The Company's Notice of Annual General Meeting and this Explanatory Memorandum should be read in their entirety and in conjunction with each other.

2. Consider the Company's Annual Report

The Company's Annual Report comprising the Directors' Report and Auditors' Report, Directors' Declaration, Statement of Financial Performance, Balance Sheet, Statement of Cashflows and notes to and forming part of the financial statements for the Company and its controlled entities for the financial year ended 30 June 2023 was released to the ASX on 31 August 2023.

3. Resolution 1 - Adoption of Remuneration Report

3.1 Remuneration Report

The Board has submitted its Remuneration Report to Shareholders for consideration and adoption by way of a non-binding advisory Resolution in accordance with section 250R of the Corporations Act.

The Remuneration Report is set out on pages 13 to 21 of the Company's Annual Report for the period ending 30 June 2023. The Annual Report is available to download on the Company's website.

Under the Corporations Act, if at least 25% of the votes cast on the Resolution are voted against adoption of the Remuneration Report at two consecutive Annual General Meetings, the Company will be required to put to shareholders a resolution at the second of those Annual

Explanatory Memorandum

General Meeting's proposing the calling of an extraordinary General Meeting to consider the election of directors of the Company (**Spill Resolution**).

If more than 50% of shareholders vote in favour of the spill resolution, the Company must convene the extraordinary General Meeting (**Spill Meeting**) within 90 days of the second Annual General Meeting. All of the directors who were in office when the second (consecutive) Remuneration Report was considered at the second (consecutive) Annual General Meeting, other than the Managing Director, will cease to hold office immediately before the end of the spill meeting but may stand for re-election at the spill meeting. Following the spill meeting those persons whose election or re-election as directors are approved will be the directors of the Company.

At the 2022 Annual General Meeting less than 25% of the votes cast were voted against adoption of the Remuneration Report included in the 2022 Annual Report.

The Remuneration Report:

- (a) explains the Board's policy for determining the nature and amount of remuneration of Key Management Personnel of the Company;
- (b) explains the relationship between the Board's remuneration policy and the Company's performance;
- (c) sets out remuneration details for each Key Management Personnel of the Company including details of performance related remuneration and options granted as part of remuneration; and
- (d) details and explains any performance conditions applicable to the remuneration of Key Management Personnel of the Company.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Meeting.

3.2 Directors' Recommendation

The Directors abstain, in the interests of corporate governance, from making a recommendation in relation to Resolution 1. In accordance with the Corporations Act, a vote on this resolution is advisory only and does not bind the Directors or the Company.

3.3 Voting restrictions on Key Management Personnel and their Closely Related Parties and their proxies

As set out in the notes to Resolution 1, a voting restriction statement applies with respect to the voting on this Resolution by members of the Key Management Personnel and their Closely Related Parties and their proxies voting (in any capacity) (**Voting Restriction**). Key Management Personnel has the definition given in *Accounting Standards AASB 124 Related Party Disclosure* as those persons having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any director (whether executive or otherwise) of that entity.

Details of the restrictions on members of KMP and their Closely Related Parties and their proxies voting (in any capacity) are set out in the voting restriction statement included in Resolution 1 of the Notice of Meeting.

However, the Voting Restriction does not apply where:

- (a) the member of the Key Management Personnel is appointed in writing (by a Shareholder who is not a member of the Key Management Personnel or a Closely

Explanatory Memorandum

Related Party of the Key Management Personnel) as a proxy (**Management Proxy**) with specific instructions on how to vote on the Resolution; or

- (b) the Chairman is appointed in writing (by a Shareholder who is not a member of the Key Management Personnel or a Closely Related Party of the Key Management Personnel) as a proxy with no specific instructions on how to vote on the Resolution and expressly authorises the Chairman to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company or, if the Company is part of a consolidated entity, for the entity.

4. Resolution 2 – Ratification of prior issue of Placement Shares

4.1 Background

On 16 February 2023, the Company announced a placement of 114,300,000 fully paid ordinary shares in the Company at a price of \$0.06 per Share (**Placement Shares**) to FinTech HQ Pty Ltd (**Placement**). The Placement Shares were subsequently issued on 17 February 2023.

4.2 Listing Rule 7.1

Under Listing Rule 7.1, the Company is generally not permitted to issue more than 15% of its issued share capital in any 12 month period unless the issue is approved by the Company's shareholders or an exemption applies (**15% Capacity**).

The Placement was undertaken in a single tranche within the Company's existing capacity under Listing Rules 7.1 and 7.1A.

Accordingly, as the Placement does not fit within any of the exceptions to Listing Rule 7.1, the issue of the Placement Shares counted towards the Company's utilisation of its 15% Capacity for the next 12 months post the Placement, such that the Company's capacity to issue further securities without Shareholder approval under Listing Rule 7.1 is reduced by 62,963,862 Equity Securities until 17 February 2023.

4.3 Listing Rule 7.4

Under Listing Rule 7.4, an issue of any Equity Securities made without approval under Listing Rule 7.1 may be treated as having been made with approval under Listing Rule 7.1 if each of the following apply:

- (a) the issue was not in breach of that rule; and
- (b) the holders of ordinary shares in the Company subsequently approve the issue.

Although Shareholder approval is not required for the Company to issue the Placement Shares (as they were issued under the Company's 15% Capacity and its capacity under Listing Rule 7.1A discussed above), the Company wishes to retain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain Shareholder approval for such issues, as required under Listing Rule 7.1.

Accordingly, the Company is seeking ratification by Shareholders of the prior issue of the Placement Shares under this Resolution 2, pursuant to Listing Rule 7.4.

Approval of Resolution 2 will refresh the Company's ability, to the extent of the Placement Shares, to issue further capital during the next 12 months under Listing Rule 7.1 (if required)

Explanatory Memorandum

without the need to obtain further Shareholder approval, therefore providing the Company with greater flexibility in managing its future capital requirements.

4.4 Effect of Shareholder approval

If Resolution 2 is passed, the Placement Shares will be excluded in calculating the Company's utilisation of its 15% Capacity under Listing Rule 7.1, which will provide the Company with flexibility to issue Shares in the future without obtaining Shareholder approval, if required.

If Resolution 2 is not passed, the Shares issued under the Placement will be included in calculating the Company's utilisation of its 15% Capacity under Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12 month period following the issue date which will impact on the Company's flexibility for future capital raisings.

The passing of Resolution 2 will not affect the Company's Additional Capacity under Listing Rule 7.1A which has been fully utilised.

4.5 Requirements of Listing Rule 7.5

It is a requirement of Listing Rule 7.5, that a listed entity seeking subsequent Shareholder approval under Listing Rule 7.4 provides the Shareholders with the following information:

(a) **Listing Rule 7.5.1 – The names of the persons to whom the entity issued or agreed to issue the securities or the basis on which those persons were identified or selected.**

The Placement Shares were issued to FinTech HG Pty Ltd, an unrelated sophisticated investor that falls within one or more of the classes of exemptions specified in section 708 of the Corporations Act determined by the Board (**Placement Participant**).

Henslow Pty Ltd (**Lead Manager**) was appointed as the lead manager to the Placement announced on 16 February 2023. The Lead Manager was entitled to receive 3% of the Placement proceeds (excluding GST).

The Placement Participant is not:

- a related party of the Company;
- a member of the Company's key management personnel;
- a substantial holder in the Company (prior to the issue of the Placement Shares);
- an adviser to the Company; or
- an associate of any of the above,

and therefore the individual identities of each of the Placement Participants is not material to a decision to approve the issue: ASX Guidance Note 21, paragraph 7.2 and paragraph 7.4.

(b) **Listing Rule 7.5.2 – The number and class of securities the entity issued or agreed to issue**

The total number of securities that were issued under the Placement was 114,300,000 fully paid ordinary shares.

(c) **Listing Rule 7.5.3 – If the securities are not fully paid ordinary securities, a summary of the material terms of the securities**

The Placement Shares were issued on terms identical to the Company's existing quoted Shares.

Explanatory Memorandum

(d) **Listing Rule 7.5.4 – The date or dates on which the securities were or will be issued**

The Placement Shares were issued on 17 February 2023.

(e) **Listing Rule 7.5.5 – The price or other consideration the entity has received or will receive for the issue**

The Placement Shares were issued at a price of \$0.06 per Share.

(f) **Listing Rule 7.5.6 – The purpose of the issue, including the use (or intended use) of any funds raised by the issue**

Funds raised from the issue of the Placement Shares were and are intended to be used to repay existing debt, provide working capital for ongoing operations and cover the costs of the Placement.

(g) **Listing Rule 7.5.7 – If the securities were or will be issued under an agreement, a summary of any other material terms of the agreement**

The Placement Shares were not issued under an agreement.

(h) **Listing Rule 7.5.8 – A voting exclusion statement**

A voting exclusion statement is set out under Resolution 2 of the Notice of Meeting.

4.6 Directors' Recommendation

All of the Directors unanimously recommend that Shareholders vote in favour of Resolution 2, for the reasons set out above.

Shareholders should be aware that any undirected proxies given to the Chairman will be cast by the Chairman and counted in favour of the resolutions the subject of this Meeting, including this Resolution 2, subject to compliance with the Corporations Act. In exceptional circumstances, the Chairman may change their voting intention on any resolution, in which case an ASX announcement will be made.

5. Resolution 3 – Election of Mr. Geoffrey Sam as a Director

5.1 Background

Pursuant to the announcement released to the ASX on 22 May 2023, Mr. Geoffrey Sam has been appointed as a Non-Executive Director effective 1 June 2023.

This Resolution seeks Shareholder approval for the appointment of Mr. Sam as a Director of the Company in accordance with Rule 38.3(b) of the Company's Constitution, which allows the Company to appoint a qualified person as a Director at a Meeting by resolution.

5.2 Mr. Geoffrey Sam's qualifications and experience

Mr. Sam is a highly experienced Company Director and currently serves as Chairman of Earlyplay Ltd (ASX:EPY) and Non-Executive Director of Paragon Care Ltd (ASX:PGC). Mr. Sam has previously served as Director of Money 3 Ltd, Hutchinson's Childcare Services Ltd and Nova Health Ltd. He is a Co-Founding Director of Health Care Australia Pty Ltd, a privately owned health care company comprising a portfolio of 18 hospitals.

Explanatory Memorandum

Mr. Sam holds a Bachelor of Commerce (Accounting and Finance) and a Master of Health Administration from the University of New South Wales, a Master of Arts (Economics and Social Duties) from the University of Manchester UK and is a Fellow of the Australian Institute of Company Directors.

5.3 Directors' Recommendation

The Directors believe that Mr. Sam's experience and skills can offer an additional contribution to the Company at the board level, and all of the Directors (with Mr. Sam abstaining) unanimously recommend that shareholders vote **in favour** of this Ordinary Resolution 3.

6. Resolution 4 – Re-election of Mr. Alastair Wilkie as a Director

6.1 Background

Mr. Alastair Wilkie retires by rotation in accordance with Rule 40.1(c) of the Company's Constitution and, being eligible, offers himself for re-election as a Director.

Under Rule 40.1(c) of the Company's Constitution, one-third of Directors are required to retire at each annual general meeting (excluding directors seeking election at the meeting for the first time, or the Managing Director). Rule 40.3 states that the Directors to retire under Rule 40.1(c) shall be determined according to the length of time each Director has spent in office, with those having spent the longest time in office retiring.

Since both Mr. Grobler and Mr Alastair Wilkie were last elected as Directors on 25 November 2021 at the Company's 2021 AGM, it has been agreed, in accordance with Rule 40.4 of the Constitution, that Mr Wilkie will retire at this year's meeting.

Accordingly, Mr. Wilkie retires in accordance with Rule 40.1(c) of the Company's Constitution and, being eligible, offers himself for re-election as a non-executive Director.

6.3 Directors' Recommendation

Explanatory Memorandum

The Directors believe that Mr. Wilkie's experience and skills can continue to make a valuable contribution to the Company, and all of the Directors (with Mr. Wilkie abstaining) unanimously recommend that shareholders vote **in favour** of this Ordinary Resolution 4.

7. Resolution 5 – Approval of the Performance Rights Plan

Background

7.1 The Company received approval for its Employee Share and Option Plan (**ESOP**) at the 2022 Annual General Meeting held on 24 November 2022. In consultation with its external advisors the Company has prepared an additional equity incentive plan which will operate alongside the ESOP to accommodate the issue of share rights to employees (**Plan**). Shareholder approval is being sought for the Company's new Plan under Resolution 5.

7.2 The purpose of the Plan is to:

- i. reward employees for their contributions to the Company's success;
- ii. align the interests of employees with the long-term interests of the Company and its shareholders; and
- iii. help employees build an ownership stake in the Company.

7.3 The Directors have resolved to adopt the Plan and it is intended that certain employees will be offered the opportunity to participate in the Plan during the course of this financial year and prior to the Annual General Meeting. By this Resolution 5, the Company is seeking Shareholder approval to adopt the Plan, and for the issue of Equity Securities under that Plan, in accordance with Listing Rule 7.2 (Exception 13(b)).

Why is shareholder approval being sought?

7.4 Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

7.5 Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of Equity Securities under the employee incentive scheme as exception to the relevant Listing Rules.

7.6 Accordingly, the Company is seeking to have the Plan approved by Shareholders such that any Equity Securities issued under the Plan over the next 3 years will be disregarded when determining the Company's capacity to issue Equity Securities under Listing Rule 7.1 and 7.1A (as applicable).

Information required for Listing Rule 7.2 (Exception 13)

7.9 Exception 13(b) also ceases to be available if there is a material change to the terms of the Plan from those set out in Annexure A.

Effect of Resolution 5

7.10 If Resolution 5 is passed, the Company will be able to issue securities under the Plan to eligible participants over a period of 3 years.

7.11 The issue of any securities to eligible participants under the Plan (up to the maximum number of securities stated in section 7.7 (above) will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

7.12 For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

7.13 If Resolution 5 is not passed, the Company will be able to proceed with the issue of securities under the Plan to eligible participants, but any issues of securities will reduce, to that extent, the Company's capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the issue of the securities.

Explanatory Memorandum

7.14 The Company considers that it will derive a significant benefit by incentivising its senior management and key employees through the issue of Options under the Plan. Additionally, the Company believes it to be in the best interests of the Company to preserve the maximum commercial flexibility to issue Equity Securities that is afforded to it by Listing Rule 7.1.

Directors' Recommendation

7.15 The Directors abstain, in the interests of corporate governance, from making a recommendation in relation to this Resolution.

8. Resolution 6 - Approval to issue an additional 10% of the issued capital of the Company over a 12 month period pursuant to Listing Rule 7.1A

8.1 Introduction

Pursuant to Resolution 6, the Company is seeking Shareholder approval to issue an additional 10% of its issued capital over a 12-month period pursuant to Listing Rule 7.1A. If passed, this Resolution will allow the Company to allot and issue up to the number of new Equity Securities calculated in accordance with Listing Rule 7.1A.2 (**Placement Securities**), each at an issue price of at least 75% of the volume weighted average price (**VWAP**) for the Company's Equity Securities in that class (calculated over the last 15 days on which trades in the Equity Securities are recorded immediately before the date on which the price at which the Placement Securities are to be issued is agreed, or if the Placement Securities are not issued within ten trading days of that date, the date on which the Placement Securities are issued).

This approval is sought pursuant to Listing Rule 7.1A. Under Listing Rule 7.1A, small and mid-cap listed entities that meet the eligibility threshold and have obtained the approval of their ordinary shareholders by Special Resolution at the Annual General Meeting, are permitted to issue an additional 10% of issued capital over a 12-month period from the date of the Annual General Meeting (**Additional 10% Capacity**). The Additional 10% Capacity under Listing Rule 7.1A is in addition to the ability of the Company to issue 15% of its issued capital without shareholder approval over a 12-month period pursuant to Listing Rule 7.1.

If Resolution 6 is not passed, then the Company will not be permitted to issue up to an additional 10% of its issued capital over a 12-month period from the date of the Annual General Meeting pursuant to Listing Rule 7.1A.

Funds raised from the issue of Placement Securities, if undertaken, would be applied towards the continued growth of the Company's business operations (including client growth) and general working capital.

8.2 Listing Rule 7.1A

(a) General

(1) Eligibility

An entity is eligible to seek shareholder approval for an Additional 10% Capacity if at the time of its Annual General Meeting it has a market capitalisation of \$300 million or less and it is not included in the S&P/ASX300 Index.

As required by the Listing Rules, the Company's market capitalisation will be based on the closing price on the Trading Day before the AGM. The calculation of market capitalisation will be based on the Closing Price of Shares on the last Trading Day on which trades in the Shares were recorded before the date of the AGM, multiplied by

Explanatory Memorandum

the number of Shares on issue (in that main class, but excluding restricted securities and securities quoted on a deferred settlement basis).

For illustrative purposes only, on 9 October 2023 the Company's market capitalisation was approximately \$37.66 million based on the closing trading price on that date. The Company is not included in the S&P/ASX300 Index as at the time of issue of this Notice of Meeting and the Company does not expect that it will be included in the S&P/ASX300 Index at the date of the AGM.

The Company is therefore an eligible entity and able to seek shareholder approval for an Additional 10% Capacity under Listing Rule 7.1A. Assuming Resolution 6 is approved, in the event that the Company is no longer an eligible entity to issue Equity Securities under its Additional 10% Capacity after the Company has already obtained Shareholder approval, the approval obtained will not lapse and the Company will still be entitled to issue Equity Securities under the Additional 10% Capacity until the approval period ends.

(2) Special Resolution

Listing Rule 7.1A requires this Resolution 6 to be passed as a Special Resolution, which means that it must be passed by at least 75% of the votes cast by members entitled to vote on the Resolution. Pursuant to Listing Rule 7.1A, no Placement Securities will be issued until and unless this Special Resolution is passed at the Meeting.

(3) Shareholder Approval

The ability to issue the Placement Securities is conditional upon the Company obtaining Shareholder approval by way of a Special Resolution at the Meeting.

(b) 10% Capacity Period - Listing Rule 7.1A.1

Assuming Resolution 6 is passed, Shareholder approval of the Additional 10% Capacity under Listing Rule 7.1A is valid from the date of the AGM and expires on the earlier to occur of:

- a. the date that is 12 months after the date of the AGM;
- b. the time and date of the Company's next AGM; or
- c. the time and date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

or such longer period if allowed by ASX (**Approval Period**).

If Resolution 6 is passed by Shareholders, then the approval will expire, on 22 November 2023 unless the Company holds its next annual general meeting or Shareholder approval is granted pursuant to Listing Rules 11.1.2 or 11.2 prior to that date.

(c) Formula for calculating Additional 10% Capacity

Listing Rule 7.1A.2 provides that Eligible Entities that have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12-month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

Explanatory Memorandum

(A x D) – E

Where:

A is the number of ordinary securities on issue 12 months before the date of issue or agreement:

1. plus the number of fully paid ordinary securities issued in the 12 months under an exception in Listing Rule 7.2;
2. plus the number of partly paid ordinary securities that became fully paid in the 12 months;
3. plus the number of fully paid ordinary securities issued in the 12 months with the approval of holders of ordinary securities under Listing Rules 7.1 or 7.4 (but note that this does not include an issue of fully paid ordinary securities under the entity's 15% placement capacity without shareholder approval); and
4. less the number of fully paid ordinary securities cancelled in the 12 months.

Note that "A" has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rules 7.1 or 7.4.

(d) Listing Rule 7.1A.3

(1) Equity Securities

Any Equity Securities issued under the Additional 10% Capacity must be in the same class as an existing quoted class of Equity Securities of the Company.

As at the date of this notice of meeting, the only class of Equity Securities in the Company quoted on the ASX are ordinary shares. The Company presently has 627,661,385 shares on issue at the date of this Notice of Meeting.

(2) Minimum Issue Price

The issue price for the Placement Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days immediately before:

- a. the date on which the price at which the relevant Placement Securities are to be issued is agreed by the Company and the recipient of the Placement Securities; or
- b. if the relevant Placement Securities are not issued within ten trading days of the date in paragraph (A) above, the date on which the relevant Placement Securities are issued.

(e) Information to be given to ASX – Listing Rule 7.1A.4

If Resolution 6 is passed and the Company issues any Placement Securities under Listing Rule 7.1A, the Company will comply with the requirements of 7.1A.4.

Explanatory Memorandum

(f) Listing Rules 7.1 and 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% capacity under Listing Rule 7.1.

At the date of this Notice, the Company has on issue 627,661,385 Shares, and subject to the passing of Resolution 2, would have the capacity to issue:

- i. 94,149,207 Equity Securities under Listing Rule 7.1; and
- ii. 62,766,138 Equity Securities under Listing Rule 7.1A.

The actual number of Placement Securities that the Company will have the capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Placement Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (as described above).

8.3 Specific information required by Listing Rule 7.3A

(a) A statement of the period for which the approval will be valid (as set out in Listing Rule 7.1A.1) – Listing Rule 7.3A.1

Subject to Resolution 6 being approved by Shareholders the Company will only issue and allot the Placement Securities during the Approval Period (described above), which will commence on the date of the Meeting and expire on the first to occur of:

1. the date that is 12 months after the date of this Meeting;
2. the time and date of the Company's next annual general meeting; and
3. the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities of the Company) or Listing Rule 11.2 (disposal of the main undertaking of the Company).

(b) Minimum price of Equity Securities issued under Listing Rule 7.1A - Listing Rule 7.3A.2

Pursuant to and in accordance with Listing Rule 7.1A.3, the Placement Securities issued under the Additional 10% Capacity must:

1. be in an existing quoted class of Equity Securities;
2. be issued for cash consideration; and
3. have an issue price of not less than 75% of the VWAP for the Equity Securities over the 15 trading days immediately before:
 - a. the date on which the price at which the Placement Securities are to be issued is agreed; or
 - b. if the Placement Securities are not issued within ten trading days of the date in paragraph (a) above, the date on which the Placement Securities are issued.

The Company will disclose to the ASX the issue price on the date of issue of the Placement Securities.

(c) A statement of the purposes for which the funds raised by an issue of Equity Securities under Listing Rule 7.1A.2 may be used – Listing Rule 7.3A.3

Explanatory Memorandum

As noted above, the purpose for which the Placement Securities may be issued include to be applied towards the continued growth of the Company's business operations (including client growth) and general working capital.

(d) Risk of economic and voting dilution - Listing Rule 7.3A.4

If Resolution 6 is passed and the Company issues the Placement Securities, there is a risk of economic and voting dilution to the existing Shareholders. The Company currently has on issue 627,661,385 Shares and 6,050,000 Options. On this basis, following approval of the Additional 10% Capacity, the Company will have approval to issue an additional 62,766,138 Equity Securities. The exact number of Placement Securities to be issued under the Additional 10% Capacity will be calculated in accordance with the formula contained in Listing Rule 7.1A.2 and set out above. Any issue of Placement Securities will have a dilutive effect on existing Shareholders.

There is a specific risk that:

1. the Market Price for the Company's Equity Securities may be significantly lower on the date of the issue of any Placement Securities than it is on the date of the Meeting; and
2. the Placement Securities may be issued at a price that is at a discount to the Market Price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue or the value of the Placement Securities.

As required by Listing Rule 7.3A.4, Table 1 below shows the potential economic and voting dilution effect, in circumstances where the issued share capital has doubled and the Market Price of the shares has halved. Table 1 also shows additional scenarios in which the issued share capital has increased (by both 50% and 100%) and the Market Price of the shares has:

1. decreased by 50%; and
2. increased by 100%.

Assumptions and explanations

- As at 9 October 2023 the date of preparation of this Notice, there were 627,661,385 Shares on issue.

Explanatory Memorandum

- The Market Price is \$0.06, based on the closing price of the shares on ASX on 9 October 2023 (to the nearest half-cent).
- The above table only shows the dilution effect based on the issue of the Placement Securities (assuming only Shares are issued), and not any Shares issued under the 15% capacity under Listing Rule 7.1. This is why the voting dilution is shown in each example as 10%.
- Assumes that no Options are exercised into Shares before the date of issue of the Placement Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- The Company issues the maximum number of Equity Securities available under the Additional 10% Capacity.
- The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
- The issued share capital has been calculated in accordance with the formula in Listing Rule 7.1A2 as at 9 October 2023.
- The issue price of the Placement Securities used in the table is the same as the Market Price and does not take into account the discount to the Market Price (if any).

(e) Company's allocation policy - Listing Rule 7.3A.5

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue of the Placement Securities. The identity of the allottees of Placement Securities will be determined on a case-by-case basis having regard to a number of factors including but not limited to the following:

1. the methods of raising funds that are available to the Company including, but not limited to, a rights issue, share purchase plan, placement or other issue in which existing shareholders can participate;
2. the effect of the issue of the Placement Securities on the control of the Company;
3. the purpose of the issue;
4. the circumstances of the Company, including but not limited to the financial position and solvency of the Company;
5. prevailing market conditions; and
6. advice from corporate, financial and broking advisers (if applicable).

The allottees of the Placement Securities have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

(f) Previous issues under Shareholder Approval previously obtained under Listing Rule 7.1A –Listing Rule 7.3A.6

Explanatory Memorandum

The amount raised attributable to LR 7.1A was \$3,080,168 which has not yet been spent and is intended to be used on working capital for operations

Aside from the issue detailed in the table above, the Company has not issued or agreed to issue any Equity Securities under Listing Rule 7.1A.2 in the 12 months preceding the date of the Meeting.

1. The Performance Rights Plan is a long term incentive scheme aimed at creating a stronger link between the performance of eligible employees and reward whilst increasing Shareholder value in the Company.
2. The Board may from time to time in its absolute discretion issue or cause to be issued invitations on behalf of the Company to eligible employees to participate in the Performance Rights Plan (**Invitations**). The Invitation will include information such as performance hurdles and performance periods. On vesting, one Performance Right is exercisable into one Share.
3. A participant in the Performance Rights Plan will not pay any consideration for the grant of the Performance Rights. An eligible employee has no right to be granted any Performance Rights unless and until such Performance Rights are granted. The Performance Rights will not be listed for quotation on the ASX or any equivalent securities exchange.
4. The Performance Rights may not be transferred, assigned or novated except with the approval of the Board.
5. The performance hurdles applicable to any performance period (including how a participants performance against those hurdles will be measured) relating to Performance Rights will be set out in the Invitation.
6. As soon as reasonably practicable after the date at which performance hurdles are to be measured to determine whether the Performance Right becomes vested (**Test Date**), the Board shall determine in respect of each Participant as at that Test Date:
 - a. whether, and to what extent, the performance hurdles applicable up to the Test Date have been satisfied;
 - b. the number of Performance Rights (if any) that will vest as at the Test Date;
 - c. the number of Performance Rights (if any) that will lapse as a result of the non-satisfaction of performance hurdles as at the Test Date; and
 - d. the number of Performance Rights (if any) in respect of the performance period that continue unvested,
 - e. and shall provide written notification to each Participant as to that determination.
7. Once a Performance Right is vested, it can only be exercised by a Participant providing a Notice of Exercise if, at the time of exercise, the vested Performance Right has not lapsed. Unless and until a vested Performance Right is exercised and the relevant Shares are either issued or transferred to that Participant as a result of that exercise, a Participant has no interest in those Shares.

Explanatory Memorandum

8. Following exercise of a Performance Right, the Company must issue or transfer to the Participant exercising the Performance Right the number of Shares in respect of which the Performance Right has been exercised.
9. If a Participant's employment with the Company ceases because of:
 - a. an uncontrollable event (such as death or serious injury), all of the Participant's Performance Rights that are capable of becoming exercisable if performance hurdles are met at the next Test Date will become vested and the Performance Rights may be exercised within 3 months; and
 - b. a controllable event (meaning any event other than an 'uncontrollable event' as that term is defined in the Performance Rights Plan), Board in its absolute discretion will determine the extent to which the unvested Performance Rights (if any) that have not lapsed will become vested and those Performance Rights may be exercised within 3 months.
10. If the Board considers that a Participant has acted fraudulently or dishonestly or is in material breach of their obligations to the Company then the Board may in its absolute discretion determine that all the Participant's Performance Rights will lapse.
11. Where any proposal (whether by takeover bid, scheme of arrangement or otherwise) is publicly announced in relation to the Company which the Board reasonably believes may lead to a 'change in control event':
 - a. all of the Participant's unvested Performance Rights, that have not lapsed, will become vested Performance Rights; and
