*The \$8 million in advertising credits received as a result of the Seven West Media (SWM) investment in December 2021 falls within AASB 2 Share Based Payments, whereby Raiz has recognised the fair value of services received as a direct increase in equity at the time the shares were issued. There is a corresponding increase to other assets to recognise the future services to be provided by SWM. The advertising credit unwinds upon consumption of these advertising credits by Raiz. Under the advertising services agreement, the advertising credit will expire on 31 January 2025.

NOTE 9: OPERATING SEGMENTS

Description of segments

Identification of reportable operating segments

As disclosed in Raiz's FY23 Annual Report, Raiz ceased to receive revenue from other Financial Services from 1 July 2023. As a result, Raiz now has one operating segment, Raiz Invest Micro-Investing Platform. This operating segment is based on the internal reports that are reviewed and used by the chief operating decision makers (CODMs) in assessing the performance and in determining the allocation of resources. There is no aggregation of operating segments below this level.

The CODMs also use EBITDA (earnings before interest, tax, depreciation and amortisation excluding share-based payments and non-recurring items) as a principal profit measure. The accounting policies adopted for internal reporting are consistent with those adopted in the financial statements.

The information reported to the CODMs is on at least a quarterly basis.

Types of services

The principal service is the provision of financial services via the Raiz Invest Micro-Investing Platform.

Major customers

Raiz Invest Micro-Investing Platform does not rely on any major customers. The largest single customer accounts for only 0.02% of total revenue.

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be the same terms if given to the directors as at the time of this auditor's review report.

Responsibility of the directors for the financial report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of

the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2023 and its financial performance for the half-year ended on that date and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
