

ASX ANNOUNCEMENT

12 MARCH 2024

## COMPLETION OF ASSET SALE

**IMMEDIATE FOCUS IS ON INCREASING PRODUCTION FROM  
COLORADO ASSETS AND MAINTAINING STRONG CASH BALANCE**

**AXP Energy Limited** (ASX: AXP, OTC US: AUNXF), ('AXP', 'Company') is pleased to confirm that the asset sale agreement to sell its non-Colorado oil and gas assets, including projects in Tennessee, Eastern Kentucky, Virginia, and the Illinois Basin, to Mountain V Oil & Gas, Inc for a total consideration of US\$4,000,000, plus oil in tank inventory as at 30 September 2024, in cash has now been completed and all funds have been received – subject to closing adjustments which will be finalised by 7 May 2024.

As previously advised, the immediate focus is to enhance the performance of AXP's Pathfinder Field in Colorado, identify reliable and profitable gas sales channels and enhance the field's oil production. At the same time, the Board will focus on minimizing cash-burn and preserving the funds received from the asset sales to ensure AXP maintains sufficient financial flexibility to identify and acquire producing oil & gas assets in the United States.

**Non-Executive Director Andrew Bald commented:** *"We are pleased to have concluded the sale of these assets in the Appalachian and Illinois Basins. Our priority now is to review options to monetise the gas from the Pathfinder Field, increase oil production where we can, and assess other opportunistic transactions while maintaining a solid cash balance and keeping the cost base low."*

This announcement has been authorised by the Board of AXP Energy Limited.
