2 SUMMARY OF MATERIAL ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these condensed interim financial statements are set out below. These policies have been consistently applied during the reporting period presented, unless otherwise stated.

(a) Basis of preparation

These interim financial statements have been prepared in accordance with Australian Accounting Standards AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*. Compliance with AASB 134 ensures compliance with International Financial Reporting Standards IAS 34 *Interim Financial Reporting*.

NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (CONTINUED)

These condensed interim financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these condensed interim financial statements are to be read in conjunction with the annual financial statements for the year ended 30 June 2023 and any public announcements made in respect of the Fund during the interim reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

The accounting policies applied in the condensed interim financial statements are the same as those applied in the Fund's financial report for the year ended 30 June 2023.

The condensed interim financial statements have been prepared on the basis of fair value measurement of assets and liabilities, except where otherwise stated. The condensed interim financial report is presented in Australian dollars, which is the Fund's functional currency.

(b) Material accounting policies

Use of estimates

Management makes estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses. Estimates and associated assumptions are continuously evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

New accounting standards and interpretations

Except as disclosed in the financial report for the year ended 30 June 2023, there are no new accounting standards, amendments and interpretations that are expected to have a material impact on the condensed interim financial statements.

(c) Rounding of amounts

The Fund is an entity of a kind referred to in *ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191* issued by the Australian Securities and Investments Commission (ASIC) relating to the "rounding off" of amounts in the interim financial statements. Amounts in the interim financial statements have been rounded to the nearest thousand dollars in accordance with that ASIC Corporations Instrument, unless otherwise indicated.

3 FAIR VALUE MEASUREMENTS

The Fund measures and recognises the fair value of financial assets at fair value through profit and loss (FVTPL) on a recurring basis. The Fund has no assets or liabilities measured at fair value on a non-recurring basis in the current reporting period.

The Fund discloses fair value measurements by level using the following fair value hierarchy:

- > Level 1 – quoted prices (unadjusted) in active markets for identical assets or liabilities
- > Level 2 – inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (as prices) or indirectly (derived from prices)
- > Level 3 – inputs for the asset or liability that are not based on observable market data (unobservable inputs)

(i) Fair value in an active market (Level 1)

The fair value of financial assets and liabilities traded in active markets is based on last traded prices at the end of the reporting period without any deduction for estimated future selling costs. For the majority of financial assets and liabilities, information provided by the quoted market independent pricing services is relied upon for valuation.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis. An active market is a market in which transactions for the financial asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis.

(ii) Fair value in an inactive or unquoted market (Level 2 and Level 3)

The fair value of the Fund's investments in the underlying fund is determined based on the underlying fund's net tangible asset value per unit, which represents the price at which the Fund can redeem its investments or subscribe for additional investments as of the reporting date.

NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (CONTINUED)

The following table presents the Fund's financial assets and liabilities measured and recognised at fair value as at 31 December 2023 and 30 June 2023.

AT 31 DECEMBER 2023	LEVEL 1 \$'000	LEVEL 2 \$'000	LEVEL 3 \$'000	TOTAL \$'000

Metrics Wholesale Income Opportunities Trust	–	557,447	–	557,447

(iii) Transfers between levels

The Fund's policy is to recognise transfers into and transfers out of fair value hierarchy as at the end of the reporting year. There were no transfers between the level in the fair value hierarchy for the periods ended 31 December 2023 and 30 June 2023.

(iv) Financial instruments not measured at fair value

Due to their short-term nature, the carrying amounts of receivables and payables are assumed to approximate fair value.

Net assets attributable to unitholders' carrying value may differ from its par value (deemed to be redemption price for individual units) due to differences in valuation inputs. This difference is not material in the current or prior reporting period.

INDEPENDENT AUDITOR'S REVIEW REPORT (CONTINUED)

Responsibilities of the Directors for the Condensed Interim Financial Report

The Directors of The Trust Company (RE Services) Limited (the Responsible Entity) are responsible for:

- the preparation of the Condensed Interim Financial Report that gives a true and fair view in accordance with *Australian Accounting Standards* and the *Corporations Act 2001*; and
- such internal control as the Directors determine is necessary to enable the preparation of the Condensed Interim Financial Report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Review of the Condensed Interim Financial Report

Our responsibility is to express a conclusion on the Condensed Interim Financial Report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the Condensed Interim Financial Report does not comply with the *Corporations Act 2001* including giving a true and fair view of the Fund financial position as at 31 December 2023 and its performance for the Interim Period ended on that date, and complying with *Australian Accounting Standard AASB 134 Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a Condensed Interim Period Financial Report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with *Australian Auditing Standards* and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
