About HALO

HALO Technologies is an online global equities research and trade execution software solution provider that brings sophisticated institutional-grade analytical frameworks and market insights to everyday investors. HALO includes two integrated offerings in HALO Global, designed for hands on investors who want professional grade tools without the cost, and HALO Trading which offers global trade execution capability and ready-made themed investment portfolios that are ideal for 'low touch' investors, 'values based' investors and Self-Managed Superannuation Funds.
