About Prophecy International Holdings Limited

Prophecy International Holdings Limited (ASX: PRO) is a leading Australian designer and developer of innovative business software. Through its two products, Snare and emite, Prophecy serves the large and growing global markets of Cloud Data Management, Contact Centre Analytics and Cyber Security.

Emite provides a SaaS-based real time and historical analytics platform for customer experience in contact centre environments. It provides fast, accurate visibility into operational metrics that drive contact centre performance outcomes and superior customer service without adding pressure to busy business intelligence (BI) and management information (MI) teams.

The Snare product suite is a highly scalable platform of Centralised Log Management and Security Analytics products designed to enable customers to detect and manage cyber threats in real time and maintain regulatory compliance. It empowers customers to seamlessly detect threats as they emerge and review past events that may have led to system misuse.

Prophecy operates globally from Adelaide and Sydney in Australia, London in the United Kingdom and in Denver, USA.
