareholders or explain why no action has been taken in response to those comments.

If, at the following Annual General Meeting the Remuneration Report is voted against by 25% or more of votes cast, a 'spill resolution' will be put to Shareholders. If at least 50% of the votes cast are in favour of the 'spill resolution' a special meeting of the Company will be held within 90 days at which the Directors in office at the time of the second Annual General Meeting must resign and stand for re-election.

The Remuneration Report is in the 2023 Annual Report. It is also available to be viewed on the Company's website www.flagshipinvestments.com.au

THE REPORT:

- a) explains the Board's policies on the nature and level of remuneration paid to the Directors and Company Secretary within the Company;
- b) discusses the link between the Board's policies and the Company's performance;
- c) sets out the remuneration details for each Director;
- d) provides details on any service agreements, share based compensation arrangements and related party transactions; and
- e) makes clear that the basis for remunerating non-executive Directors is distinct from the basis for remunerating executives, including executive Directors.

The Chairman will give Shareholders a reasonable opportunity to ask questions about, or to make comments on, the Remuneration Report.

As RESOLUTION 1 relates to matters including the remuneration of the Directors, the Board, as a matter of good corporate governance, and in accordance with the spirit of section 250R(4) Corporations Act, makes no recommendation regarding this resolution.

ITEM 3

RESOLUTION 2: Re-election of Mrs Angela Obree

Mrs Angela Obree retires by rotation in accordance with rule 16.1 of the Company's Constitution and, being eligible, offers herself for re-election.

Mrs Obree has been a Director of the Company since 29 September 2021 and is the Chairman of the Company's Audit and Risk Committee. Mrs Obree has almost 25 years' experience in management consulting in the UK, South Africa, Ireland, and Germany. She is a highly experienced commercial mediator, negotiation expert, and corporate crisis leader.

Further information regarding her directorships, experience and qualifications are contained in the Directors' Report of the 2023 Annual Report. This information can also be viewed on the Company's website: <https://www.flagshipinvestments.com.au/>

The Board (with Mrs Obree abstaining) unanimously support the re-election of Mrs Angela Obree as a Director and recommend that Shareholders vote in favour of RESOLUTION 2.

ITEM 4

Resolution: 3

APPROVAL OF AMENDMENT TO MANAGEMENT SERVICES AGREEMENT

Background

The Company and EC Pohl & Co Pty Ltd ACN 154 399 916 (the **Manager**) are parties to the Management Services Agreement dated 12 November 2010 (**Management Agreement**).

Under the Management Agreement, the Manager is engaged to provide the Company with Primary Services (such as managing the Company's investment portfolio, managing the Company's announcements and providing investor relationship services) and Secondary Services (being administrative services including accounting support, office services and IT support).

In consideration for providing the Primary Services and Secondary Services the Manager is entitled to receive a performance fee being a sum equal to 15% per annum of the amount by which the Company's net performance before tax exceeds the interest rate payable on bank bills as represented by the UBS Bank Bill Index for the 12 month period to June of each year (**Performance Fee**). The Performance Fee is payable annually in arrears, subject to the Company's performance exceeding the interest rate benchmark.

Proposal to revise Performance Fee and reasons for proposed change

The current Management Agreement was entered into on 12 November 2010 following Shareholder approval and novated to the Manager on 18 October 2012 with the approval of Shareholders. The current Management Agreement replaced the original management agreement and, in doing so, the Company utilised the opportunity to more clearly express the remuneration payable to the Manager. The manager's remuneration under the original management agreement was 15% per annum of the amount by which the Company's performance exceeded the interest rate on bank bills, and performance was calculated on the Company's portfolio (being the value of its investments), adjusted for costs and outlays but prior to the calculation of the Performance Fee.

The current Management Agreement contains a more comprehensive methodology for calculating the Performance Fee with the Company's performance expressed to be determined by reference to the Company's net assets (adjusted for costs and outlays but prior to the calculation of the Performance Fee). The re-expression of the remuneration was for clarification purposes and the change did not increase the remuneration payable, as the Company net assets (adjusted for costs and outlays) was equivalent to the value of its portfolio (adjusted for costs and outlays) as the Company had no debt at that time.

Following approval from Shareholders at the Company's annual general meeting in September 2021, the Company issued convertible notes to existing Shareholders, new Investors, Directors and senior managers of the Company, raising gross proceeds of approximately \$20 million (**Convertible Notes**). Funds raised from the issue of the Convertible Notes were utilised by the Manager to make further investments in securities by the Company.

As a result of the issue of Convertible Notes, the Company has debt and consequently the Company's net asset value (as adjusted) is no longer equivalent to its portfolio value (as adjusted). Therefore, the Company and the Manager have been discussing changes to the Performance Fee to reflect the parties' original intention and have agreed that, subject to Shareholder approval, that the Performance Fee should be amended to be calculated by reference to the increase in value of the Company's portfolio (i.e. investments) over a financial year, in excess of the interest rate benchmark, and adjusted for costs and outlays and for contributions to, and withdrawals from, the portfolio as described below.

The revised Performance Fee calculation will result in the amount of the Performance Fee payable to the Manager being greater than if the Performance Fee continues to be calculated under the current methodology. The Company considers a calculation based on portfolio value is the standard across the industry and reflects the responsibility for the funds under management and the associated risks borne by the Manager.

To assist Shareholders decide how to vote on this resolution, set out below is the current Performance Fee payable to the Manager and the revised Performance Fee proposed to be payable to the Manager.

Current Performance Fee

Under the Management Agreement, the Manager is paid the following Performance Fee for its services:

A sum, payable annually in arrears, equal to 15% per annum of the amount by which the Company's net performance before tax (that is, after deducting the Net Assets at the beginning of the year (adjusted for tax) from the Net Assets at the end of the period (adjusted for the impact of tax, dividends paid during the year & equity adjustments) and before the calculation of this fee) exceeds the interest rate payable on bank bills as represented by the UBS Bank Bill Index for the twelve month period to June of each year. Provided that, if the Company's performance in any twelve month period is less than the interest rate payable on bank bills as represented by the UBS Bank Bill Index for that twelve month period, no sum will be payable.

Proposed revisions to Performance Fee

It is proposed that the terms of the Management Agreement be amended such that the Performance Fee payable to the Manager for the provision of the Primary Services (being the investment management services) is calculated based on the Company's total Portfolio Value (as defined below) instead of the Company's net asset value (being the current measure for the Performance Fee) to capture the value of the Company's investments. The UBS Bank Bill Index was rebranded as the Bloomberg AusBond Bank Bill Index in 2014 and this rebranding is also reflected in the wording for the revised Performance Fee.

Specifically, effective from the financial year commencing 1 July 2023 and subject to Shareholders approving the amendment to the Management Agreement, the existing methodology for the Performance Fee (set out in Schedule 1 of the Management Agreement) would be replaced with the following:

For the provision of Primary Services:

A Performance Fee paid at the end of each financial year, the terms of which are outlined below:

$P = 15\% \times (A - B)$:

P is the Performance Fee for the financial year

A is the Investment Return of the Portfolio for the financial year.

B is the Benchmark Return for the financial year.

- (i) The Performance Fee in a Financial Year will be paid annually in arrears if the Performance Fee for that Financial Year is a positive amount. If the Performance Fee for a Financial Year is a negative amount, no Performance Fee shall be payable to the Manager in respect of that Financial Year.*
- (ii) "Investment Return" means the Portfolio Value at the end of the financial year (before the calculation of the current financial year's Performance Fee) deducting the Portfolio Value at the beginning of the financial year and adjusting for all outlays from the Company including taxes paid, dividends paid, share buy-backs, operating expenses (excluding cost for provision of Secondary Services), interest expenses and any Performance Fee paid during the financial year and all contributions to the Company including GST refunds, capital raising or other equity adjustments.*

- (iii) *“Benchmark Return” means the interest rate payable on bank bills as represented by the percentage movement on the Bloomberg AusBond Bank Bill Index (or similar replacement index) for the twelve month period to June of each year multiplied by the opening Portfolio value at the start of the financial year.*
- (iv) *“Portfolio Value” means the value of the Portfolio (as defined in clause 1.1) held by the Company with the custodian.*

Other changes to Management Agreement

As mentioned above, in consideration for the Performance Fee, the Manager provides both the Primary Services (which primarily relate to investment management activities) and the Secondary Services. The Secondary Services cover accounting support, internal audit support, office services, human resources support, corporate support and information technology support.

As the Performance Fee is paid annually in arrears, the Manager is required to bear the cost of providing the Secondary Services over the course of a financial year and does not receive any compensation for incurring such costs until after the end of the financial year. Given the cost to the Manager of providing Secondary Services has increased significantly since the Management Agreement was entered into (which reflects the greater complexity and scope of accounting requirements, taxation laws, corporate law, ASX listing rule obligations and other rules and regulations which impact the Secondary Services that the Manager provides to the Company) there is a significant financial burden to the Manager which did not exist when the Management Agreement was entered into.

The Company and Manager have been discussing this circumstance and have agreed, subject to Shareholder approval, that the Manager should be entitled to a fee for providing the Secondary Services (**Secondary Services Fee**). The proposed Secondary Service Fee is 8 basis points (0.08%) per annum of the Portfolio Value (as defined above) and will be calculated and payable monthly in arrears based on the month-end Portfolio Value. Additionally, the Manager currently provides company secretarial and asset custody services to the Company, which are not expressly provided for in the Management Agreement, and it is proposed that the Management Agreement be amended to include these services. If the Secondary Service Fee is approved by Shareholders, it will be paid from November 2023 onwards.

The Company considers the payment of a Secondary Services Fee is consistent with the fee arrangements which generally apply for ASX-listed Listed Investment Companies (**LICs**), as the typical fee structure comprises a management and/or performance fee for managing the LIC's portfolio and an administration fee or expense reimbursement for providing administration and related services to the LIC.

Related party disclosures

The Manager is a related party of the Company within the meaning of 'related party' in section 229 of the Corporations Act, because the Manager is controlled by a director of the Company: Dr Emmanuel (Manny) Pohl AM.

Accordingly, the Company entering into a deed of amendment in respect of the Management Agreement with the Manager to amend the Performance Fee and provide for a Secondary Services Fee will be a related party transaction for the purposes of Chapter 2E of the Corporations Act (as it involves the giving of a financial benefit to a related party). Section 208 of the Corporations Act requires a public company (such as the Company) to obtain shareholder approval to give a financial benefit to a related party, unless an exemption applies. Section 210 of the Corporations Act provides that the giving of a financial benefit does not require shareholder approval under section 208 if it is given on arm's length terms, that is terms which are reasonable in the circumstances if the company and related party were dealing at arm's length (or on terms that are less favourable to the related party than these terms).

Shareholder approval is being sought for the amendment to the Management Agreement in accordance with ASX's expectations as outlined in ASX Guidance Note 26. Should the resolution not be passed the Management Agreement shall remain in effect without changes.

Resolution 3 seeks Shareholder approval under Chapter 2E of the Corporations Act for the proposed amendment to the Management Agreement.

For the purposes of section 219 of the Corporations Act and ASIC Regulatory Guide 76, the following information is provided to Shareholders to enable them to assess the merits of Resolution 3

(a)	<i>The related party to whom the proposed resolution would permit the financial benefits to be given</i>	EC Pohl & Co Pty Ltd ACN 154 399 916 (Manager).
(b)	<i>The nature and value of the financial benefits</i>	<p>The financial benefit to be provided by the Company to the Manager is the revised Performance Fee and the Secondary Services Fee proposed to be paid by the Company to the Manager under the amended Management Agreement.</p> <p>The proposed changes to the Performance Fee calculation are likely to have the effect of increasing the Performance Fee payable by the Company to the Manager in each financial year, as portfolio value (being the value of the Company's investments, accrued income and cash, and therefore broadly equivalent to gross asset value), instead of the net asset value, of the Company will be used as the basis for calculating the fee.</p> <p>By way of comparison, the Performance Fee payable to the Manager for the financial year ended 30 June 2023 is \$1,034,906. Conversely, if the Performance Fee for that financial year had been calculated using the proposed revised Performance Fee methodology, the Performance Fee would have been \$1,276,570.</p> <p>Further, the Manager currently receives no additional amount (beyond the Performance Fee) for providing the Secondary Services. If the Shareholders approve the payment of the Secondary Services Fee, the Manager will be entitled to a monthly fee from November 2023 onwards, equal to 0.08% per annum of the month-end portfolio value. Based on the Company's portfolio value as at 30 June 2023, the Secondary Service Fee would be approximately \$4,900 per month.</p>
(c)	<p><i>In relation to each Director of the Company:</i></p> <ul style="list-style-type: none"> • <i>if the Director wanted to make a recommendation to Shareholders about the proposed resolution - the recommendation and his or her reasons for it;</i> • <i>if not, why not; or</i> • <i>if the Director was not available to consider the proposed resolution - why not.</i> 	<p>Dr Pohl controls, and is a director of, the Manager.</p> <p>Given Dr Pohl's relationship with the Manager, he has abstained from providing a recommendation in relation to Resolution 3. The other Directors of the Company have recommended that Shareholders vote in favour of Resolution 3.</p> <p>Further, as Dr Pohl is an associate of the Manager, he is not permitted to vote any shares held by himself or his controlled entities on Resolution 3 (refer to the Voting Exclusion Statement for Resolution 3 in the Notice of Meeting).</p>

(d)	<p><i>In relation to each such Director:</i></p> <ul style="list-style-type: none"> • <i>whether the Director has an interest in the outcome of the proposed resolution; and</i> • <i>if so, what it is.</i> 	<p>Dr Pohl has an interest in the outcome of Resolution 3, as he controls the Manager.</p>
(e)	<p><i>All other information that:</i></p> <ul style="list-style-type: none"> • <i>is reasonably required by Shareholders in order to decide whether or not it is in the Company's interests to pass the proposed resolution; and</i> • <i>is known to the Company or any of its Directors.</i> 	<p>Shareholders are advised to carefully and fully read the Notice of Meeting and the Explanatory Memorandum.</p>

The Directors, with Dr Pohl abstaining (as Dr Pohl is a Director and controller of the Manager), recommend that Shareholders vote in favour of RESOLUTION 3.

ITEM 5

Resolution: 4 CHANGE OF AUDITOR

Connect National Audit Pty Ltd was appointed in 2020 following their acquisition of Flagship Investments' previous auditor WPIAS Pty Ltd. As part of the Company's regular service provider review the ongoing audit engagement was subject to a tender. After careful consideration, the Board has selected Augmented Audit Co Pty Ltd to provide audit services to the Company.

Connect National Audit Pty Ltd has submitted their resignation as auditor and ASIC's consent to the resignation in accordance with section 329(5) Corporations Act is expected prior to the AGM.

In order to meet the Corporations Act requirements for appointing a new auditor, the Company has received a notice from Pohl Pty Ltd, trustee of the Gap Investment Trust, being a Member of the Company, nominating Augmented Audit Co Pty Ltd as the new auditor of the Company. A copy of that notice is attached as Annexure A.

The Company notes that Augmented Audit Co Pty Ltd is registered as an auditor under section 1280 Corporations Act and considers it is an audit firm with the necessary expertise and resources to meet the Company's requirements.

Augmented Audit Co Pty Ltd has consented to their appointment as the replacement auditor of the Company.

The Directors recommend you vote in favour of RESOLUTION 4

ITEM 6

Resolution: 5

SPECIAL RESOLUTION TO CHANGE THE CONSITUTION OF THE COMPANY

The constitution of the Company (**Constitution**) was originally adopted in October 2000, with only limited amendments adopted since that time. It is proposed that the Company take this opportunity to update and amend the Constitution to:

- a) update historical provisions and terminologies that have become outdated due to changes in law or circumstances of the Company;
- b) make drafting changes that are administrative in nature, such as references to the Company's former name, formatting, grammatical and punctuation changes; and
- c) address the accumulation of future unclaimed dividends (explained below).

The details of the specified proposed amendments are set out in Annexure B to the Notice of Meeting. A copy of the Constitution with the proposed changes will be made available prior to the AGM on the Company's website at <http://www.flagshipinvestments.com.au/AGM2023/>.

Key proposed amendment – Unsuccessful payment of dividends and unclaimed dividends

Under the existing Constitution, the Company pays dividends either by way of electronic funds transfer to the nominated bank account of a Shareholder or mails a cheque to the Shareholder at the address record on the register of members. Where a Shareholder has provided incorrect details, or has not updated their details with the Company's registry (for example, where the Shareholder has moved residences), the Company is unable to complete or make successful payment of the dividend. Currently, the Board has the right under the Constitution to invest or otherwise make use of unclaimed dividends for the benefit of the Company until claimed or otherwise disposed of according to law. If a dividend remains unclaimed, then the Company must transfer the funds to the Queensland Public Trustee to hold until claimed by the Shareholder or dealt with by the Public Trustee in accordance with applicable law.

The Directors wish to ensure that the dividends payable to a Shareholder remain for the benefit of that Shareholder. Under the proposed amendment to the Constitution, if the Company attempts to make payment of a dividend to a Shareholder using the details provided by the Shareholder and the Company is unable to complete the payment due to incorrect or non-current details of the Shareholder or a cheque not being drawn before the next dividend payment, the Board may determine that the Shareholder is a lost Shareholder. The Board will be permitted to arrange for the Shareholder's unclaimed dividend to be reinvested in ordinary shares of the Company in accordance with any regulations made by the Board for the purpose of this new provision, including deeming that the Shareholder has made an election to participate in full under the Company's dividend reinvestment plan, with all future dividends being reinvested under the plan until such time the Shareholder gives written notice to the Company nominating a valid bank account for dividend payments.

Pursuant to section 139(2) of the *Corporations Act 2001* (Cth), because this proposed amendment to the Constitution has the effect of requiring a Shareholder to take up additional shares in the Company, persons that became Shareholders before the date of adoption of the amendment to the Constitution will only be bound by this amended provision if they agree in writing to be bound.

The Board unanimously support the change to the constitution and recommend that Shareholders vote in favour of RESOLUTION 5.

If you leave this section blank, or your named proxy does not attend the meeting, the Chair of the Meeting will be your proxy. A proxy need not be a securityholder of the company. Do not write the name of the issuer company or the registered securityholder in the space.

- (b) return both forms together in the same envelope.

STEP 2 VOTING DIRECTIONS TO YOUR PROXY

To direct your proxy how to vote, mark one of the boxes opposite each item of business. All your securities will be voted in accordance with such a direction unless you indicate only a portion of securities are to be voted on any item by inserting the percentage or number that you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item for all your securities, your vote on that item will be invalid.
