

ABN 35 108 146 694

FINANCIAL STATEMENTS

FOR THE HALF YEAR ENDED 31 DECEMBER 2023

ACN 108 146 694

DIRECTORS' REPORT

Your Directors submit their report for Cannindah Resource Limited (CAE) for the half year ended 31 December 2023.

Directors

The names of the Company's Directors in office during the half year and until the date of this report are set out below. All Directors held office for the whole of the period unless otherwise stated.

Thomas J Pickett – Executive Chairman Geoff Missen – Non- executive Director Simon Beams – Non- executive Director Michael Hansel – Non- executive Director

Review of Operations

The loss for the consolidated entity for the half year ended 31 December 2023 was \$844,079 (2022: loss \$918,981). Cash on hand at the end of the period was \$315,710 (30 June 2023: \$659,355). During the period the Company raised \$1,610,000 (before issue costs) through share placement to sophisticated and professional investors and a Share Purchase Plan to existing Shareholders.

Operating Activities

Mt Cannindah

Exploration activities conducted during the period included:

- Assay results from the completed 23-hole drilling campaign continued to be released during the period with the majority of these results having been compiled and released. The final holes of the program provided strong gold results as report in the ASX release of 11 October 2023 and opened up excellent possibilities in the south-west section at Mt Cannindah.
- The Induced Polarisation geophysical survey which commenced late in the previous financial year continued during the period. Several new drill targets were identified which are similar to or larger in magnitude than the area at Mt Cannindah breccia where the majority of the 23 holes completed to date were located. The large-scale IP anomalies coincide with strong surface geochemistry results from approximately 1,490 soil samples taken from most of the mineral occurrences at Mt Cannindah. When previous results from soils are overlayed with the recent IP results, they create several blind undrilled targets similar to the Mt Cannindah breccia zone. Importantly the targets to the southwest of the breccia zone occur in areas of sparse drilling (see ASX release dated 16 Aug 2023)
- CAE consultant Dr Alan Wilson followed up his earlier review by conducting a site visit to the Mt Cannindah project and an inspection of the drill core. Dr Wilson provided an updated report based upon his observations which outlined high priority targets. Of particular note was a new undrilled circular IP feature of some scale, blind at surface which shares the same IP and soil expressions as the Mt Cannindah breccia. These geochemical and geophysical associations to Mt Cannindah are very encouraging and potentially identify a blind target to surface which is not uncommon with breccia pipes in porphyry copper systems. Dr Wilson is a porphyry system specialist and has consulted to companies such as Newmont, Newcrest, Rio Tinto, and Anglo American.
- Positive Metallurgical test results were also reported during the period confirming that the
 copper, gold and silver that has been drilled at the Mt Cannindah breccia produces a
 saleable concentrate and good recoveries. (see ASX release dated 21 Nov 2023).

Corporate and Financial Activities

- During the period the Company raised \$1,610,000 (before issue costs) from existing Shareholders and sophisticated and professional investors.
- The Board is currently working through the usual commercial discussions that occur when certain commercial transactions are contemplated both in terms of capital raising and future commercial opportunities. The company will update shareholders on discussions regarding any such developments as they occur.

Strategy

The Company's goal, like most other exploration companies, is to preserve shareholder wealth and grow the value of the flagship assets with prudent exploration methods. The expansion of the Mt Cannindah project remains the focus of the company at present. Drilling and other activities to date has been very successful in identifying further exploration opportunities within the project area in both copper and gold. The Piccadilly Gold project in North Queensland will progress through ground-based exploration with a view to expanding the gold target areas across the project area.

The Company's corporate activities also include the review of opportunities for expansion through acquisitions and mergers and through potential diversification opportunities to take advantage of positive market sentiments. At the date of this report, no investments have been undertaken.

Going Concern

The Group incurred a net loss of \$844,079, had net cash outflows from operating and investment activities (exploration expenditure) of \$1,897,888 for the six months ended 31 December 2023 and had an excess of current liabilities over current assets of \$2,178,742 at that date.

Whilst the events and conditions described above indicate that there is a material uncertainty relating to going concern, the Directors expect that to complete the projected exploration activities over the next 12 months additional funds will be required. It is expected that these funds will be obtained through additional capital raisings and/or loan funds as required. Based on their previous experience and success in raising capital and loan funds, the Directors are confident that the required additional funds can be obtained. In this regard, the Directors note that during the period \$1,610,000 (before issue costs) was raised from existing Shareholders through a Share Purchase Plan and from sophisticated and professional investors. The Directors also note that the Company's largest creditor, Terra Search, a company associated with Director Simon Beams which at 31 December 2023 was owed \$2,369,835 has provided written forbearance in relation to the debt pending future capital raising. Terra Search has also expressed its intention to consider converting a proportion of the debt to equity.

The Directors are satisfied that they will be able to secure the additional funds required, and that the going concern basis of preparation for the financial report is appropriate. If for any reason the Consolidated Entity is unable to continue as a going concern, it would impact on the Consolidated Entity's ability to realise assets at their recognised values and to extinguish liabilities in the normal course of business at the amounts stated in the consolidated financial statements.

The half-year financial report does not include any adjustments relating to the amounts or classification of recorded assets or liabilities that might be necessary if the Consolidated Entity does not continue as a going concern.

Subsequent Events

Other than as disclosed in these financial statements, no matters or circumstances have arisen since 31 December 2023, which significantly affect or may significantly affect the operations of the Company, the results of those operations, or the state of affairs of the Company in subsequent financial years.

On behalf of the Directors

Thomas J. Pickett
Executive Chairman

Auditor's Independence Declaration

To the Directors of Cannindah Resources Limited

In accordance with the requirements of section 307C of the *Corporations Act 2001*, as lead auditor for the review of Cannindah Resources Limited for the half-year ended 31 December 2023, I declare that, to the best of my knowledge and belief, there have been:

- a no contraventions of the auditor independence requirements of the *Corporations Act 2001* in relation to the audit; and
- b no contraventions of any applicable code of professional conduct in relation to the audit.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS for the half year ended 31 December 2023

1. Basis of Preparation and Accounting Policies

This general-purpose financial report for the interim half-year reporting period ended 31 December 2023 has been prepared in accordance with Accounting Standard AASB 134 "Interim Financial Reporting" and the *Corporations Act 2001*. AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 Interim Financial Reporting.

The half year financial report does not include all notes of the type normally included within the annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the consolidated entity as the full financial report.

It is recommended that the half year financial report be read in conjunction with the annual report of Cannindah Resources Limited (CAE) as at 30 June 2023, together with any public announcements made by Cannindah Resources Limited during the interim reporting period in accordance with the continuous disclosure obligations of the *Corporations Act 2001*.

The accounting policies and methods of computation adopted are consistent with those of the previous financial period as disclosed in the 30 June 2023 annual report.

New or amended Accounting Standards and Interpretations adopted

The Consolidated Entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period. Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

Going Concern

The Group incurred a net loss of \$844,079 and had net cash outflows from operating and investment activities (exploration expenditure) of \$1,897,888 for the six months ended 31 December 2023 and had an excess of current liabilities over current assets of \$2,178,742 at that date.

Whilst the events and conditions described above indicate that there is a material uncertainty relating to going concern, the Directors expect that to complete the projected exploration activities over the next 12 months additional funds will be required. It is expected that these funds will be obtained through additional capital raisings and/or loan funds as required. Based on their previous experience and success in raising capital and loan funds, the Directors are confident that the required additional funds can be obtained. In this regard, the Directors note that during the period \$1,610,000 (before issue costs) was raised from existing Shareholders through a Share Purchase Plan and from sophisticated and professional investors. The Directors also note that the Company's largest creditor, Terra Search, a company associated with Director Simon Beams which at 31 December 2023 was owed \$2,369,835 has provided written forbearance in relation to the debt pending future capital raising. Terra Search has also expressed its intention to consider converting a proportion of the debt to equity.

The Directors are satisfied that they will be able to secure the additional funds required, and that the going concern basis of preparation for the financial report is appropriate. If for any reason the Consolidated Entity is unable to continue as a going concern, it would impact on the Consolidated Entity's ability to realise assets at their recognised values and to extinguish liabilities in the normal course of business at the amounts stated in the consolidated financial statements.

The financial report does not include any adjustments relating to the amounts or classification of recorded assets or liabilities that might be necessary if the Consolidated Entity does not continue as a going concern.

Less share issue costs		(73,698)
Balance at 31 December 2023	578,079,953	63,034,165

8. Expenditure Commitments and Contingent Liabilities

There were no significant changes to the commitments and contingencies disclosed in the most recent annual financial report.

9. Subsequent Events

Other than as disclosed in these financial statements, no matters or circumstances have arisen since 31 December 2023, which significantly affect or may significantly affect the operations of the Company, the results of those operations, or the state of affairs of the Company in subsequent financial years.

ACN 108 146 694

DIRECTORS' DECLARATION

The Directors of the Company declare that:

- 1. The financial statements and notes:
 - a). comply with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations; and
 - b. give a true and fair view of the economic entity's financial position as at 31 December 2023 and of its performance for the half-year ended on that date.
- 2. In the directors' opinion there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors.

Thomas J. Pickett **Executive Chairman** Gold Coast

Independent Auditor's Review Report

To the Members of Cannindah Resources Limited

Report on the half-year financial report

Conclusion

We have reviewed the accompanying half-year financial report of Cannindah Resources Limited (the Company) and its subsidiaries (the Group), which comprises the consolidated statement of financial position as at 31 December 2023, and the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, a summary of significant accounting policies, other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Cannindah Resources Limited does not comply with the *Corporations Act 2001* including:

- a giving a true and fair view of the Group's financial position as at 31 December 2023 and of its performance for the half-year ended on that date; and
- b complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations* 2001.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

www.grantthornton.com.au ACN-130 913 594

Grant Thornton Audit Pty Ltd ACN 130 913 594 a subsidiary or related entity of Grant Thornton Australia Limited ABN 41 127 556 389 ACN 127 556 389. 'Grant Thornton' refers to the brand under which the Grant Thornton member firms provide assurance, tax and advisory services to their clients and/or refers to one or more member firms, as the context requires. Grant Thornton Australia Limited is a member firm of Grant Thornton International Ltd (GTIL). GTIL and the member firms are not a worldwide partnership. GTIL and each member firm is a separate legal entity. Services are delivered by the member firms. GTIL does not provide services to clients. GTIL and its member firms are not agents of, and do not obligate one another and are not liable for one another's acts or omissions. In the Australian context only, the use of the term 'Grant Thornton' may refer to Grant Thornton Australia Limited ABN 41 127 556 389 ACN 127 556 389 and its Australian subsidiaries and related entities. Liability limited by a scheme approved under Professional Standards Legislation.

Material uncertainty related to going concern

We draw attention to Note 1 in the financial report, which indicates that the Group incurred a net loss of \$844,079 during the half-year ended 31 December 2023. The Group also had net cash outflows from operating and investing cashflows of \$1,897,888 for the half-year ended 31 December 2023, and at this date had an excess of current liabilities over current assets of \$2,178,742. As stated in Note 1, these events or conditions, along with other matters as set forth in Note 1, indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

Directors' responsibility for the half-year financial report

The Directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the Directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2023 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations* 2001.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
