It follows an independent external audit ordered by AUSTRAC to assess The Perth Mint's compliance with Australian anti-money laundering (AML) and counter-terrorism financing laws.

The audit, carried out between November 2022 and July 2023, identified some compliance issues. As part of the Enforceable Undertaking the Mint will complete its AML Remediation Program which began in March 2021 and will conclude by 30 April 2025.

The implementation of the Program will be assessed by an independent external auditor.

No fine has been imposed as part of the Enforceable Undertaking.

The Enforceable Undertaking does not impact Gold Corporation as an AQUA Product Issuer or the operation of ASX: PMGOLD.

This announcement has been approved on behalf of Gold Corporation.
