The shortfall of \$6,723,832 will be placed under the underwriting and sub-underwriting arrangements with existing and new institutional shareholders, existing long term shareholders and high net worth investors.
- Funds raised under the Entitlement Offer will be used by Microba to fund the acquisition of UK based Invivo Clinical Limited (**Acquisition**) which was announced on Thursday, 19 October 2023.

**Microba Life Sciences Limited (ASX:MAP)** ("**Microba**" or "**the Company**") on 19 October 2023, announced the launch of a A\$20.0 million pro rata accelerated non-renounceable entitlement offer (**Entitlement Offer**) of new fully paid ordinary shares (**Entitlement Offer Shares**) at an offer price of A\$0.23 per Entitlement Offer Share (**Offer Price**).

The Entitlement Offer is comprised of a fully underwritten offer of 1 Entitlement Offer Share for every 4 shares to raise gross proceeds of A\$20.0 million.

Following the successful completion of the institutional component of its Entitlement Offer (**Institutional Entitlement Offer**), Microba is pleased to advise the results of the retail component of its Entitlement Offer (**Retail Entitlement Offer**).

The fully underwritten Retail Entitlement Offer of approximately A\$7.7 million raises the balance of the Entitlement Offer. The Retail Entitlement Offer is fully underwritten by Bell Potter Securities Limited and Morgans Corporate Limited (**Underwriters**, or the **Joint Lead Managers**).

Under the Retail Entitlement Offer, eligible retail shareholders with a registered address in Australia or New Zealand as at 7.00pm (Sydney time) on Monday, 23 October 2023 (**Record Date**), not being US persons or acting for the account or benefit of persons in the US (**Eligible Retail Shareholders**) were invited to participate in the Retail Entitlement Offer at the same Offer Price and offer ratio as the Institutional Entitlement Offer.

The Retail Entitlement Offer opened at 9.00am (Sydney time) on Thursday, 26 October 2023 and closed at 5.00pm (Sydney time) Thursday, 16 November 2023.

In addition to each Eligible Retail Shareholder's Entitlement under the Retail Entitlement Offer, Eligible Retail Shareholders were offered the opportunity to apply for additional New Shares under a "top-up" facility (**Oversubscription Facility**). Under the Oversubscription Facility, Eligible Retail Shareholders could apply for New Shares in excess of their Entitlement (**Additional Shares**) which represented the lower of that number which represented 100% of their Entitlement or \$50,000 worth of New Shares (**Additional Share Cap**).

The Retail Entitlement Offer was subscribed as follows:

|   |                       |

| Acceptances by Eligible Retail Shareholders                                     | 3,747,634 New Shares  |
| Acceptances by Eligible Retail Shareholders under the Oversubscription Facility | 598,605 New Shares    |

The shortfall will be placed in accordance with the underwriting and sub-underwriting arrangements as detailed in the Retail Offer Booklet released to the ASX on 26 October 2023.

New Shares to be issued under the Retail Offer will rank equally in all respects with existing fully paid ordinary shares.

Settlement of the Retail Entitlement Offer is scheduled to occur on Wednesday, 22 November 2023, with New Shares expected to be allotted on Thursday, 23 November 2023, and trading to commence on a normal settlement basis on the Australian Securities Exchange (ASX) on the following day.
