ASX / MEDIA ANNOUNCEMENT

Status of Enforceable Undertaking (EU) between Lindsay Transport and the National Heavy Vehicle Regulator (NHVR)

Further to the ASX announcements of 13 November 2020 and 16 November 2021.

Lindsay Australia Limited (the Company) announces that it has received formal confirmation from the NHVR that the requirements of the EU have been fully discharged. Consequently, no further action is required by the Company or any of its related parties under the EU.

The EU was agreed following a fatal accident involving a Lindsay employee at Loganlea Qld on 14 November 2018.

There were five core deliverables under the terms of the EU, they included safety related educational initiatives, training initiatives and process review, with benefits extending to the road transport and logistics industry, the community and the Company.

Details of the specific terms of the EU are published on the NHVR website at:
