ASX Market Announcements

## CHANGE IN MANAGEMENT ROLES

Golden Cross Resources Ltd (“Company”) advises that Mr Bret Ferris has stepped back from the roles of Acting CEO and Exploration Manager effective today at close of business. He continues to be available for geological services for the Company on consulting basis.

The Board thank Bret for his valuable contributions during his term of office and in particular in continuously improving and the significant upgrade of the Mineral Resource Estimate in September 2022\* of the Company’s 100% owned flagship copper-gold project Copper Hill in the Lachlan Fold Belt in New South Wales.
