

Tamboran Resources Corporation

Securities Trading Policy

1.1 Purpose

- (a) The *Corporations Act 2001* (Cth) (**Corporations Act**) prohibits the trading in shares, options, debentures (including convertible notes) and other securities (**securities**) of a company by any person who is in possession of price sensitive information regarding that company that is not generally available. The Corporations Act:
 - (i) imposes substantial penalties on persons who breach those provisions; and
 - (ii) applies to the extent of any inconsistency between it and this policy.
- (b) This policy regulates dealings by directors and officers of Tamboran Resources Corporation (**Tamboran** or the **Company**) and other designated persons, in securities in Tamboran about which they acquire Inside Information through their position or dealings with Tamboran.
- (c) This policy is not designed to prohibit Tamboran Persons from selling or investing in Tamboran securities, but does recognise that there may be times when directors, officers or certain employees cannot or should not sell or invest in Tamboran securities.

1.2 Definitions

For the purposes of this policy:

- (a) “**Blackout Period**” has the meaning given in section 1.5 of this policy;
- (b) “**Board**” means the board of directors of the Company from time to time;
- (c) “**Company Secretary**” means the secretary of the Company from time to time;
- (d) “**Directors and Senior Management**” means each director of Tamboran, the Chief Executive Officer, the Chief Financial Officer, Managing Director and Company Secretary of Tamboran, Key Management Personnel and persons as the Board decides from time to time;
- (e) “**Inside Information**” has the meaning given in section 1.4 of this policy; and
- (f) “**Key Management Personnel**” has the meaning given in the Corporations Act.
- (g) “**Permitted Trading Window**” means:
 - (i) the duration of the offer period for an offer of securities made pursuant to a prospectus or within two weeks after the release of a cleansing notice or cleansing prospectus;
 - (ii) within four weeks after the announcement of the completion of a capital raise; or
 - (iii) any other period determined by the Board.
- (h) “**Tamboran Person**” means:

- (i) all Directors and Senior Management and any other person designated a Tamboran Person by the Board in writing; and
- (ii) also includes:
 - (A) a company or trust controlled by any of the persons referred to in sub-paragraph (i) above; and
 - (B) for the purposes of section (d) only, a spouse (including a de facto spouse), child (including a step-child or adopted child), a close relative, a person financially dependent on or acting in concert with any of the persons referred to in sub-paragraph (i) above.

1.3 General prohibition on insider trading

- (a) No Tamboran Person may, while in possession of Inside Information concerning Tamboran, in breach of the Corporations Act:
 - (i) buy or sell any Tamboran securities at any time;
 - (ii) procure another person to deal in Tamboran securities in any way; or
 - (iii) pass on any Inside Information to another person for that person's own personal gain by dealing in Tamboran securities in any way.
- (b) All Tamboran Persons are prohibited from dealing in the securities of outside companies about which they acquire Inside Information through their position with Tamboran.
- (c) The requirements imposed by this policy are in addition to any legal prohibitions on insider trading. Trading in Tamboran securities is prohibited at any time by a director or a Tamboran Person if that person possesses Inside Information.

1.4 Inside Information

A Tamboran Person is responsible for assessing whether they possess “**Inside Information**”. This occurs where:

- (a) the person possesses information that is not generally available to the public and, if the information were generally available, a reasonable person would expect it to have a material effect on the price or value of Tamboran's securities (or a decision whether or not to trade in them); and
- (b) the person knows, or ought reasonably to know, that the information is not generally available and, if it were generally available, a reasonable person would expect it to have a material effect on the price or value of Tamboran's securities.

A reasonable person would be taken to expect information to have a material effect on the price or value of securities if the information would, or would be likely to, influence a person who commonly invests in securities to either deal or not deal in securities in any way. Inside Information in relation to the securities of outside companies has the same meaning for the purposes of this policy, except that references to “Tamboran's securities” should be read as references to the securities of the outside company.

1.5 Blackout Periods

- (a) Tamboran Persons, subject to sections 1.7 and 1.12, may not buy or sell Tamboran securities during a Blackout Period.
- (b) “**Blackout Periods**” are times when Tamboran Persons must not deal in the Company’s securities.

The following are mandated Blackout Periods:

- (i) to the extent that the Company is required to report on a quarterly basis pursuant to the ASX Listing Rules, the period commencing one week immediately preceding the release of the Company’s quarterly report and ending after the release of the Company’s quarterly report;
- (ii) the period commencing four weeks immediately preceding the release of the Company’s half-year report and ending after the release of the Company’s half-year report;
- (iii) the period commencing four weeks immediately preceding the release of the Company’s full-year report and ending after the release of the Company’s full-year report; and
- (iv) any other period that the Board specifies from time to time.

During Blackout Periods Tamboran Persons must not deal in any of the Company’s financial products or securities, or in any securities related to them.

1.6 Notifications

- (a) Tamboran Persons must:
 - (i) prior to dealing in Tamboran securities outside a Blackout Period or where paragraph 1.10(b) requires the person to obtain a consent under paragraph 1.6, notify the relevant person in paragraph 1.6(c) (the **Authorising Officer**) of their proposed dealing and obtain consent from the Authorising Officer; and
 - (ii) confirm that they are not in possession of any Inside Information; and
 - (iii) after dealing with the Tamboran securities, provide the Authorising Officer with a transaction confirmation.
- (b) For the avoidance of doubt, the Tamboran Person seeking authorisation cannot be their own Authorising Officer.
- (c) Authorising Officer

Any approval given under this section 1.7(a), must be provided by electronic delivery via email. The notification requirements still apply.
- (b) What constitutes “exceptional circumstances” will be assessed on a case-by-case basis within the absolute discretion of the Board, and may include, without limitation, severe financial hardship or a requirement to comply with a court order or court enforceable undertaking.

- (a) is prohibited at any time in respect of any Tamboran securities which are unvested or subject to a holding lock; and
- (b) otherwise, requires consent under paragraph 1.6.

For the avoidance of doubt and without limiting the generality of this policy, entering into protection arrangements includes entering into transactions which:

- (c) amount to “short selling” of securities beyond the Tamboran Person’s holding of securities;
- (d) operate to limit the economic risk of any Tamboran Person’s security holding (e.g. hedging arrangements) including Tamboran’s securities held beneficially (for example, in trust or under any Tamboran incentive plan) on that Tamboran Person’s behalf; or

- (a) Tamboran Persons may not at any time, directly or indirectly, grant any form of security (whether by way of charge, mortgage, pledge or otherwise) over any Tamboran securities which are unvested or subject to a holding lock, to secure any obligation of that Tamboran Person or any third party or enter into any margin lending arrangement involving Tamboran securities.
- (b) Unless paragraph (a) applies, Tamboran Persons may, directly or indirectly, grant any form of security (whether by way of charge, mortgage, pledge or otherwise) over any Tamboran securities, to secure any obligation of that Tamboran Person or any third party or enter into any margin lending arrangement involving Tamboran securities, with consent under paragraph 1.6.

1.12 Exemptions

- (a) Tamboran Persons may at any time:
 - (i) trade Tamboran securities where the trading does not result in a change of beneficial interest in the securities;
 - (ii) acquire securities under any director or employee security plan or through the exercise of options or performance rights under an option or performance rights plan or acquire, or agree to acquire, options or performance rights under an option or performance rights plan. This includes deciding whether or not to take up the entitlements and the sale of entitlements required to provide for the take up of the balance of entitlements under a renounceable pro rata issue;
 - (xi) trade during a Permitted Trading Window.
- (b) If a Tamboran Person undertakes any of the actions described in paragraph (a), that Tamboran Person must advise the relevant Authorising Officer (as set out in clause 1.6(c)).
