VOTING INFORMATION, EXCLUSIONS AND PROHIBITIONS

The business of the Meeting affects your Shareholding and your vote is important.

Voting prohibition statement in relation to Resolution 1

A vote on this Resolution must not be cast (in any capacity) in favour of the Resolution by or on behalf of either of the following persons:

- a) a member of the Key Management Personnel, details of whose remuneration are included in the Remuneration Report; or
- b) a Closely Related Party of such a member.

However, such person (the voter) described above may cast a vote on this Resolution as a proxy if the vote is not cast on behalf of a person described above and either:

- a) the voter is appointed as a proxy by writing that specifies the way the proxy is to vote on this Resolution; or
- b) the voter is the Chair of the Meeting and the appointment of the Chair of the Meeting as proxy:
 - i) does not specify the way the proxy is to vote on this Resolution; and
 - ii) expressly authorises the Chair of the Meeting to exercise the proxy even though this Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

Voting exclusions and voting restriction in relation to Resolutions 3, 4 and 5

In accordance with the ASX Listing Rules, the Company will disregard any votes cast in favour of these Resolutions by Mr Glenn Davis, Mr Michael Schwarz and Mr Gary Ferris and any other person who is eligible to participate in the PSP and, any other person who will obtain a material benefit as a result of the proposed Resolution (except a benefit solely by reason of being a holder of Shares) or any Associate of such persons.

However, this does not apply to a vote cast in favour of a resolution by:

- a person as proxy or attorney for a person who is entitled to vote on the Resolutions, in accordance with directions given to the proxy or attorney to vote on the Resolutions in that way; or
- the Chair of the Meeting as proxy or attorney for a person who is entitled to vote on the Resolutions, in accordance with a direction given to the Chair of the Meeting to vote on the Resolutions as the Chair of the Meeting decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - o the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an Associate of a person excluded from voting, on the Resolutions; and
 - o the holder votes on the Resolutions in accordance with directions given by the beneficiary to the holder to vote in that way.

Further, in accordance with the Corporations Act, the Company will disregard any votes cast on these Resolutions (and will be taken not to have been cast if cast contrary to this restriction) by any person appointed as a proxy by any person who is either a member of

the Key Management Personnel, or a Closely Related Party of such a member, and their appointment does not specify the way the proxy is to vote on these Resolutions. However, the member of the Key Management Personnel or any Closely Related Party of such a member may vote if it is cast by a person who is the Chair of the Meeting at which these Resolutions are voted on and the appointment expressly authorises the Chair of the Meeting to exercise the proxy even if these Resolutions are connected directly or indirectly with the remuneration of a Key Management Personnel.

Voting exclusion in relation to Resolution 6

As the Company has not currently identified allottees of Securities pursuant to Resolution 6, a voting exclusion statement is not required.

Important information concerning proxy votes on Resolutions 1, 3, 4 and 5

The Corporations Act places certain restrictions on the ability of Key Management Personnel and their closely related parties to vote on the Resolutions connected directly or indirectly with the remuneration of the Key Management Personnel.

Additionally, the Company will disregard any votes cast as Resolutions 1, 3, 4 and 5 by any person appointed as a proxy by any person who is either a member of the Key Management Personnel or a Closely Related Party of such a member, unless:

- a) it is cast by the person as proxy for a person who is entitled to vote, in accordance with directions on the proxy form; or
- b) it is cast by the Chair of the Meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

For these reasons, Shareholders who intend to vote by proxy should carefully consider the identity of their proxy and are encouraged to direct their proxy as to how to vote on all Resolutions. In particular, Shareholders who intend to appoint the Chair of the Meeting as their proxy (including an appointment by default) are encouraged to direct the Chair of the Meeting as to how to vote on all Resolutions.

If the Chair of the Meeting is appointed, or taken to be appointed, as your proxy, you can direct the Chair of the Meeting to vote for, against or abstain from voting on Resolutions 1, 3, 4 and 5 by marking the box opposite the Resolution on the Proxy Form. You should direct the Chair of the Meeting how to vote on these Resolutions.

However, if the Chair of the Meeting is your proxy and you do not direct the Chair of the Meeting how to vote in respect of Resolutions 1, 3, 4 and 5 on the Proxy Form, you will be deemed to have directed and expressly authorised the Chair of the Meeting to vote your proxy in favour of the Resolutions. This express authorisation acknowledges that the Chair of the Meeting may vote your proxy even if:

- (a) Resolutions 1, 3, 4 and 5 are connected directly or indirectly with the remuneration of a member or members of the Key Management Personnel of the Company; and
- (b) the Chair of the Meeting has an interest in the outcome of Resolutions 1, 3, 4 and 5 and, that votes cast by the Chair of the Meeting for these Resolutions, other than as authorised proxy holder, will be disregarded because of that interest.

Voting, Attendance Entitlement and proxy

A Member who is entitled to attend and cast a vote at the Meeting and who wishes to vote on the Resolutions contained in this Notice should either attend in person at the time, date and place of the Meeting set out above or appoint a proxy or proxies to attend or vote on the Member's behalf.

A Member who is entitled to attend and cast a vote at the Meeting and who wishes to vote on the Resolutions contained in this Notice should appoint the Chairman of the Meeting as their proxy to attend and vote on the Member's behalf. iTech encourages shareholders to **appoint the Chairman of the Meeting as their proxy**.

The Chair of the Meeting intends to vote undirected proxies in favour of each item of business. Members should note that they are entitled to appoint the Chair of the Meeting as a proxy with a direction to cast the votes contrary to the Chair of the Meeting's voting intention, or to abstain from voting, on any Resolution in the Proxy Form. Also, Members may appoint, as their proxy, a person other than the Chair of the Meeting.

A proxy need not be a Member of the Company. For the convenience of Members, a Proxy Form is enclosed. A Member who is entitled to attend and cast two or more votes is entitled to appoint two proxies. Where two proxies are appointed, each appointment may specify the proportion or number of voting rights each proxy may exercise. If the Member appoints two proxies and the appointment does not specify this proportion, each proxy may exercise half of the votes able to be cast by the appointing Member.

ANNUAL GENERAL MEETING - EXPLANATORY NOTES

These Explanatory Notes accompanying this Notice of Meeting are incorporated in and comprise part of this Notice of Meeting and should be read in conjunction with this Notice of Meeting.

If any Shareholder is in doubt as to how they should vote, they should seek advice from their legal, financial or other professional adviser prior to voting.

Introduction

These Explanatory Notes have been prepared to provide Shareholders with material information to enable them to make an informed decision on the business to be considered at the Annual General Meeting of the Company. The Directors recommend Shareholders read these Explanatory Notes in full before making any decision in relation to the Resolutions.

Terms defined in the Notice of Meeting have the same meaning in these Explanatory Notes.

Receiving financial statements and reports

The Corporations Act requires that Shareholders consider the annual consolidated financial statements and reports of the Directors and auditor every year.

There is no requirement either in the Corporations Act or the Constitution for Shareholders to approve the financial report, the Directors' report or the auditor's report. Shareholders will be given a reasonable opportunity at the Meeting to:

- a) ask questions about, or make comments on, the management of the Company; and
- b) ask a representative of the Company's Auditor, Grant Thornton, questions relevant to:
 - 1) the conduct of the audit;
 - 2) the preparation and content of the Auditor's Report;
 - 3) the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
 - 4) the independence of the Auditor in relation to the conduct of the audit.

A Member who is entitled to cast a vote at the Meeting may submit written questions to the Company's Auditor if the question is relevant to the content of the Auditor's report or the conduct of the audit of the annual financial report. A written question must be submitted by giving the question to the Company no later than 5:00pm ACDT on Monday 20 November 2023, being five business days before the day on which the Meeting is to be held and, the Company will then, as soon as practicable after the question has been received, pass the question on to the Auditor.

The Chair of the Meeting will allow a reasonable opportunity at the Annual General Meeting for a representative of the Company's Auditor to answer any such written questions submitted. If the Company's Auditor has prepared written answers to written questions, the Chair of the Meeting may allow these to be tabled at the Meeting and such written answers will be available to Members as soon as practicable after the Meeting. The Company will make copies of the question list reasonably available to Members attending the Meeting.

No Resolution is required to be moved in respect of this item of general business.

GENERAL BUSINESS

Resolution 1: Adoption of Remuneration Report

The Remuneration Report for the financial year ended 30 June 2023 is set out in the Directors' Report within the 2023 Annual Financial Report, which is available on the Company's website: <https://www.itechminerals.com.au/>. The Remuneration Report sets out the Company's remuneration arrangements for Directors, including the Managing Director, and members of the Company's Key Management Personnel.

Section 300A of the Corporations Act requires the Directors to include a Remuneration Report in their report for the financial year. Section 250R(2) of the Corporations Act requires the Remuneration Report to be put to a vote at the Company's Annual General Meeting. The vote on the Resolution is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote into consideration when reviewing remuneration practices and policies.

The Directors believe that the Company's remuneration policies and structures are appropriate relative to the size of the Company and its business.

Board Recommendation: The Board, while noting that each Director has a personal interest in their own remuneration from the Company, recommends that Members vote in favour of Resolution 1.

Resolution 2: Re-election of Mr Glenn Davis as a Director of the Company

In accordance with clause 13.2 of the Constitution, there must be an election of Directors at each Annual General Meeting. A retiring Director is eligible for re-election.

ASX Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

Clause 13.2 of the Constitution provides that:

- (a) at the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third (rounded upwards in case of doubt), shall retire from office, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election;
- (b) the Directors to retire at an annual general meeting are those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots;
- (c) a Director who retires by rotation under clause 13.2 of the Constitution is eligible for re-election; and
- (d) in determining the number of Directors to retire, no account is to be taken of:
 - a. a Director who only holds office until the next annual general meeting pursuant to clause 13.4 of the Constitution; and/or
 - b. a Managing Directoreach of whom are exempt from retirement by rotation. However, if more than one Managing Director has been appointed by the Directors, only one of them (nominated by the Directors) is entitled to be excluded from any determination of the number of Directors to retire and/or retirement by rotation.

Accordingly, Mr Glenn Davis is required to retire as a Director of the Company and being eligible, has offered himself for re-election. A resume of Mr Davis follows:

Mr Glenn Davis, LLB, Bsc, FAICD (Non-Executive Director)

Mr Davis has practiced as a solicitor in corporate and risk throughout Australia for over 30 years, initially in a national firm and then a firm he founded. He has expertise and experience in the execution of large transactions, risk management and in corporate activity regulated by the Corporations Act and ASX Limited. Mr Davis is currently the Non-Executive Chairman of Beach Energy Ltd and Adrad Holdings Limited.

The Board considers Mr Davis to be an independent Director as defined under the ASX Corporate Governance Principles and Recommendations.

Mr Davis has been a Director of the Company since 27 April 2021.

Board Recommendation: The Directors (other than Mr Davis who is not entitled to make, and does not make, a recommendation in relation to the Resolution) recommend that Shareholders vote in favour of Resolution 2.

The Chair of the Meeting intends to vote all undirected proxies in favour of the re-election of Mr Davis.

Resolutions 3, 4 and 5: Issue of Performance Rights to Mr Glenn Davis, Mr Michael Schwarz and Mr Gary Ferris

Background

Mr Glenn Davis, Mr Michael Schwarz and Mr Gary Ferris are Directors with responsibility of management and oversight of the Company (**Participating Directors**). For the purpose of remunerating the Participating Directors based on their qualifications and experience within the production, development and exploration market, recognition of risks in fulfilling their director roles and the desire to preserve cash, the Board has determined to include an incentive based component to their remuneration package via the issue of Performance Rights. The proposed issue of Performance Rights further aligns the interests of the Participating Directors with those of Shareholders through Share ownership, incentivising Directors to make decisions that enhance the Company's long-term value.

The Participating Directors have been invited by the board of the Company to receive up to 2,750,000 Director Performance Rights in total (1,250,000 to Mr Schwarz and 750,000 to each of Mr Davis and Mr Ferris) if approved by Members at this Meeting.

Reason for approval – Listing Rules

The Participating Directors are Directors of the Company and ASX Listing Rule 10.14 provides that a director (or their Associates) may not acquire securities under an employee incentive scheme without the prior approval of shareholders.

Accordingly, approval is sought for the issue of Performance Rights to the Participating Directors (or their nominees) for the purposes of Listing Rule 10.14 on the terms set out below.

If Resolutions 3, 4 and 5 are passed, the Company will be able to proceed with the issue of Performance Rights to the Participating Directors.

If Resolutions 3, 4 and 5 are not passed, the Company will not be able to issue Performance Rights to the relevant Participating Directors.

The Performance Rights will be issued under the Company's PSP.

Reason for approval – Corporations Act – Termination Benefits

The Corporations Act restricts the Company from giving certain "benefits" to certain persons (those who hold a managerial or executive office, as defined in the Corporations Act) on ceasing their employment with the Company (**Termination Benefits**), in the absence of prior shareholder approval unless an exemption applies.

The term "benefit" is defined broadly in the Corporations Act and includes benefits arising from the Board exercising its discretion under the rules of the PSP.

Accordingly, Resolutions 3, 4 and 5 also seek Shareholder approval for the purpose of the Company providing these Termination Benefits to the Participating Directors in accordance with the terms of the PSP.

This approval is being sought in respect of the current participation in the PSP, and the Termination Benefits that may arise if and when any Participating Director ceases to be engaged by the Company.

Other than as expressly set out in Resolutions 3, 4 and 5, no current Director will participate in the PSP unless separate Shareholder approval is first obtained.

For the purposes of section 200E of the Corporations Act, the Company advises that various matters will or are likely to affect that value of the Termination Benefits that the Board may give under the PSP and, therefore the value of the Termination Benefits cannot be determined in advance.

The value of a particular benefit resulting from the exercise of the Board's discretion under the PSP will depend on factors such as the Company's share price at the time of the exercise of this discretion and the number of Performance Rights that the Board decides to waive the exercise conditions in respect of or for which the vesting date is accelerated. Some of the factors that may affect the value of the Termination Benefits are as follows:

- a) the nature and extent of any exercise conditions waived by the Board;
- b) the number of exercise conditions that have been satisfied at the time that the Board exercises this discretion; and
- c) the number of unexercised Performance Rights that the Participating Director holds at the time that this discretion is exercised.

Issue of Performance Rights to Participating Directors

Upon approval at this Meeting, the Company intends to issue 2,750,000 Director Performance Rights to the Participating Directors within 1 month of the Meeting. The Director Performance Rights may vest in tranches upon each performance hurdle being met as approved by the Board. The Company will not issue the Director Performance Rights later than 12 months after the Meeting.

In the event that all Performance Rights vest upon satisfaction of the Key Performance Indicator (**KPIs**) Performance Conditions (summarised below), the total number of Shares that would be issued to the Participating Directors is 2,750,000. The Shares to be issued upon vesting of the Performance Rights will all be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares at the date of issue.

The Company advises that there are no loans provided to the Participating Directors in relation to the issue of Performance Rights.

Further key terms of the PSP are included in Appendix 1 to this Notice.

Issue Price and Exercise Price

There is no issue price and consequently there are no funds raised upon issue of the Director Performance Rights as they are issued for nil consideration. Each Performance Right issued to the Participating Directors (or their nominee) will have a nil exercise price.

Key Performance Indicators

The Performance Rights vest and become exercisable if the Performance Conditions are determined to have been satisfied or as otherwise determined by the Board exercising its discretion.

Where the Performance Conditions are met and Performance Rights vest, Performance Rights may be exercised at any time prior to Exercise Period End Date. The Performance Conditions relate to the Participating Directors' and the Company's performance during the period 27 November 2023 (date of AGM) to 31 December 2025. Upon Shareholder approval, the Participating Directors will be issued KPI based Performance Rights as detailed below.

Director Performance Rights will lapse approximately three years after vesting date if the KPI hurdles are not met.

TABLE 1

KPI	Director	Maximum number of Director Performance Rights which vest upon achieving KPI's

TOTAL		2,750,000

Share Price 1 KPI

The Director Performance Rights will vest upon the Company's share price exceeding a VWAP equal to 125% of the 5 day VWAP prior to the 2023 AGM at any time in the period to 31 December 2025 for a period of at least 1 month.

Share Price 2 KPI

The Director Performance Rights will vest upon the Company's share price exceeding a VWAP equal to 150% of the 5 day VWAP prior to the 2023 AGM at any time in the period to 31 December 2025 for a period of at least 1 month.

TABLE 2

¹ Within 5 business days of receipt of Shareholder approval.

² Unvested Director Performance Rights will expire within 3 months of the Participating Director ceasing to hold office with the Company if earlier than vesting date. The Board will have 3 months from the end of the KPI measurement period to determine whether the rights have vested based on a KPI.

Participating Director total current remuneration

The Participating Directors are remunerated as listed below (base salary and superannuation).

TABLE 3

Director	Full year amount	2022/23 payments ¹

¹ Remuneration for the year ended 30 June 2023 as disclosed the Company's remuneration report.

² Includes long service leave accrual of \$4,310 as disclosed the Company's remuneration report.

The participating Directors have the following relevant interest in Equity Securities of the Company:

TABLE 4

Director	Shares	Unlisted options
G Davis	783,299	-
M Schwarz	2,750,000	2,000,000
G Ferris	755,550	-

If all of the Performance Rights granted to the Participating Directors vest and are exercised, then a total of 2,750,000 new Shares would be issued. This will increase the number of Shares on issue from 122,183,562 to 124,933,562 (assuming that no other Shares are issued) with the effect that the shareholding of existing Shareholders would be diluted by approximately 2.25%.

The market price for Shares during the term of the Performance Rights will affect the value of the perceived benefit given to the Participating Directors. If, at any time, any of the Performance Rights vest, then there may be a perceived cost to the Company. The trading history of Shares on ASX in the 12 months to 30 September 2023 is listed in Table 5 below:

Corporations Act – Related Party

Under Chapter 2E of the Corporations Act, a public company cannot give a financial benefit to a related party unless an exception applies or shareholders have in a general meeting approved the giving of that financial benefit to the related party.

In accordance with section 208 of the Corporations Act, to give a financial benefit to a related party, the Company must obtain Shareholder approval unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

The Board has formed the view that Shareholder approval under section 208 of the Corporations Act is not required for the proposed issue of the Performance Rights, pursuant to Resolutions 3, 4 and 5, as the exception in section 211 of the Corporations Act applies. Shareholder approval must nonetheless be obtained pursuant to ASX Listing Rule 10.14. The Director Performance Rights which are proposed to be issued are considered to be reasonable remuneration for the purposes of section 211 of the Corporations Act.

ASX Listing Rules Disclosure

ASX Listing Rule 10.15 requires that the following information be provided to Shareholders when seeking an approval for the purposes of ASX Listing Rule 10.14:

- (a) the Director Performance Rights will be issued to nominees or Associates of the Participating Directors in accordance with Listing Rule 10.14.1 (Director) or Listing Rule 10.14.2 (Associates);
- (b) the number of Director Performance Rights to be issued is up to a total of 2,750,000;
- (c) there have been no Performance Rights previously issued to the Participating Directors under the PSP;
- (d) the full terms of the Director Performance Rights are described in detail above and key terms of the PSP under which they are proposed to be issued are included in Appendix 1;
- (e) the Company will undertake a valuation of the Director Performance Rights using the Monte Carlo valuation method if approved by Shareholders at the Meeting. If all Director Performance Rights were currently vested, then each Director Performance Right would convert into one (1) Share in the Company and would currently be valued at 0.13 cents per Share (closing Share price on 29 September 2023);
- (f) the issue of the Performance Rights, the subject of Resolutions 3, 4 and 5 will occur as soon as practicable after the Meeting and in any event no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules), but will vest upon meeting the required KPIs;
- (g) the Performance Rights will be issued for no cash consideration and no consideration is payable by the Participating Directors upon the exercise and conversion of the Performance Right to a Share;
- (h) no funds will be raised upon the issue of Performance Rights;
- (i) details of any securities issued under the PSP will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14; and
- (j) any additional persons covered by Listing Rule 10.14 who become entitled to participate in the issue of securities under the PSP after Resolutions 3, 4 and 5 are approved and who were not named in this Notice will not participate until approval is obtained under Listing Rule 10.14.

Board Recommendation

The Participating Directors decline to make a recommendation to Shareholders in relation to Resolutions 3, 4 and 5 due to their material personal interest in the outcome of those Resolutions should Resolutions 3, 4 and 5 be passed.

With the exception of the issue of Performance Rights to Mr Davis in respect of Resolution 3, Mr Schwarz in respect of Resolution 4 and Mr Ferris in respect of Resolution 5, no other Director has a personal interest in the outcome of Resolutions as they relate to the other Participating Directors. The Directors (other than in respect of Performance Rights that relate to themselves) recommend that Shareholders vote in favour of Resolutions 3, 4 and 5 for the following reasons:

- the issue of Performance Rights to the Participating Directors will better align the interests of the Participating Directors with those of Shareholders;

- the issue of the Performance Rights is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would, if cash payments were given to the Participating Directors under their employment arrangements; and
- it is considered that there aren't any significant opportunity costs to the Company or benefits foregone by the Company in the issue of Performance Rights on the terms proposed.

In forming their recommendations, each Director considered the experience of the Participating Directors, the skills the Participating Directors bring to the Company and the current market price of Shares when determining the number of Performance Rights to be issued.

The Chair of the Meeting intends to vote all undirected proxies in favour of Resolutions 3, 4 and 5.

Resolution 6: Approval of 10% Additional Placement Capacity

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued Share capital through placements over a 12 month period after the Annual General Meeting at which approval by special resolution of the issue is obtained (**10% Placement Facility**). This 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1 and allows the Company to issue up to 25% of its issued capital in total.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity at the date of this Notice of Meeting and must remain compliant with the requirements of Listing Rule 7.1A at the date of the Meeting to be able to utilise the additional capacity to issue Equity Securities under that Listing Rule.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities.

The Company is seeking Shareholder approval by way of a Special Resolution which requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) to have the ability to issue Equity Securities under the 10% Placement Facility. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

If Resolution 6 is passed, the Directors will be able to issue Equity Securities in the Company for up to 10% of the Company's Securities on issue during the period up to 12 months after the Meeting, calculated in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

If Resolution 6 is not passed, the Directors will be unable to issue Equity Securities under the Company's 10% Additional Placement Capacity and the Company will be unable to raise funds using the Company's 10% Additional Placement Capacity.

Number of Securities

The formula for calculating the maximum amount of Securities to be issued or agreed to be issued under the 10% Placement Facility is calculated as follows:

$$(A \times D) - E$$

A is the number of fully paid ordinary Securities on issue 12 months before the date of issue or agreement:

- plus the number of fully paid ordinary Securities issued in the 12 months under an exception in Listing Rule 7.2 (other than exception 9, 16 or 17);
- plus the number of fully paid ordinary Securities issued in the 12 months on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - o the convertible securities were issued or agreed to be issued before the commencement of the 12 months; or
 - o the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;
- plus the number of fully paid ordinary Securities issued in the 12 months under an agreement to issue Securities within Listing Rule 7.2 exception 16 where:
 - o the agreement was entered into before the commencement of the 12 months; or
 - o the agreement or issue was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4;
- plus the number of partly paid ordinary Securities that became fully paid in the 12 months;
- plus the number of any other fully paid ordinary Securities issued in the 12 months with approval under Listing Rule 7.1 or Listing Rule 7.4 (excluding an issue of Shares under the Company's 15% placement capacity without Shareholder approval);

- less the number of fully paid ordinary Securities cancelled in the 12 months.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under this Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement and where the issue or agreement has not been subsequently approved by Shareholders under Listing Rule 7.4.

The ability to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

A number of scenarios showing potential issues under Listing Rule 7.1A are detailed in **Table 6**.

As at the date of this Notice of Meeting, the Company does not have any intention to issue any Equity Securities under ASX Listing Rule 7.1A.

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Additional Placement Capacity as follows:

1. Timing

The date by which the Equity Securities may be issued is the earlier of:

- 12 months after the date of this Annual General Meeting;
- the time and date of the Company's next annual general meeting; and
- the time and date of approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

2. Minimum issue price

The issue price of Equity Securities issued under this 10% Additional Placement Capacity must be in an existing quoted class of the Company's Equity Securities and issued for a cash consideration per security which is not less than 75% of the VWAP for Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the Securities are to be issued is agreed by the Company and the recipient of the Securities; or
- if the Securities are not issued within 10 trading days of the date in paragraph i), the date on which the Securities are issued.

3. Purposes for which Equity Securities may be issued

The Company may seek to issue the Equity Securities to use the funds raised towards an acquisition of new projects, assets or investments (including expenses associated with such acquisition), continued exploration or development expenditure on the Company's current assets and/or general working capital. Shares issued under the 10% Additional Placement Capacity will be for cash consideration only.

4. Risk of economic and voting dilution

If this Resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Additional Placement Capacity, there is a risk of economic and voting dilution to existing Shareholders, including the risk that:

- the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting in which the approval under rule 7.1A is given; and
- the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

Table 6 below shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary Securities the Company has on issue. The number of ordinary Securities on issue may increase as a result of ordinary Securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future meeting of Shareholders; and
- two examples where the issue price of ordinary Securities has decreased by 50% and increased by 100% as against the current market price.

TABLE 6

Variable "A" in Listing Rule 7.1A.2		Dilution		
		\$0.065 50% decrease in issue price	\$0.13 Issue Price	\$0.26 100% increase in issue price
Current Variable A	10% voting dilution	12,218,356 Shares	12,218,356 Shares	12,218,356 Shares
122,183,562 Shares	Funds raised	\$794,000	\$1,588,000	\$3,177,000
50% increase in current Variable A	10% voting dilution	18,327,534 Shares	18,327,534 Shares	18,327,534 Shares
183,275,343 Shares	Funds raised	\$1,191,000	\$2,383,000	\$4,765,000
100% increase in current Variable A	10% voting dilution	24,436,712 Shares	24,436,712 Shares	24,436,712 Shares
244,367,124 Shares	Funds raised	\$1,588,000	\$3,177,000	\$6,354,000

Table 6 has been prepared on the following assumptions:

- Variable A being 122,183,562 Shares as at the date of this Notice of Meeting;
- The issue price set out above is based on a price of 13 cents, being the closing market price on 29 September 2023.
- The Company issues the maximum number of Equity Securities available under the 10% Additional Placement Capacity.
- The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no options or performance rights are exercised into Shares before the date of issue of the Equity Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- **Table 6** does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Additional Placement Capacity, pursuant to an exception set out in Listing Rule 7.2 or any other issue with the approval of shareholders.
- **Table 6** shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The funds raised have been rounded to the nearest thousand dollars.

5. Allocation policy

The Company's allocation policy is dependent upon the prevailing market conditions at the time of any proposed issue pursuant to the 10% Additional Placement Capacity. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to, but not limited to, the following factors:

- i) the purpose of the issue;
- ii) the methods of raising funds that are available to the Company, but not limited to, rights issues or other issues in which existing security holders can participate;
- iii) the effect of the issue in the Equity Securities on control of the Company;
- iv) the financial situation and solvency of the Company;
- v) prevailing market conditions; and
- vi) advice from corporate, financial and broking advisors (if applicable).

The allottees under the 10% Additional Placement Capacity have not been determined as at the date of this Notice, but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

6. Previously obtained approval under ASX Listing Rule 7.1A

The Company has previously obtained Shareholder approval under Listing Rule 7.1A at the 2022 AGM on 28 November 2022. There have been no Equity Securities issued, or agreed to be issued, under ASX Listing Rule 7.1A.2 in the 12 months preceding the date of the Meeting.

Board Recommendation: The Directors recommend that Shareholders vote in favour of Resolution 6.

The Chairman of the Meeting intends to vote all undirected proxies in favour of Resolution 6.
