- (a) It has requested and required that the other and/or any of its affiliates structure the Transaction under the terms set out herein and that it understands such terms and all risks associated with the Transaction and is willing to assume, and is capable of assuming, all such risks.
- (b) It is acting for its own account, and is capable of and has made its own independent decisions to enter into the Transaction and as to whether the Transaction is appropriate or proper for it based upon its own judgment and upon advice from such advisers as it has deemed necessary, including advice from its tax adviser regarding the tax implications of this Transaction. No communication (written or oral) received from it to the other shall be deemed to be an assurance or guarantee as to the expected results of the Transaction.
- (c) It has been given the opportunity to obtain information from the other concerning the terms and conditions of the Transaction necessary in order for it to evaluate the merits and risks of the Transaction. Notwithstanding the foregoing, it is not relying on any communication (written or oral) of the other as investment advice or as a recommendation to enter into the Transaction; it being understood that information and explanations related to the terms and conditions of the Transaction are made incidental to the other's business and shall not be considered investment advice or a recommendation to enter into the Transaction.

Neither it nor any of its advisors are relying on any communication (written or oral) from the other as tax, legal, accounting or other advice; it being understood that information and explanations related to the terms and conditions of the Transaction shall not be considered tax, legal, accounting or other advice. Any tax, legal, accounting or other advice or opinions of third-party advisors, which advice or opinions the other has provided to it in connection with the Transaction, has been provided for informational or background purposes only, should not be the basis on which it enters into the Transaction, and should be independently confirmed by it and its advisors prior to entering into the Transaction.
- (e) Party A is not acting as a fiduciary for or an adviser to it in respect of the Transaction.
- (f) It will make or provide any disclosure required in connection with its entry into the Transaction if required by applicable laws and regulations (including pursuant to the Counterparty laws or regulations in the jurisdiction of the Exchange or the rules of the Exchange) and notwithstanding any duty of confidentiality owed by the other, it acknowledges and agrees that the other may make such disclosures to any legal or

- (g) At all times that no default or event of default howsoever defined is continuing under any debt facility or other agreement or instrument relating to Specified Indebtedness under which it or any of its Affiliates is a borrower or guarantor ("Facility Default") and no facility Default will result from its entry into this Transaction or the Agreement, as amended from time to time.
- (h) At all times that its payment obligations under this Transaction and the ISDA Form rank at least equally with the claims of all its unsecured and unsubordinated creditors (other than obligations mandatorily preferred by law applying to debtors generally).
- (i) At all times that it and its Affiliates shall comply with all relevant filing, reporting or notification requirements and any disclosures (including any updates, amendments or modifications) required in connection with the Transaction by any applicable law, rule or regulation or by any regulatory authority in any relevant jurisdiction (including without limitation any Takeover Panel Guidance Notes including Guidance Note 20 – Equity Derivatives if relevant).

In addition, each of Counterparty and Macquarie acknowledges that the other and/or its affiliates may engage in proprietary trading in the shares comprising the Share or options, futures, derivatives or other instruments relating to the Share (including such trading as and/or its affiliates deem appropriate in their sole discretion to hedge their market risk on this Transaction and other transactions relating to the Share between the other and/or its affiliates and it or with third parties), and that such trading may affect the price/level of the Share and consequently the amounts payable under this Transaction. Such trading may be effected at any time, including on or about the Valuation Date(s).

For the avoidance of doubt, if any securities are held by or for or otherwise controlled by Party A (whether or not as part of any hedge in relation to the Transaction), each party acknowledges and agrees that Party B has no right or interest in or to any of those securities or any power in relation to them including, without limitation, any power to control, or right to be consulted, concerning disposal or trading of those securities by Party A or any decision by Party A with respect to the exercise by Party A or Party A's nominee of the right to vote attaching to those securities.

7. Initial Exchange Amount

Party A (the "**Terminating Party**") may require Party B to pay Party A an Initial Exchange Amount, by giving not less than 30 calendar days' notice (an "**Initial Exchange Amount Notice**") to the other party any time during the regular trading session hours of any Scheduled Trading Day on or after the Effective Date to and including the final scheduled Valuation Date. Such Initial Exchange Amount Notice (which will be given by telephone, otherwise a written notice will be provided) must specify the date on which Party B must pay the Initial Exchange Amount (the "**Initial Exchange Amount Payment Date**").

For the avoidance of doubt, this provision shall not prevent either party from exercising its rights under Section 5 of the Agreement (*Events of Default and Termination Events*). Upon receipt of the Initial Exchange Amount, the Spread will reduce to an amount as separately agreed with immediate effect. Party A shall pay Party B an amount equal to the Initial Exchange Amount (the "**Final Exchange Amount**") on the Settlement Date (the "**Final Exchange Date**").

For the purposes of the above the following definitions apply:

"**Initial Exchange Amount**" means the amount equal to the Equity Notional Amount.

8. Confirmation

Please confirm your agreement to be bound by the terms of the foregoing by executing a copy of this Confirmation

Macquarie Bank Limited

and returning it to us by email to emgemsdoc@macquarie.com. In the absence of manifest error, where Party B fails to execute a copy or request the correction of this Confirmation within three Local Business Days after it was sent, the terms of this Confirmation will be binding on and conclusive against Party B.

Yours Sincerely,
