IMPORTANT INFORMATION

TIME AND PLACE OF MEETING

Notice is given that the Annual General Meeting of the Shareholders of Resources & Energy Group Limited (the Company) to which this Notice of Meeting relates will be held at 10.00am (AEDT) on Thursday 30 November 2023 at:

Resources & Energy Group Limited
Suite 301, Level 3
66 Hunter Street
Sydney, New South Wales

Your vote is important

The business of the Annual General Meeting affects your shareholding and your vote is important.

Voting Eligibility

The Directors have determined pursuant to Regulation 7.11.37 of the *Corporations Regulations 2001* (Cth) that the persons eligible to vote at the Annual General Meeting are those who are registered Shareholders at 7.00pm (EST) on Tuesday, 28 October 2023.

Voting in Person

To vote in person, attend the virtual Annual General Meeting at the time, date and place set out above. Voting at the Meeting will be conducted via a poll. You may still attend the online Meeting and vote even if you have lodged a proxy.

If you have previously submitted a Proxy Form, your attendance will not revoke your proxy appointment unless you actually vote at the virtual meeting, in which case, the proxy's appointment is deemed to be revoked with respect to voting on that resolution.

In the case of joint Shareholders, all holders may attend the Meeting but only one holder may vote at the Meeting in respect of the relevant Shares (including by proxy). If more than one joint holder is present, and more than one of the joint holders vote in respect of the relevant Shares, only the vote of the joint holder whose name stands first in the register in respect of the relevant Shares is counted.

If you are voting by proxy

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
- the proxy need not be a member of the Company; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Shareholders and their proxies should be aware that changes to the Corporations Act made in 2011 mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does**:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution, the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on, the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair, the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting; or
 - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2023 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on the Company's web site or on the ASX platform for "REZ" at www.asx.com.au.

There is no requirement for shareholders to approve these reports. However, the Chairman will allow a reasonable opportunity for shareholders to ask questions about, or make comments on, the operations and management of REZ. Shareholders will be given a reasonable opportunity to ask the auditor questions about the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by REZ in relation to the preparation of the Financial Statements and the independence of the auditor in relation to the conduct of the audit.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the Shareholders. However, such a Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' report contained in the annual financial report of the Company for the financial year ending 30 June 2023.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

2.2 Voting consequences

Under Corporations Act 2001, if at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report in two consecutive annual general meetings, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of directors of the Company (**Spill Resolution**) at the second annual general meeting.

If more than 50% of shareholders vote in favour of the Spill Resolution, the company must convene the extraordinary general meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the Company's annual financial report for the financial year ended immediately before the second annual general meeting) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

At the Company's previous annual general meeting no votes were cast against the remuneration report considered at that annual general meeting. Accordingly, the Spill resolution is not relevant for this Annual General Meeting.

2.3 Voting Prohibition Statement:

A vote on this Resolution must not be cast (in any capacity) by or on behalf of any of the following persons:

- (a) a member of the Key Management Personnel (KMP), details of whose remuneration are included in the Remuneration Report; or
- (b) a Closely Related Party of such a member.

KMP or their closely related parties cannot cast a vote as a proxy for a shareholder entitled to cast a vote if the proxy is not directed on how to vote on Advisory Resolution 1, unless:

- (a) the KMP is the Chairman of the Meeting; and
- (b) the appointment of the Chairman as proxy expressly authorises him to exercise the proxy in accordance with a direction to vote as he decides, even though Advisory Resolution 1 is connected directly with the remuneration of a KMP.

In accordance with section 250BD of the Corporations Act, a vote must not be cast on Advisory Resolution 1 as a proxy by a member of the KMP at the date of the AGM, or a closely related party of those persons, unless it is cast as proxy for a person entitled to vote in accordance with their directions. This restriction on voting undirected proxies does not apply to the Chairman of the Meeting where the proxy appointment expressly authorises the Chairman of the meeting to exercise undirected proxies even if the resolution is connected, directly or indirectly, with the remuneration of the KMP.

The non-executive directors recommend that you vote in favour of this advisory resolution.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR RICHARD POOLE

Clause 13.2 of the Constitution requires that at the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third, shall retire from office, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

A Director who retires by rotation under clause 13.2 of the Constitution is eligible for re-election pursuant to clause 13.3 of the Constitution.

The Company currently has three Directors, two Directors excluding the Managing Director, and accordingly one must retire.

Mr Poole has been a Director since 12 July 2004. Mr Poole commenced his career as a lawyer specialising in mergers and acquisitions. He left the law in 1990 to build a research and development operation with operations in Japan, USA and Australia and added a manufacturing company in China in 1994. He successfully built the R&D company from its early stages to a public listed vehicle raising the necessary capital up to his departure in 1999. Since 1999 he has continued his involvement in fund raising and the development of companies. He is a principal of Arthur Phillip Pty Limited a corporate advisory firm providing investment services and he is an experienced corporate advisor and entrepreneur.

Mr Poole is also a director and Chief Executive Officer of Verdant Earth Technologies Limited, a developer of renewable energy projects.

If elected the Board does not consider Mr Poole will be an independent director due to his substantial shareholding in the Company.

The Board, other than Mr Poole, unanimously supports the re-election of Mr Richard Poole as a Director and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – APPROVAL OF 10% PLACEMENT CAPACITY

4.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity may seek shareholder approval by special resolution passed at its annual general meeting to have the capacity to issue up to that number of Equity Securities equal to 10% of its issued capital (**10% Placement Capacity**) without using the entity's existing 15% annual placement capacity granted under ASX Listing Rule 7.1.

If Shareholders approve Resolution 3, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out in section 4.2 below).

The effect of Resolution 3 will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period of the earlier of up to 12 months after the Meeting or the time and date of the Company's next annual general meeting (as set out in Listing Rule 7.1A.1(b)). An issue of Equity Securities could then be made without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1. If Resolution 3 is not passed by Shareholders the Company will be limited to only issuing up to its 15% annual placement capacity granted under ASX Listing Rule 7.1 without further approval by Shareholders.

Shareholders passed a similar resolution at the 2019 annual general meeting, however that approval will lapse 12-months after its approval due to the operation of the Listing Rules.

Resolution 3 is a **special resolution**. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 3 for it to be passed.

4.2 ASX Listing Rule 7.1A

ASX Listing Rule 7.1A enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300 million.

As at the date of this Notice, the Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$7,497,087 (based on the number of Shares on issue and the closing price of Shares on the ASX on 25 October 2023 and excluding any restricted securities that may be on issue).

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has one class of quoted Equity Security on issue, being the Shares (ASX Code: REZ).

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

$$(A \times D) - E$$

Where:

- A** is the number of Shares on issue 12 months before the date of issue or agreement:
 - (i) plus the number of Shares issued in the previous 12 months under an exception in ASX Listing Rule 7.2;
 - (ii) plus the number of partly paid shares that became fully paid in the previous 12 months;
 - (iii) plus the number of Shares issued in the previous 12 months with approval of holders of Shares under Listing Rules 7.1 and 7.4. This does not include an issue of fully paid ordinary shares under the entity's 15% placement capacity without shareholder approval; and
 - (iv) less the number of Shares cancelled in the previous 12 months.
- D** is 10%.
- E** is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of holders of Ordinary Securities under ASX Listing Rule 7.1 or 7.4.

4.3 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 6:

(a) Minimum Price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 10 ASX trading days of the date in section 4.3(a)(i), the date on which the Equity Securities are issued.

(b) Date of Issue

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting;
- (ii) the date and time of the Company's next annual general meeting; and
- (iii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

(c) Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 3 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2, on the basis of the current market price of Shares and the current number of Equity Securities on issue as at 25 October 2023.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue	Dilution			
	Issue Price (per Share)	\$0.008 50% decrease in Issue Price	\$0.016 Issue Price	\$0.032 100% increase in Issue Price
499,805,789 (Current Variable A)	Shares issued - 10% voting dilution	49,980,579 Shares	49,980,579 Shares	49,980,579 Shares
	Funds raised	\$399,845	\$799,689	\$1,599,379
749,708,684 (Variable A with 50% increase in Variable A)	Shares issued - 10% voting dilution	74,970,868 Shares	74,970,868 Shares	74,970,868 Shares
	Funds raised	\$599,767	\$1,199,534	\$2,399,068
999,611,578 (Variable A with 100% increase in Variable A)	Shares issued - 10% voting dilution	99,961,158 Shares	99,961,158 Shares	99,961,158 Shares
	Funds raised	\$799,689	\$1,599,379	\$3,198,757

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro- rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are 499,805,789 Shares currently on issue.
2. The issue price set out above is the closing price of the Shares on the ASX on 25 October 2023.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) Purpose of Issue under 10% Placement Capacity

The Company may issue Equity Securities under the 10% Placement Capacity as cash consideration. The Company intends to use funds raised for the potential acquisition of assets and investments (including expenses associated with such an acquisition) and continued exploration or operating expenditure on the Company's current assets.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it must give to ASX:

- (i) a list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.5A for release to the market.

(f) Allocation policy under the 10% Placement Capacity

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s).

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;

- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

(g) Previous approval under ASX Listing Rule 7.1A

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 24 November 2022 (**Previous Approval**).

The Company has not issued Equity Securities pursuant to the Previous Approval.

(h) Details of all Equity Securities issued by the Company during the 12 months preceding the date of the Meeting are set out in the table below.

Date of issue	Quantity	Class	Recipients	Issue price and discount to Market Price (if applicable)	Form of consideration
21 December 2022 (date advised to ASX)	20,000,000	Options	Larrakeyah Pty Ltd <The Moore Family A/C>	Issued for services provided. Exercise price 8 cents per Option, expiry date 24 November 2027	Services

4.4 Voting Exclusion

The Company will disregard any votes cast in favour of this Resolution by or on behalf of any person who is expected to participate in the issue of Equity Securities under this Resolution or a person who might obtain a material benefit, except a benefit solely in the capacity of a holder of ordinary securities in the Company, if the Resolution is passed and any associates of those persons. However, the Company will not disregard a vote if it is cast by a person:

- as a proxy or attorney for a person who is entitled to vote, in accordance with the directions on the Proxy Form, or, it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides; or
- as proxy for a person entitled to vote on the resolution by the Chairman pursuant to an express authorisation to exercise the proxy to vote as the Chairman thinks fit; or
- by a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and

- the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule

7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 3.

The directors recommend that you vote in favour of this resolution.

5. RESOLUTION 4 – AMENDMENT OF CONSTITUTION

5.1 Background

Under Section 136(2) of the Corporations Act, a company can modify or repeal its constitution or a provision of its constitution by special resolution of shareholders.

A special resolution requires the approval of 75% of the votes cast by the shareholders present or eligible to vote (in person, by proxy or corporate representative) in order to be passed. This special resolution to amend the Constitution is proposed to ensure that the Company can convene a general meeting to be held at two or more places, or entirely virtually, using technology as permitted by the Corporations Act.

Resolution 2 is a special resolution which will enable the Company to amend its current Constitution (**Amended Constitution**).

The clauses to be inserted into the current Constitution are attached to this Notice. A copy of the Amended Constitution is available for review by Shareholders at the office of the Company or at: <https://www.rezgroup.com.au/corporate/corporate-governance/>. An electronic copy of the Amended Constitution showing the proposed amendments can be obtained by emailing: communications@rezgroup.com.au. Shareholders are invited to contact the Company if they have any queries or concerns.

5.2 Purpose of Proposed Resolution

REZ's current Constitution at Rule 12.3 already contemplates that any general meeting may be held "in two or more places" and states that if a general meeting is held in two or more places, the Company must use technology that gives members a reasonable opportunity to participate at that general meeting" Rule 12.3 also specifies that:

"a general meeting shall also be convened on requisition as is provided for by the Corporations Act"

Accordingly, as the Corporations Act changes, so does the interpretation of this Article. Some of the procedural details regarding hybrid or virtual meetings, however, are not fully specified.

Section 249S of the Corporations Act expressly allows a company to hold a general meeting at two or more venues using any technology that gives shareholders as a whole a reasonable opportunity to participate in the meeting.

During the current COVID-19 pandemic the Company has taken advantage of various measures (e.g. Corporations (Coronavirus Economic Response) Determination (No. 1) 2020 and ASIC's no-action position as set out in its 21061MR of 29 March 2021) to hold a general meeting virtually using technologies.

The Australian Government legislated with effect from 1 April 2022 permanent reforms to give companies the flexibility to use technology to hold meetings, such as hybrid meetings, and to sign and send documents. The proposed amendments to REZ's Constitution will enable the Company to hold meetings using technology, either physical, hybrid or virtual, consistent with Section 249S of the Corporations Act.

The proposed amendments to REZ's Constitution will:

- (a) clarify the Company's ability to hold a general meeting at two or more places using technology, or wholly using technology, which give the shareholders as a whole a reasonable opportunity to participate in general meetings;
- (b) require that if a general meeting is to be held at two or more places or wholly using technology, requiring that the relevant notice of meeting includes details of the technology that will be used to facilitate the holding of the general meeting;
- (c) deem shareholders and where relevant, their proxies, attorneys and representatives, to be present at a general meeting which is held at two or more places or entirely virtually, where such shareholder or their proxy, attorney or representative participates in the general meeting using technology provided for in the relevant notice of meeting; and
- (d) clarify how a quorum is to be constituted for a virtual general meeting.

5.3 Board recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 2. The Chair of the Meeting intends to vote all available proxies in favour of this resolution.
