Nufarm Limited Notice of Annual General Meeting 1 February 2024

Chair's Letter

Dear Shareholder

I am pleased to invite you to the Annual General Meeting (**Meeting** or **AGM**) of Nufarm Limited (**Nufarm**), which will be held as a hybrid meeting at our head office in Laverton, Melbourne, and online at 11.00am (AEDT) on Thursday 1 February 2024. This Meeting relates to Nufarm's financial year ending 30 September 2023.

Shareholders can watch, vote and ask questions in relation to the business of the Meeting in real time whether attending in person or virtually. Information on how to participate virtually is set out in the accompanying Notice of Meeting (**NOM**) and in the Online Meeting Guide which is available at www.computershare.com.au/virtualmeetingguide.

Board renewal

The board committed to a process of board renewal in 2020, and we recently completed the final phase. In November 2023 long standing directors Gordon Davis and Peter Margin resigned, having each held office for over 12 years. I thank Gordon and Peter for their many years of valuable contribution and commitment to Nufarm.

Gordon and Peter's resignations followed a transition period with Federico Tripodi and Adrian Percy, who were appointed as non-executive directors by the board in June and July 2023 respectively, bringing a wealth of international agricultural R&D and commercial experience. With their appointment, I am confident our board collectively has the right mix of diversity, skills and experience to guide and drive Nufarm's growth as a global agricultural innovator.

Response to first strike against the remuneration report

At our last AGM we received a 'first strike' against the remuneration report. Additionally, just over half of shareholders voted against the grant of performance rights under the Executive Incentive Plan (EIP) to our Managing Director and Chief Executive Officer (CEO) for FY22. If Nufarm receives a 'second strike' against the FY23 remuneration report at this AGM, a separate resolution must be put to shareholders at the AGM asking if they wish to hold an extraordinary general meeting, a 'spill meeting'. The details of this process and what this means are explained in this NOM.

Throughout the year we undertook extensive consultation on our remuneration framework with a wide range of shareholders and their representatives. We have reviewed and re-set the remuneration arrangements for Nufarm's Key Management Personnel (KMP), focussing on maintaining a strong alignment between the rewards we provide to attract, retain and motivate our key people, and the delivery of sustainable financial returns to our shareholders.

At this AGM, we seek approval for the grant of performance rights to the CEO under our proposed new EIP for FY23. We are also seeking approval for the FY22 grant of performance rights to the CEO under the new EIP conditions. Further details about the proposed grants are included in the explanatory notes accompanying this NOM.

I encourage you to review our FY23 remuneration report, which details our response to the first strike and the changes made to our EIP.

How to vote

Details of each resolution to be proposed at this Meeting are set out in the accompanying NOM and the Explanatory Notes.

Directors recommend that Shareholders vote in favour of resolutions 2 to 4 and against resolution 5 if it is required. Information on voting, including how to vote directly and appoint a proxy, are available in the Notes relating to Voting section on page 5 of the NOM. If you cannot join the Meeting in person or online, you may appoint a proxy to attend and vote on your behalf. To do this you must appoint a proxy and lodge a proxy vote so that it is received no later than 11.00am (AEDT) on Tuesday 30 January 2024.

How to ask questions

Asking questions prior to the meeting

Questions from shareholders are important to us and we encourage shareholders to submit questions to the Company in advance of the meeting. This will allow us to address any key themes that have been raised during the meeting.

- verbally in person at the Annual General Meeting;

For those that are not able to join the Meeting, the webcast of the meeting will be available at www.nufarm.com/investor-centre/annual-general-meeting/.

Notes relating to voting

Entitlement to vote

In accordance with Regulation 7.11.37 of the Corporations Regulations 2001, the Board has determined that persons who are registered holders of shares in the Company as at **7.00 pm (AEDT) on Tuesday 30 January 2024** will be entitled to attend and vote at the Meeting as a shareholder. Share transfers registered after that time will be disregarded in determining entitlements to attend and vote at the Meeting.

If more than one joint holder of shares attends the Meeting (whether personally, by proxy, by attorney or by representative) and tenders a vote, only the vote of the joint holder whose first name appears first on the register will be counted.

Exercising your right to vote

Voting on all resolutions will be conducted by a poll.

The poll will be conducted live and online during the Meeting using the Computershare online meeting platform.

On a poll, shareholders have one vote for every fully paid ordinary share held (subject to restrictions on voting referred to above).

On a poll, if:

- a shareholder has appointed a proxy (other than the Chair of the Meeting) and the appointment of the proxy specifies the way the proxy is to vote on the resolution; and
- that shareholder's proxy is either not recorded as attending the Meeting or does not vote on the resolution,

the Chair of the Meeting will, before voting on the resolution closes, be taken to have been appointed as the proxy for the shareholder for the purposes of voting on that resolution and must vote in accordance with the written direction of that shareholder.

Shareholders are encouraged to submit their vote in advance of the Meeting by appointing a proxy at www.investorvote.com.au by 11:00am (AEDT) on Tuesday 30 January 2024.

Proxies

A shareholder entitled to attend and vote at the Meeting can appoint a proxy to attend and vote on their behalf. Instructions on how to appoint a proxy are on the online voting website, www.investorvote.com.au

A proxy need not be a Shareholder of Nufarm and may be an individual or a body corporate. If you are entitled to cast two or more votes, you may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If you appoint two proxies and do not specify the proportion or number of votes each proxy may exercise, each of the proxies may exercise half of the votes.

If you choose to appoint a proxy, you are encouraged to direct your proxy on how to vote by marking the "for", "against" or "abstain" box on the Proxy Form. Your proxy may only exercise your vote in the manner you have directed. If no direction is given, the proxy may vote as it sees fit, subject to any voting restrictions applicable to the proxy. Unless the Chair of the Meeting is your proxy, members of the Company's KMP (which includes each of the Directors) will not be able to vote as proxy on Items 2 or 4 unless you direct them how to vote. If you intend to appoint any of those persons as your proxy, you should ensure that you direct that person how to vote on Items 2 and 4.

Appointed proxies will need to contact Computershare to obtain a username and password to vote online. Further details are available in the online meeting guide available at www.computershare.com.au/virtualmeetingguide.

Either the original, facsimile or electronic transmission of the Proxy Form(s) and any Power of Attorney or authority under which they are signed must be received at least 48 hours prior to the Meeting (i.e. by no later than 11.00am (AEDT) on Tuesday 30 January 2024). Items 4a and 4b: FY22 and FY23 Grant of Rights to the MD and CEO under the EIP

Background to Executive Incentive Plan (EIP)

Nufarm's EIP rewards achievement against a combination of financial and non-financial performance measures that are aligned to the creation of shareholder value over both the short term and long term. A combination of financial and non-financial measures achieved over a 12 month performance period determines the number of Rights that may be awarded. Those Rights are subsequently tested after a further 3 year vesting period against a rTSR measure and other strategic measures supporting our long-term objectives. Offers made under the EIP are made pursuant to the Equity Incentive Plan Rules.

Items 4a and 4b set out in the Notice of AGM seeks approval for the proposed issue of Rights to the MD and CEO (as well as the allocation of Shares upon vesting of those Rights) in respect of the following grants

- FY22 EIP Rights (Item 4a) – being the Rights granted in respect of the performance achieved in the performance period from 1 October 2021 to 30 September 2022 – these Rights will be tested at the end of FY25
- FY23 EIP Rights (Item 4b) – being the Rights granted in respect of the performance achieved in the performance period from 1 October 2022 to 30 September 2023 – these Rights will be tested at the end of FY26

Revised EIP as a response to the strike

At last year's AGM, Nufarm received a 'first strike' against the 2022 Remuneration Report. Notably, 51.16% of shareholders voted against the grant of equity under the EIP to the MD and CEO.

Accordingly, the PSR Committee spent significant time during the year reviewing and re-setting the remuneration arrangements for Nufarm's KMP. Information regarding the response to the 'first strike' and evolution of our EIP design can be found in the 2023 Remuneration Report (at page 63 of the Annual Report).

As the MD and CEO's FY22 EIP grant was not approved by shareholders at the last year's AGM, shareholders are asked to consider and approve the revised FY22 EIP Rights at this year's AGM. The grant of FY22 EIP Rights is proposed to be made on the same terms as the FY23 EIP Rights, which has been revised as part of the remuneration review (and which includes a small increase to the Rights granted under the EIP opportunity as part of the changes to the EIP design). The only material difference is that the FY22 EIP Rights will be assessed over the 3 year period from 1 October 2022 to 30 September 2025.

Details of each of the FY22 and FY23 EIP Rights are set out below.

Item 4a – FY22 Grant of Rights to the MD and Chief Executive Officer

FY22 EIP award outcome

The Board determined that the MD and CEO achieved 137.5% of his potential target opportunity in respect of the 12 month performance period ending 30 September 2022. This means the value of his FY22 EIP award was \$2,504,470 (which includes the small increase to the EIP opportunity) and is delivered in 2 components – \$1,694,648 will be delivered in Rights, subject to shareholder approval, on the terms set out below and the remainder was paid in cash.

Key material terms of FY22 EIP Rights

The key terms for the grant of Rights proposed to be made to the MD and CEO in respect of the FY22 EIP Rights are set out below. Additional terms of the Rights are set out in Appendix A.

Number of Rights allocated	The total number of Rights to be granted to the MD and CEO under the FY22 EIP award is 284,791. Item 4b – FY23 Grant of Rights to the MD and Chief Executive Officer

FY23 EIP award outcome

The Board determined that the MD and CEO achieved 65% of his potential target opportunity in respect of the 12 month performance period ending 30 September 2023. This means the value of his FY23 EIP award was \$1,245,153 and is delivered in 2 components – 32% will be paid in cash and 68% will be delivered in Rights, subject to shareholder approval, on the terms set out below.

Term	Explanation			
Number of Rights allocated	The total number of Rights to be granted to the MD and CEO under the FY23 EIP award is 183,106.			
	The number of Rights to be granted was determined by dividing the value of the Rights component of the FY23 EIP award (being \$846,704) by the volume weighted average price of Nufarm Shares in the five trading days following the 2023 full year results announcement (being \$4.6241).

Appendix A – Other material terms for the FY22 and FY23 EIP Rights

Other terms for the FY22 and FY23 EIP Rights are set out below.

Term	Explanation
Rights	Each Right is an entitlement to acquire a Share, or cash equivalent value, subject to satisfaction of the Vesting Conditions.
Price payable for Rights	No amount is payable in respect of the grant of Rights, nor in respect of any Shares allocated on vesting of Rights.
Allocation of Shares on vesting	As soon as practicable following vesting of a Right, the Board may issue, or procure the transfer of Shares in respect of Rights that have vested. Nufarm also operates an employee share trust to acquire, hold or provide Shares for the purposes of the EIP. The Board may also exercise its discretion to make a cash payment to the MD and CEO in lieu of an allocation of Shares. Unless the Board determines otherwise, no trading restriction will be placed on Shares acquired following vesting, subject to the Nufarm's Security Trading Policy.
Cessation of employment	Unless the Board determines otherwise: <ol style="list-style-type: none"> if the MD and CEO resigns or is Terminated for Cause prior to the vesting of Rights, all unvested Rights will lapse. if the MD and CEO ceases employment for any other reason prior to the vesting of Rights, Rights will be pro-rated (based on the portion of the Vesting Period that has elapsed up until the date of termination) and those Rights will remain on foot and will be tested at the end of the applicable Vesting Period.
Decision on vesting of Rights / clawback	The Board has absolute discretion regarding the amount and timing of vesting of any Rights. Within the remuneration framework, under specific circumstances, the Board has discretion to lapse or enforce forfeiture (or potentially cash repayment where an award has been issued as cash or converted into cash) of any Right or Shares allocated under the EIP under the terms of the relevant plans.
Change of Control	Where a Change of Control Event occurs, the Board has discretion to determine the treatment of unvested Rights. If the Board does not exercise discretion, then Rights will vest in full upon a change of control.
Dividends and other distributions	Rights do not carry any dividend or voting rights. Shares allocated on vesting of Rights carry the same dividend and voting rights as other shares issued by the Company.

Appendix B – Other required information – ASX Listing Rules

Approval is being sought from shareholders for all purposes, including for the purpose of ASX Listing Rule 10.14. ASX Listing Rule 10.14 provides that a listed company must not issue securities to a Director under an employee incentive scheme unless it obtains the approval of its shareholders.

The EIP was adopted on 1 October 2021. No grants have previously been made to the MD and CEO under the EIP on the basis the FY22 grant was not approved in the 2022 AGM.

The MD and CEO is the only director of Nufarm (or associate of a director) entitled to participate in the EIP and receive Rights. No loans have been or will be granted to the MD and CEO in connection with his participation in the EIP and the MD and CEO is prohibited from entering into hedging transactions or arrangements in respect of his Rights.

For the purposes of ASX Listing Rule 10.15.4, the MD and CEO's current total remuneration package is as follows:

Fixed annual remuneration (including superannuation)	\$1,484,333
Target opportunity under the EIP	134% of FAR, being \$1,912,506 which if awarded is delivered 32% in cash and 68% in Rights.

Further information on the MD and CEO's remuneration is set out in the 2023 Remuneration Report.

Details of any Rights issued under the EIP are published in the Remuneration Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in any issue of shares under the EIP after this resolution is approved and who are not named in this Notice of Meeting will not participate until approval is obtained under that rule.

If shareholder approval is not obtained for Item 4a and/or 4b, the Board will consider alternative arrangements to appropriately remunerate and incentivise the MD and CEO, including a cash-based incentive.

The Board considers that it is in the best interests of shareholders to provide the MD and CEO with equity-based incentives to ensure there is alignment between satisfactory returns to shareholders and reward to the MD and CEO as an executive Director. The Company uses Rights because they create alignment between the executive and ordinary shareholders but do not provide the executive with the full benefits of share ownership (such as dividend and voting rights) unless and until the Rights vest. As the Rights form part of the MD and CEO's remuneration, they will be issued at no cost.

Item 5: Conditional spill resolution

The Board recommends that shareholders vote against this resolution.

This item will only be put forward at the AGM if at least 25% of the votes validly cast on Resolution 2 to adopt the remuneration report are cast against its adoption. If fewer than 25% of the votes are against its adoption, then there will be no 'second strike' and this item will not be put to the AGM.

If the item is put to the AGM, the spill resolution will be considered as an ordinary resolution.

If the spill resolution is put to the AGM and passed, a special meeting of shareholders, known as a 'Spill Meeting' must be held within 90 days. All directors (excluding the managing director) will cease to hold office at the end of the Spill Meeting unless they are re-elected at the Spill Meeting.

For the avoidance of doubt, even if Federico Tripodi, Adrian Percy and Lynne Saint are re-elected at the AGM, they will again need to be re-elected at the Spill Meeting to remain in office.

The Board consider the following factors to be relevant to a shareholder's decision on how to vote on this item:

- the steps taken by the board to address concerns expressed by shareholders, as outlined in the FY23 remuneration report;
- the recent board renewal program; and
- the disruption and significant cost involved in convening a Spill Meeting.

If you do not want a Spill Meeting to take place, you should vote against item 5.

A voting exclusion applies to this resolution.

Recommendation: The directors unanimously recommend that shareholders vote **against** resolution 5.
