ABOUT OBJECTIVE CORPORATION (ASX: OCL)

We create software to make a difference.

Using Objective software, thousands of public sector organisations are shifting to being completely digital. Where our customers can work from anywhere; with access to information, governance guaranteed, and security assured.

Innovation is our lifeblood. We invest significantly in the ongoing development of our products to deliver outstanding solutions to the public sector and regulated industries.

The result – stronger national and community outcomes, and accountability that builds trust in government.
