PLACEMENT TO SETTLE FINRAN LOAN FACILITY AND WORKING CAPITAL

The directors of IOUpay Limited (**IOU** or the **Company**) advises it has received firm commitments from sophisticated investors for a placement of 200,000,000 ordinary shares, raising the equivalent of \$2,000,000 before costs, priced at \$0.01 per share (the **Placement**).

Funds raised by the Placement are intended to be applied towards:

1. Repay all amounts owing by the issuance of shares, including accrued interest, and discharge its obligations under the loan facility agreement between the Company and Finran Pty Ltd (**Finran**); and
2. Working capital to assist with the stabilisation, review and potential restructure of business operations.

The repayment of the Finran loan facility materially improves the balance sheet of the Company and is an important step on the path to reinstatement of the Company's shares on the ASX. The Board thanks Finran for their support of the Company with this loan facility, which allowed control of the Company to be returned to the directors on 26 May 2023 and provided access to working capital over the 6 months since.

The Placement will be completed under ASX Listing Rule 7.1 pursuant to shareholder approval at the Extraordinary General Meeting of the Company held 6 October 2023 (**EGM**). The approval, under Resolution 4, approved the issue up to 200,000,000 new ordinary shares in the Company at an issue price of \$0.01 to raise up to \$2,000,000. Of this approval, a balance of 135m shares remained and will be applied to this Placement.

The balance 65m shares will be issued under the Company's 15% placement capacity pursuant to ASX Listing Rule 7.1.

The release of this announcement was authorised by the Board of the Company and released by the Company Secretary.

About IOUpay (ASX:IOU):

IOUpay Limited (ASX:IOU) provides fintech and digital commerce software solutions and services that enable its institutional customers to securely authenticate end-user customers and process banking, purchase and payment transactions.

The Company's core technology platform enables large customer communities to connect to end user customers using any mobile device and integrate mobile technology throughout their existing business and customer product offerings. The Company's business divisions consist of Mobile Banking and Digital Payments which service leading banks in Malaysia and large telcos and corporates in Malaysia & Indonesia. IOUpay also works with telecommunication network providers to provide mobile OTT (over-the-top) services that leverage their subscriber base to build active communities.

Forward Looking Statements

This announcement contains forward looking statements, including statements of current intention, statements of opinion and predictions as to possible future events. Forward looking statements should, or can generally, be identified by the use of forward-looking words such as "believe", "expect", "estimate", "will", "may", "target" and other similar expressions within the meaning of securities laws of applicable jurisdictions, and include but are not limited to the expected outcome of the acquisition. Indications of, and guidance or outlook on, future earnings or financial position or performance are also forward-looking statements. Such statements are not statements of fact and there can be no certainty of outcome in relation to the matters to which the statements relate. These forward-looking statements involve known and unknown risks, uncertainties, assumptions and other important factors that could cause the actual outcomes to be materially different from the events or results expressed or implied by such statements. Those risks, uncertainties, assumptions and other important factors are not all within the control of IOUpay and cannot be predicted by IOUpay and include changes in circumstances or events that may cause objectives to change as well as risks, circumstances and events specific to the industry, countries and markets in which IOUpay operates. They also include general economic conditions, exchange rates, interest rates, competitive pressures, selling price, market demand and conditions in the financial markets which may cause objectives to change or may cause outcomes not to be realised.

None of IOUpay or any of its subsidiaries, advisors or affiliates (or any of their respective officers, employees or agents) makes any representation, assurance or guarantee as to the accuracy or likelihood of fulfilment of any forward-looking statement or any outcomes expressed or implied in any forward-looking statements. Statements about past performance are not necessarily indicative of future performance.
