### AUTHORISATION STATEMENT

This release has been authorised to be given to the ASX by the Board of Foresta Group Holdings Limited.

## ABOUT FORESTA GROUP HOLDINGS

Foresta is positioning itself to become a leading global supplier of natural and renewable pine chemicals and biomass pellets. It has developed a proprietary process to naturally extract pine chemicals by employing the tree's own solvent chemicals to extract rosin and terpenes. These products are commonly used in industrial manufacturing and are a key input to everyday end products. These products include adhesives, gum, inks, paint, car tyres and perfume.
