

ASX Announcement

7th November 2023

Changes to Finance Management and Administration

SYDNEY, Australia, November 7th, 2023 - Atomo Diagnostics Limited (ASX:AT1) (**Atomo**) announces the departure of William Souter, our Chief Financial Officer, effective 13 December 2023.

As part of an orderly transition, the Company has engaged Vistra Australia to provide executive level corporate financial services to the management team and board while the Atomo finance team will continue to oversee the accounts and reporting and ensure ongoing financial control.

During his four years at Atomo, Mr Souter played a pivotal role in seeing the company complete its capital raising and listing on the Australian Stock Exchange (ASX). He has instilled discipline into Atomo's financial systems, processes and governance and played a key role in supporting the Board over this period.

John Kelly, Atomo's Chief Executive Officer, expressed his gratitude for Mr Souter's dedication and hard work, stating, "Will's expertise, contributions to the financial function, and strategic guidance have been invaluable to Atomo. I would like to thank him for his considerable efforts in the role, and we wish him the very best in his future endeavours."

About Atomo

Atomo is an Australian headquartered medical device company supplying unique, integrated rapid diagnostic test (RDT) devices to the global diagnostic market.

Atomo's unique patented devices simplify testing procedures, enhance usability and improve reliability across rapid point-of-care (POC) and at-home testing applications. The Company has successfully commercialised a number of products across international markets and has supply agreements in place for testing applications targeting infectious diseases including HIV, COVID-19, viral vs bacterial differentiation, as well as the early detection of pregnancy.
