

ASX Announcement

20 October 2023

Appendix 3G– Late Lodgment Notice

Coronado Global Resources Inc. (ASX: CRN) (**Coronado**, or **the Company**) refers to the manual Appendix 3G lodged today related to the issue, grant and vesting of performance stock units (**PSUs**) for FY2018 and FY2020, under the Company's 2018 Equity Incentive Plan (lodged with the ASX on 22 October 2018) (**the CRN 2018 EIP**), following actions of the Compensation and Nominating Committee of the Board of Directors (**the Compensation Committee**). PSUs are equity securities issued by the Company but not quoted on the ASX (**unquoted equity securities**).

As set out in the manual Appendix 3G, dividend equivalent reinvestments were accrued by certain KMPs and non-KMP employees in FY2018 and FY2020 with respect to PSUs awarded and granted under the terms of the CRN 2018 EIP, in accordance with the approval of the Compensation Committee. These dividend reinvestments relate to dividend declarations made by the Company during FY2022 and FY2023 to date. Due to an administrative oversight, the Company did not submit a separate Appendix 3G with respect to each of the dividend equivalent reinvestments accrued by way of PSUs to all relevant employees. However, there was appropriate disclosure set out in the Appendix 3G lodged 6 April 2023 regarding the FY2018 grant of PSUs in relation to the relevant KMPs under the CRN 2018 EIP (and as now also included for completeness in the manual Appendix 3G).

The Company has now implemented internal administrative arrangements such that any changes in unquoted equity securities as related to dividend reinvestment plans are routinely updated in the Company's filings with the ASX; as well as may be required for filings with the U.S. Securities Exchange Commission.

This announcement was authorised to be given to ASX by the Disclosure Committee of Coronado Global Resources Inc.
