Explanatory Notes

These Explanatory Notes have been prepared for the information of Shareholders in connection with the Resolutions to be considered at the Annual General Meeting to be held at **11.00am AEST on Wednesday, 8 May 2024**. These Explanatory Notes form part of the Notice and should be read together with the Notice.

Resolution 1 – Adoption of Remuneration Report

Pursuant to section 250R of the Corporations Act, at the annual general meeting of a listed company, that company must propose a resolution that the remuneration report be adopted.

The purpose of Resolution 1 is to lay before the Shareholders the Remuneration Report so that Shareholders may ask questions about, or make comments on, the Remuneration Report in accordance with the requirements of the Corporations Act, and vote on an advisory and non-binding resolution to adopt the Remuneration Report.

The Board will consider the outcome of the vote of Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

The Remuneration Report is contained within the 2023 Annual Report. You may view the 2023 Annual Report on the Company's website at <https://ir.smartgroup.com.au/Investors> under the ASX Announcements tab.

The vote on Resolution 1 is advisory only and does not bind the Directors or the Company. However, under the Corporations Act, if at least 25% of the votes cast on this Resolution at the Meeting are against adoption of the Remuneration Report, then:

- if comments are made on the Remuneration Report at the Meeting, the Company's remuneration report for the financial year ending 31 December 2024 will be required to include an explanation of the Board's proposed action in response or, if no action is proposed, the Board's reasons for this; and
- if, at the Company's 2025 annual general meeting, at least 25% of the votes cast on the resolution for adoption of the remuneration report for the relevant financial year are against its adoption, the Company will be required to put to shareholders a resolution proposing that a general meeting (**Spill Meeting**) be called to consider the election of Directors (**Spill Resolution**). The Spill Meeting must be held within 90 days of the date of the Company's 2025 annual general meeting. For any Spill Resolution to be passed, more than 50% of the votes cast on the resolution must be in favour of it. If a Spill Resolution is passed, all of the Directors (other than any managing director) will cease to hold office immediately before the end of the Spill Meeting unless re-elected at that meeting.

The Remuneration Report forms part of the Directors' Report, which has been unanimously been adopted by a resolution of the Board. The Directors have resolved in favour of the Remuneration Report and recommend it to Shareholders for adoption.

Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 1.

Resolution 2 – Election of Mr Mark Rigotti as a Director

The Board appointed Mr Rigotti as a non-executive Director of the Company effective from 1 February 2024. Under article 10.7 of the Company's Constitution, Mr Rigotti holds office under that

appointment until the conclusion of the AGM, but is eligible for election at the AGM as a Director of the Company. Resolution 2 seeks shareholder approval of the election of Mr Rigotti.

Mr Rigotti is a member of the Environment, Social and Governance Committee and the Human Resources and Remuneration Committee. The Board considers Mr Rigotti to be an independent Director.

Mr Rigotti is the current Managing Director and Chief Executive Officer of the Australian Institute of Company Directors. His previous roles include serving as the Global CEO of Herbert Smith Freehills (HSF) where he was also a Partner. He was also Chair of the firm's Global Executive, Chair of the Global Diversity & Inclusion Group and a Member of the HSF Global Partnership Council. Mr Rigotti is the Chair of Redkite Children's Charity and is a Board Member of the European Australian Business Council.

Mr Rigotti is a qualified lawyer and a member of the Australian Institute of Company Directors. He holds a Bachelor of Arts and a Masters of Law from the University of Sydney and is a graduate of the Advance Management Programme (Melbourne Business School) and Executive leadership programmes from Harvard and Singularity Universities.

Prior to Mr Rigotti's appointment, the Company completed several background and screening checks in relation to Mr Rigotti's character, experience and qualifications, as well as criminal history and bankruptcy checks, with no adverse findings.

Prior to his initial appointment by the Board, Mr Rigotti confirmed to the Company that he would have sufficient time to fulfil his responsibilities as a Director. In connection with his proposed election at the AGM, Mr Rigotti has confirmed to the Company that he continues to have sufficient time to fulfil his responsibilities as a Director.

The Board considers that Mr Rigotti's range of legal, governance and executive management skills will enable him to make a valuable contribution to the Board and the Committees on which Mr Rigotti serves. The Board therefore supports Mr Rigotti's election.

Directors' recommendation

The Directors, with Mr Mark Rigotti abstaining, unanimously recommend that Shareholders vote in favour of Resolution 2.

Resolution 3 – Re-election of Dr Ian Watt as a Director

Dr Ian Watt retires in accordance with the Constitution. Being eligible, Dr Watt offers himself for re-election as a Director. Resolution 3 seeks shareholder approval of the re-election of Dr Watt.

Dr Watt was first appointed as a Director on 1 July 2015 and was last re-elected as a Director at the annual general meeting held on 11 May 2022.

Dr Watt is the Chair of the Environment, Social and Governance Committee and a member of the Audit and Risk Committee and the IT and Innovation Committee. The Board considers Dr Watt to be an independent Director.

Dr Watt worked for nearly 20 years at very senior levels of the Australian public service before making the change to the corporate sector. His most recent appointment in the public sector was as Secretary of the Department of the Prime Minister and Cabinet and head of the Australian Public Service, a position he held from 2011 to 2014. Before that, he was Secretary of the Departments of Defence, Finance, and Communications, Information Technology and the Arts between 2001 and 2011, and Deputy Secretary of the Department of the Prime Minister.

Dr Watt holds a Bachelor of Commerce from the University of Melbourne and a Master of Economics and PhD in Economics from La Trobe University and has completed the Advanced Management Program at Harvard Business School.

Dr Watt has confirmed to the Company that he continues to have sufficient time to fulfil his responsibilities as a Director.

The Board considers that Dr Watt's extensive leadership experience in the public and private sectors and his significant expertise in Government affairs and public policy continue to be very valuable to the Board, the Environment, Social and Governance Committee which Dr Watt chairs, and the other Committees of which Dr Watt is a member. The Board therefore supports Dr Watt's re-election.

Directors' recommendation

The Directors, with Dr Ian Watt abstaining, unanimously recommend that Shareholders vote in favour of Resolution 3.

Resolution 4 – Approval of issue of securities under the Loan Funded Share Plan

Background

Resolution 4 seeks Shareholder approval for the issue of securities under the Smartgroup Corporation Ltd Loan Funded Share Plan (**Plan**) pursuant to paragraph (b) of Exception 13 in Listing Rule 7.2. If that approval is given, securities issued under the Plan during the three-year period following the passing of Resolution 4 will be treated as having been issued under an exception to Listing Rule 7.1.

Overview of Plan

The Plan was adopted by the Company on 17 February 2015. The Plan is an employee incentive scheme under which Shares may be acquired by selected employees of the Company using a loan made to them by the Company. The loans are subject to limited recourse and are interest-free. The Plan creates a mechanism through which the Company may make securities in the Company available to employees as an incentive or reward for achieving certain performance objectives, assisting the Company to enhance its retention of employees and attract new employees.

On 23 April 2015, the shareholders of the Company at the relevant time approved the terms of the Plan for the purposes of sections 257B, 259B and 260C of the Corporations Act and for all other purposes. This approval covered ancillary aspects of the Plan, such as buy-backs of Shares under the Plan, the Company taking security over Shares issued under the Plan and the Company providing financial assistance to participants in the Plan in the form of the loans to acquire Shares. Shareholders also approved, for the purposes of sections 200B and 200E of the Corporations Act, and for all other purposes, the Company providing a 'benefit' under the Plan in connection with a person ceasing to hold a managerial or executive office in the Company. There has been no change to any material terms of the Plan since the date those approvals were given, and accordingly, those approvals continue to apply to the Plan.

ASX Listing Rules 7.1 and 7.2

Listing Rule 7.1 prohibits a listed entity from issuing or agreeing to issue equity securities if the number to be issued, when aggregated with all other equity securities the entity issued or agreed to issue in the previous 12 months, exceeds 15% of the number of fully paid ordinary shares that were on issue 12 months before the date of issue or agreement to issue the new equity securities. Shares issued under the Plan are considered equity securities for the purposes of Listing Rule 7.1.

Listing Rule 7.2 provides a number of exceptions to Listing Rule 7.1. In particular, paragraph (b) of Exception 13 in Listing Rule 7.2 provides that Listing Rule 7.1 does not apply to equity securities issued by the listed entity under an employee incentive scheme if within 3 years before the date of issue of those securities shareholders have approved the issue of securities under the employee incentive scheme as an exception to Listing Rule 7.1.

The issue of securities under the Plan was last approved by Shareholders at the annual general meeting held on 12 May 2021 and, by the date of the AGM, more than 3 years will have elapsed since that previous approval. Accordingly, for Exception 13 in Listing Rule 7.2 to apply to Shares which are to be issued under the Plan after the AGM, a further Shareholder approval is required.

There has been no change to the number or terms of the securities to be issued, the mechanism for pricing or payment or any other material terms of the Plan since the last approval given at the annual general meeting held on 12 May 2021.

Rationale for the Plan

The Board believes that the Plan:

- encourages participants to focus on creating value for shareholders;
- links reward with the achievement of long-term performance in the Company;
- encourages participants to remain with the Company by providing them with the opportunity to hold a financial stake in the Company; and
- assists in the Company attracting high calibre employees.

Summary of terms of the Plan

A summary of the terms of the Plan is set out in Appendix A to these Explanatory Notes.

Issues under the Plan since last approval under Listing Rule 7.2

Since the last approval by Shareholders of issues of securities under the Plan at the annual general meeting held on 12 May 2021, the following Shares have been issued under the Plan:

Issue date	Number of Shares
14 May 2021	561,152
10 March 2022	630,705
13 May 2022	599,177
10 March 2023	983,304
19 July 2023	936,679
Total	3,711,017

Maximum number of equity securities proposed to be issued under the Plan

If Shareholders pass Resolution 4, the maximum number of equity securities proposed to be issued under the Plan following that approval (and prior to any further approval by Shareholders) is 6,656,109, being 5% of the total number of ordinary Shares on issue as at the date of this Notice of Meeting.

The maximum number of equity securities is not intended to be a prediction of the actual number of equity securities to be issued under the Plan, but is specified for the purposes of setting a ceiling on the number of equity securities approved to be issued under and for the purposes of Exception 13 in ASX Listing Rule 7.2.

Effect of approval

If Shareholders pass Resolution 4, any issue of securities under the Plan during the three-year period after the AGM will be treated as having been issued under Exception 13 in Listing Rule 7.2 and therefore will not count towards the Company's 15% limit on issuing equity securities without shareholder approval under ASX Listing Rule 7.1. However, securities will only be treated as having been issued under Exception 13 to the extent that:

- the number of equity securities issued under the Plan does not exceed the maximum number of securities proposed to be issued as set out above; and
- there is no material change to the terms of the Plan.

If Shareholders do not pass Resolution 4, securities issued under the Plan will be counted towards the Company's 15% limit on issuing equity securities without shareholder approval under ASX Listing Rule 7.1, effectively decreasing the number of other equity securities the Company can issue without shareholder approval over the 12-month period following each issue of securities.

Issues of securities under the Plan to Directors and their associates will still require separate approval under ASX Listing Rule 10.14 whether or not Shareholders pass Resolution 4.

Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 4.

Resolution 5 – Issue of Shares to Mr Scott Wharton under the Loan Funded Share Plan

Background

Resolution 5 seeks Shareholder approval pursuant to ASX Listing Rule 10.14 for the issue of Shares to Mr Scott Wharton, the Company's Managing Director and Chief Executive Officer, under the Loan Funded Share Plan as described in this Notice.

ASX Listing Rule 10.14

Listing Rules 10.14.1 and 10.14.2 provide that an entity must not permit a director of the entity, or an associate of a director of the entity, to acquire equity securities under an employee incentive scheme without the approval of Shareholders.

The Loan Funded Share Plan is an employee incentive scheme for the purposes of the ASX Listing Rules. As Mr Wharton is a Director, Shareholder approval is required under Listing Rule 10.14 for Mr Wharton to acquire those Shares.

In accordance with Listing Rule 10.15.9, a summary of the material terms of the Loan Funded Share Plan is attached as Appendix A.

Details of Shares to be issued and loan to be made to Mr Wharton under the Loan Funded Share Plan

If Shareholders pass Resolution 5 then:

- Mr Wharton will be issued 632,433 Shares under the Loan Funded Share Plan (the **LFSP Shares**);

- the Board has resolved to issue the LFSP Shares to Mr Wharton within 2 business days after the AGM;
- the issue price of each LFSP Share to be issued to Mr Wharton will be equal to the 20-day volume weighted average price of Shares traded on ASX up to and including the date of the AGM (**Issue Price**); and
- in accordance with the terms of the Loan Funded Share Plan, the Company will loan to Mr Wharton an amount equal to 632,433 multiplied by the Issue Price to fund the acquisition of the LFSP Shares.

A summary of the material terms of the loan to be made to Mr Wharton is set out below.

Other terms on which the LFSP Shares will be issued to Mr Wharton

The LFSP Shares vest over three years subject to the satisfaction of the LFSP Share Vesting Conditions, which are set out in more detail below, under the headings “EPS performance hurdle”, “TSR performance hurdle” and “Continuous employment condition”. Once vested, the LFSP Shares remain restricted until Mr Wharton repays the loan. Mr Wharton may repay the loan at any time after the LFSP Shares have vested up until the end of year five (when the loan becomes repayable).

The Board believes that an equity-based long-term incentive plan is important to ensure an appropriate part of the executive’s reward is linked to generating long-term returns for Shareholders. In addition, the Board considers the LFSP Share Vesting Conditions for the proposed issue of LFSP Shares to Mr Wharton to be appropriate.

If the LFSP Share Vesting Conditions are not satisfied, or if the Board determines that they cannot be satisfied, Mr Wharton will forfeit his unvested LFSP Shares unless the Board exercises its discretion to permit those LFSP Shares to vest in accordance with the terms of the Loan Funded Share Plan. Under the terms of the Loan Funded Share Plan, Shares that are forfeited are then bought back by the Company at a price per Share equal to the amount per Share then outstanding on any Loan provided by the Company to acquire the Shares.

EPS performance hurdle

The Earnings Per Share (**EPS**) performance hurdle applies to 75% of the total number of LFSP Shares that may vest at the end of the LFSP Share Vesting Period.

In determining underlying net profit after tax, significant or exceptional non-repeating items that are not relevant to the long-term performance of the Company (including, for example, acquisition or defence advisory related costs) will be excluded at the discretion of the Board.

The following method is used to calculate the EPS performance hurdle. It is based on the achievement of target Compound Annual Growth Rate (**CAGR**) in EPS over a 3-year period ending on 31 December 2026, measured on the Company’s underlying net profit after tax, adjusted to exclude the non-cash tax-effected amortisation of intangibles (**NPATA**). Based on the 2023 NPATA of \$63.2 million, EPS for 2023 is \$0.476.

EPS PERFORMANCE HURDLE				
<i>Applies to a maximum of 75% of the total number of LFSP Shares</i>				
Measure	LFSP Share Vesting Period	EPS CAGR	EPS Target	LFSP Shares subject to vesting (expressed as percentage of 75% of the total number of LFSP Shares)
EPS CAGR	3 calendar years ending 31 December 2026*	Below 4.0%		Nil
		4.0%	\$0.535	50%
		Between 4.0% and 8.0%		Straight line from 50% to 100%
		8.0% or more	\$0.599	100% (capped)

**Or such other date on which the Board makes a determination as to whether the LFSP Vesting Conditions have been met.*

TSR performance hurdle

The Total Shareholder Return (**TSR**) performance hurdle applies to 25% of the total number of LFSP Shares that may vest at the end of the LFSP Share Vesting Period.

TSR measures the growth in the price of shares plus cash distributions notionally reinvested in shares. The TSR performance hurdle is based on the TSR ranking of the Company as determined over the LFSP Share Vesting Period compared to the TSR of other companies in the S&P/ASX 200 Index.

The Company and each of the other companies in the S&P/ASX 200 Index will be ranked from highest to lowest based on their TSR over the LFSP Share Vesting Period. For the purpose of calculating the TSR measurement, the relevant share prices will be determined by reference to the volume weighted average share price over the 20 trading days up to and including 1 January 2024 (the start date of the LFSP Share Vesting Period) and 20 trading days up to and including 31 December 2026 (the end date of the LFSP Share Vesting Period).

TSR PERFORMANCE HURDLE

Measure	LFSP Share Vesting Period	Smartgroup TSR performance compared to Index	LFSP Shares subject to vesting (expressed as percentage of 25% of the total number of LFSP Shares)
Relative TSR (ranking)	3 calendar years ending 31 December 2026*	0 to 49 th percentile	Nil
		50 th percentile	50%
		51 st to 74 th percentile	Straight line between 50% and 100%
		75 th to 100 th percentile	100%

**Or such other date on which the Board makes a determination as to whether the LFSP Vesting Conditions have been met.*

Continuous employment condition

Mr Wharton must be continuously employed by the Company until the end of LFSP Share Vesting Period (or until the end of the period ending on such other date that the Board makes a determination as to whether the LFSP Vesting Conditions have been met).

Forfeiture conditions

In addition to the LFSP Share Vesting Conditions, the LFSP Shares are also subject to the LFSP Share Forfeiture Conditions. In summary, a holder of Shares issued under the Loan Funded Share Plan (including the LFSP Shares) will forfeit them if the holder does not satisfy the relevant vesting conditions or if they cease employment with the Company and are deemed to be a Bad Leaver. The Board has discretion to determine that some or all of the LFSP Shares may vest in appropriate circumstances. The LFSP Shares are restricted until the end of the LFSP Share Vesting Period and until the loan has been repaid.

Grant value

Mr Wharton's long-term incentive (**LTI**) opportunity is \$1,170,000, representing 130% of his current fixed annual remuneration, which is \$900,000, inclusive of superannuation. The number of LFSP Shares to be granted to Mr Wharton, representing his total LTI opportunity, has been determined by dividing the LTI grant value by \$1.85, being the fair value of an LFSP Share as determined by the Board on 20 March 2024, the date on which 2024 grant allocations were finalised for all executive participants under the Loan Funded Share Plan.

Material terms of loan to be made to Mr Wharton

The Loan Funded Share Plan provides a five year limited recourse, interest-free and fee-free loan from the Company for the sole purpose of acquiring the LFSP Shares. Once vested, the LFSP Shares remain restricted until Mr Wharton repays the loan. Mr Wharton may repay the loan at any time after the LFSP Shares have vested up until the end of year five (when the loan becomes repayable).

Any dividend paid on the LFSP Shares while the LFSP Shares are restricted is applied (on an after-tax basis) towards repaying the outstanding loan. The balance of the dividend (if any) will be paid directly to the Shareholder (in this case Mr Wharton) to fund his tax liability on the dividends received.

Following the satisfaction of the LFSP Vesting Conditions, Mr Wharton can dispose of the LFSP Shares on repayment of any outstanding loan balance.

As the loan is a limited-recourse loan, if the value of the LFSP Shares is less than the outstanding loan balance at the end of the loan period, the Company will only have recourse to the cash proceeds received by Mr Wharton from a disposal of the LFSP Shares issued to him and the after-tax amount in respect of a cash dividend or a capital distribution received by the borrower in respect of those Shares in accordance with the Loan Funded Share Plan.

Other information required under ASX Listing Rule 10.15

In addition to the information set out above and elsewhere in this document, the following information is provided to Shareholders for the purposes of Listing Rule 10.15.

Total remuneration package

Mr Wharton's total remuneration package from the Commencement Date comprises:

- a fixed salary of \$900,000 per annum inclusive of superannuation;

- participation in the Company's short term incentive arrangements with a maximum full year payment of an amount representing 65% of his then current annual fixed remuneration, inclusive of superannuation, with up to 50% of each year's payment under the short term incentive arrangements payable in cash and up to 50% in the form of Performance Rights to be issued under the Short Term Incentive Plan, subject to Shareholder approval; and
- long term incentives to be granted under the Loan Funded Share Plan at the discretion of the Board, subject to Shareholder approval and subject to the achievement of the performance hurdles set by the Board in relation to any such grant.

In respect of the 2024 financial year, the maximum full year short term incentive payment would be \$585,000, of which \$292,500 would be payable in cash, and \$292,500 would be payable in the form of Performance Rights, subject to Shareholder approval.

Shares previously issued to Mr Wharton under the Loan Funded Share Plan

The following Shares have previously been issued to Mr Wharton under the Loan Funded Share Plan:

19 July 2023	936,679	\$6.9238 per share

Publication of details of Shares issued under the Loan Funded Share Plan

Details of any Shares issued to Mr Wharton under the Loan Funded Share Plan will be published in the Company's annual report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.

Other persons covered by ASX Listing Rule 10.14

Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Loan Funded Share Plan after Resolution 5 is passed and who were not named in this Notice of Meeting will not participate until approval is obtained under that Listing Rule.

Non-executive Directors are excluded from the operation of the Loan Funded Share Plan. Therefore, as at the date of this Notice of Meeting, Mr Wharton is the only Director entitled to participate in the Loan Funded Share Plan.

Other considerations

ASX Listing Rules 7.1 and 10.11

Listing Rule 7.1 prohibits a listed entity from issuing or agreeing to issue equity securities if the number to be issued, when aggregated with all other equity securities the entity issued or agreed to issue in the previous 12 months, exceeds 15% of the number of fully paid ordinary shares that were on issue 12 months before the date of issue or agreement to issue the new equity securities. However, Listing Rule 7.2 sets out a number of exceptions to Listing Rule 7.1. Exception 14 in Listing Rule 7.2 provides that, if an issue of shares is made with the approval of the holders of the entity's ordinary securities under Listing Rule 10.14 then approval is not required under Listing Rule 7.1.

Listing Rule 10.11 provides that, without the approval of the holders of ordinary securities, an entity must not issue or agree to issue equity securities to, among others, a related party of the entity. However, Listing Rule 10.12 sets out a number of exceptions to Listing Rule 10.11. Exception 8 in

Listing Rule 10.12 provides an exception for an issue of equity securities made with the approval of the holders of the entity's ordinary securities under Listing Rule 10.14.

Outcome of Resolution 5

Shareholder approval is sought under Listing Rule 10.14 for Resolution 5. If Resolution 5 is passed, the issue of the LFSP Shares to Mr Wharton will fall under an exception to, and is not included in the calculation of, the Company's 15% annual placement capacity pursuant to Listing Rule 7.1, and a separate approval for the purposes of Listing Rule 10.11 will not be required. If Resolution 5 is not passed, the Company will not be able to issue the LFSP Shares to Mr Wharton as currently proposed and will need to use another method of adequately remunerating him for his services to the Company.

Corporations Act – treatment of remuneration matters

Pursuant to Chapter 2E of the Corporations Act, a public company cannot give a financial benefit to a related party unless one of the exceptions to the relevant provisions in Chapter 2E of the Corporations Act apply or shareholders have in a general meeting approved the giving of that financial benefit to the related party.

Section 211 of the Corporations Act provides an exception to the provisions of Chapter 2E of the Corporations Act where the financial benefit is given to the related party as an officer or employee of the company and to give the remuneration would be reasonable given the circumstances of the company and the related party's circumstances (including the responsibilities involved in the office or employment).

The Company considers the proposed issue of the LFSP Shares to Mr Wharton to be reasonable remuneration for a company of the size and nature of the Company and, as such, falls within the exception set out in section 211 of the Corporations Act.

Directors' interest in the outcome of this Resolution

No Director other than Mr Wharton has an interest in the outcome of Resolution 5.

Directors' recommendation

The Directors, with Mr Wharton abstaining, unanimously recommend that Shareholders vote in favour of Resolution 5.

Resolution 6 – Issue of Performance Rights to Mr Scott Wharton under the Short Term Incentive Plan

Background

Resolution 6 seeks Shareholder approval pursuant to ASX Listing Rule 10.14 for the issue of Performance Rights to Mr Scott Wharton, the Company's Managing Director and Chief Executive Officer, under the Short Term Incentive Plan as described in this Notice.

ASX Listing Rule 10.14

Listing Rules 10.14.1 and 10.14.2 provide that an entity must not permit a director of the entity, or an associate of a director of the entity, to acquire equity securities under an employee incentive scheme without the approval of Shareholders.

The Short Term Incentive Plan is an employee incentive scheme for the purposes of the ASX Listing Rules. Mr Wharton is a Director and, accordingly, Shareholder approval is required under Listing Rule 10.14 for Mr Wharton to acquire those Performance Rights.

In accordance with Listing Rule 10.15.9, a summary of the material terms of the Short Term Incentive Plan is attached as Appendix B.

Details of Performance Rights to be issued to Mr Wharton under the Short Term Incentive Plan

If Shareholders pass Resolution 6 then:

- Mr Wharton will be issued a total of 29,176 Performance Rights under the Short Term Incentive Plan (the **STIP Performance Rights**);
- the Board has resolved to issue the STIP Performance Rights to Mr Wharton within 2 business days after the AGM; and
- no monetary consideration is payable by Mr Wharton on issue or vesting of any STIP Performance Rights.

Under the Short Term Incentive Plan, each Performance Right confers on the holder an entitlement to acquire by way of issue or transfer or both (as determined by the Board in its sole and absolute discretion) one Share subject to the satisfaction of any vesting conditions, performance hurdles and exercise conditions, with no exercise or strike price payable by the holder. A summary of the material terms of the STIP Performance Rights is set out below and in Appendix B.

Other terms on which the STIP Performance Rights will be issued to Mr Wharton

The STIP Performance Rights will be subject to performance hurdles relating to the annual KPIs for Mr Wharton set by the Board as part of his short term incentive arrangements. The achievement of these performance hurdles will be assessed by the Board at the end of the year. The details of the KPIs and the assessed achievement of each will then be reported in the Company's Remuneration Report. No other performance hurdles or exercise conditions apply to the Performance Rights.

Grant value of the STIP Performance Rights

The Board determined that Mr Wharton should be issued Performance Rights having a value of \$292,500. The number of Performance Rights to be issued to Mr Wharton was determined by calculating the 10 day volume weighted average market price (as that term is defined in the Listing Rules) of Shares over the 10 Trading Day period commencing on 22 February 2024 (being the Trading Day immediately after the date on which the Company released its 2023 full year results to ASX) and then dividing \$292,500 by this VWAP number.

Other information required under ASX Listing Rule 10.15

In addition to the information set out above and elsewhere in this document, the following information is provided to Shareholders for the purposes of Listing Rule 10.15.

Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Short Term Incentive Plan after Resolution 6 is passed and who were not named in this Notice of Meeting will not participate until approval is obtained under that Listing Rule.

Other considerations

Outcome of Resolution 6

Shareholder approval is sought under Listing Rule 10.14 for this Resolution 6. If Resolution 6 is passed, the issue of the STIP Performance Rights to Mr Wharton will fall under an exception to, and is not included in the calculation of, the Company's 15% annual placement capacity pursuant to Listing Rule 7.1, and a separate approval for the purposes of Listing Rule 10.11 will not be required.¹ If Resolution 6 is not passed, the Company will not be able to issue the STIP Performance Rights to Mr Wharton as currently proposed and will need to use another method of adequately remunerating him for his services to the Company.

Corporations Act – treatment of remuneration matters

The Company considers the proposed issue of the Performance Rights to Mr Wharton to be reasonable remuneration for a company of the size and nature of the Company and, as such, falls within the exception set out in section 211 of the Corporations Act.²

Directors' interest in the outcome of this Resolution

All Directors are entitled to participate in the Short Term Incentive Plan and therefore all Directors have, or may have, an interest in the outcome of this Resolution.

Directors' recommendation

As all Directors have, or may have, an interest in the outcome of this Resolution, the Directors abstain from making a recommendation in relation to this Resolution.

Resolution 7 – Appointment of KPMG as Auditor of the Company

Resolution 7 will only be put to a vote at the AGM if the Company has received confirmation before the start of the AGM that the Australian Securities and Investments Commission (**ASIC**) has given its consent to the resignation of PricewaterhouseCoopers as the Company's Auditor.

PricewaterhouseCoopers has been the Company's auditor at all times since the Company's listing on ASX in 2014. Following a competitive tender process conducted during 2023, the Board has selected KPMG to be appointed as the Company's new Auditor. KPMG has consented to this appointment, subject to ASIC's providing its consent for PricewaterhouseCoopers to resign as auditor.

Under the Corporations Act, ASIC's consent is required for PricewaterhouseCoopers to resign as auditor. PricewaterhouseCoopers has sought that consent from ASIC. If ASIC's consent is received

¹ Further information in relation to Listing Rules 7.1 and 10.11 is set out elsewhere in this document.

² Further information in relation to section 211 of the Corporations Act is set out elsewhere in this document.

before the start of the AGM, PricewaterhouseCoopers will resign as auditor with effect from the close of the AGM and, if Shareholders pass Resolution 7, the appointment of KPMG as Auditor will take effect at the close of the AGM.

If ASIC consent is received before the start of the AGM, but Shareholders do not pass Resolution 7, the office of Auditor will fall vacant at the AGM and the Board will be required to appoint an Auditor to hold office until the 2025 annual general meeting.

If ASIC's consent has not been received before the start of the AGM, PricewaterhouseCoopers will continue to hold office as the Company's auditor until such time as that consent is received. In that event, the Board has determined to appoint KPMG as Auditor with effect from the time that the ASIC's consent is received, and a resolution to re-appoint KPMG will then be proposed at the 2025 annual general meeting.

Section 328B(1) of the Corporations Act requires that written notice of nomination of an auditor proposed to be appointed at a company's annual general meeting be received from a Shareholder of the Company. The Company has received notice from Mr Anthony Dijanosic, who is a Shareholder of the Company, nominating KPMG as Auditor of the Company. A copy of that notice is attached at Appendix C to this Notice of Meeting.

Directors' recommendation

The Directors recommend that Shareholders vote in favour of this Resolution.

Appendix A – Summary of terms of the Loan Funded Share Plan

Eligibility

Full-time and part-time employees and executives of the Company or any of its subsidiaries (**Participants**), who are selected by the Board, will be eligible to participate in the Smartgroup Limited Loan Funded Share Plan (**Plan**). For the avoidance of doubt this does not extend to associates.

Invitation

Participants may acquire a specified number of Shares which are subject to restrictions to be determined by the Board. An invitation may only be made if approved by the Board. It must be in writing and must be made in accordance with the Plan rules. Offers of Shares under the Plan are economically equivalent to an award of options.

Transaction costs

The Company may, but is not required to, bear all brokerage, commission or other transaction costs payable by a Participant in relation to acquisition of Shares under the Plan.

Conditions

The Board may determine that Shares to be granted to Participants will be subject to:

- Vesting Conditions; and
- Forfeiture Conditions,

which must be detailed in the invitations made to Participants.

The nature and content of the Vesting Conditions are determined by the Board and may include conditions relating to any or all of:

- continuing employment;
- performance of the Participant;
- performance of the Company; or
- the occurrence of specific events.

Unless determined otherwise by the Board, while Shares are held by a Participant under the Plan, they are subject to forfeiture if any of the following Forfeiture Conditions are satisfied:

- if the Participant breaches any term of the loan agreement between the Participant and the Company;
- if the Participant ceases employment, but only in certain circumstances set out in the rules of the Plan; or
- if, in the opinion of the Board, any of the Vesting Conditions have not been or cannot be satisfied for any reason.

If the applicable Vesting Conditions are satisfied, the Participant will be permitted to retain those Shares which have vested provided they repay the loan owing on those Shares. The Board may waive any or all of the Forfeiture Conditions.

On cessation of employment, the Board will have absolute discretion to determine whether the Participant is a Bad Leaver, a Good Leaver or Leaver. Together with the Vesting Conditions and

Forfeiture Conditions, each of these classifications will have differing implications on whether, for example, a Participant retains any unvested Plan Shares or vested Plan Shares and the terms of the Loan which applies to the Plan Shares.

Loan terms

Participants will be invited to acquire Shares using loan funds under the loan agreement with the Company (**Loan**).

The Board may determine the value of the Loan that will be provided to Participant to facilitate the acquisition of the Plan Shares, or the means by which that value will be calculated and shall state the value or means of calculation of the Loan value in the invitation from the Board.

A Participant who accepts a Loan irrevocably authorises the Company to apply the Loan funds on behalf of the Participant in payment of the total cost of the Plan Shares to be acquired.

The Loan must always be repaid if the Participant wishes to benefit from the Shares. Participants only benefit from growth in the Company's share price.

The Loans to be made under the Plan will be:

- limited recourse in nature, meaning that if the market value of the Shares is less than the loan value at the end of the term of the Loan, the Participant cannot be forced to repay the remaining Loan balance out of their own funds;
- interest-free and fee free; and
- repayable in full on the earlier of the termination date of the Loan (5 years from the date it is made) and the date on which the Shares are sold in accordance with the terms of the rules of the Plan.

If the Vesting Conditions are not met, or Shares do not vest for any other reason, the Shares may be bought-back by the Company and the proceeds used to repay the Loan, such that the Participant receives no gain from the Plan.

Dividends and voting rights

A Participant is entitled to any rights which accrue (including voting rights and dividends) to Plan Shares held by the Participant and may deal with those rights in accordance with the terms of the Plan rules and the invitation from the Board in relation to those Plan Shares.

If the Company pays dividends or make capital distributions, the after-tax value of any dividends paid or distributions made to a Participant will be applied to repay the Loan. The balance (that is, the estimated value of the tax payable by the Participant on the dividend or distribution) is paid to the Participant to allow them to fund their tax liability on the dividend or distribution.

Transferability and dealings

A Participant must not sell, transfer, encumber or otherwise deal with a Plan Shares unless otherwise permitted under the Plan or determined by the Board.

At the end of the vesting period and subject to continuous employment, Participants can dispose of their Shares on repayment of any outstanding Loan balance.

Capital reconstruction

In the event of a capital reconstruction, subject to any provisions in the Listing Rules, the Board may adjust the number of Plan Shares held by a Participant.

The Board may determine that Plan Shares held by a Participant may be bought-back (in accordance with the requirements of the Constitution and the Corporations Act) in certain circumstances.

Administration and Board discretion

The Board administers the Plan, and it may delegate some or all of its powers and functions under the Plan to a person or to a committee of two or more persons.

The Board may add to, repeal, amend, alter or vary any or all of the provisions of the Plan rules (including with retrospective effect) in writing in any respect whatsoever, including the rights or obligations of the Participant, provided that no addition, repeal, amendment, alteration or variation of the Plan terms will:

- without the Participant's consent in writing, materially reduce the Participant's accrued benefits or entitlements as they existed before the date of the amendment;
- without the Participant's consent in writing, impose additional obligations on the Participant in respect of his or her Plan Shares;
- repeal, amend, alter or vary these protections,

unless the addition, repeal, amendment, alteration or variation is introduced primarily:

- for the purpose of complying with or conforming to present or future laws or regulating the maintenance or operation of the Plan or like plans, including any relevant tax legislation;
- to correct any manifest error or mistake; or
- to enable the Plan or the Company to comply with the Corporations Act, the Listing Rules or its Constitution.

Appendix B – Summary of terms of the Short Term Incentive Plan

Overview of the Short Term Incentive Plan

Under the Short Term Incentive Plan, the Board may offer eligible participants awards (**Awards**) comprising:

- Options, being options to acquire Shares, subject to the satisfaction of any vesting conditions, performance hurdles and exercise conditions and payment of the relevant exercise price (if any) (**Options**);
- Performance Rights, being rights to acquire Shares, subject to the satisfaction of any vesting conditions, performance hurdles and exercise conditions, with no exercise or strike price payable (**Performance Rights**); and
- Share Appreciation Rights being, in relation to a Share, a right to receive a future payment equal to the positive difference between the initial market value of the Share and the subsequent market value of the Share, where such amount may be settled in cash or Shares (**Share Appreciation Rights**).

Eligibility and grant

The Board may, from time to time, in its sole and absolute discretion determine that an Eligible Employee may participate in the Short Term Incentive Plan. Under the terms of the Short Term Incentive Plan, an Eligible Employee means:

- any Director or any full-time or part-time employee of the Company or any of its subsidiaries who is determined by the Board in its sole and absolute discretion to be eligible to receive grants of Awards under the Short Term Incentive Plan; or
- any other person who is determined by the Board in its sole and absolute discretion to be eligible to receive grants of Awards under the Short Term Incentive Plan.

Unless the Board otherwise determines in its sole and absolute discretion, the number of Awards which may be granted under the Short Term Incentive Plan which upon exercise may vest Plan Shares (as defined below) must not, when aggregated with offers under employee incentive schemes made over the previous three years in reliance on the former ASIC class order relief or similar individual relief, exceed five percent (5%) of the total issued capital of the Company at the time of the grant of any particular Award.

If a recipient of an Award under the Short Term Incentive Plan (**Participant**) is a Director (or is, in general terms, an associated entity of a Director) then, except where the grant of the Award has been approved by Shareholders under ASX Listing Rule 10.11 or 10.14, any Plan Shares (as defined below) to be acquired by the Participant following the exercise or vesting and automatic exercise of the Award must be Shares that have been purchased on-market.

Terms of the Awards

The terms and conditions of Awards offered or granted under the Short Term Incentive Plan will be determined by the Board, in its sole and absolute discretion. In this context, the Board may determine, among other things:

- the number of Awards;
- the grant date, issue price, term, expiry date, vesting conditions, performance hurdles and exercise conditions in respect of any Award;

- the exercise price in respect of an Option;
- the Initial Market Value in respect of a Share Appreciation Right;
- the exercise period in respect of Option and Share Appreciation Right; and
- the applicable disposal restrictions attaching to Awards or Plan Shares, being any Shares held by a participant: (a) in respect of which the participant exercised an Option; (b) upon automatic exercise of a Performance Right; or (c) as a result of the exercise of a Share Appreciation Right (**Plan Shares**).

Prior to making an invitation to an Eligible Employee to apply for a grant of an Award, the Board will determine, and specify in the relevant invitation letter, any vesting conditions, performance hurdles and exercise conditions attaching to the relevant Award.

For the avoidance of doubt, Awards will only vest if any applicable vesting conditions and/or performance hurdles have been satisfied, waived by the Board, or are deemed to have been satisfied. Any Awards that have vested will only be exercisable when any applicable exercise conditions have been satisfied, waived by the Board, or are deemed to have been satisfied.

Participant rights

Unless determined otherwise by the Board in its sole and absolute discretion, Awards will not be quoted on the ASX or any other financial market. A Participant who holds Awards is not entitled to:

- notice of, or to vote or attend at, a meeting of the Shareholders; or
- receive any dividends declared by the Company,

unless and until:

- any Options or Performance Rights held by the Participant are exercised or vest and the Participant holds Plan Shares; or
- any Share Appreciation Rights are exercised, and then only if the Share Appreciation Rights are equity settled and the Participant holds Plan Shares.

Any Plan Shares allotted and issued, or caused to be transferred, by the Company to a Participant will rank equally with all existing Shares on and from the date of issue or transfer.

No transfer of Awards (or Plan Shares)

Other than in certain very limited circumstances, Awards may not be assigned, transferred, encumbered or otherwise disposed of by a Participant, unless:

- the prior consent of the Board is obtained; or
- such assignment or transfer occurs by force of law upon the death of a Participant to the Participant's legal personal representative.

Subject to any contrary determination by the Board, Plan Shares may not be transferred, encumbered or otherwise disposed of by a Participant unless all restrictions on the transfer, encumbrance or disposal of the Plan Shares have been met, the Board has waived any such restrictions, or the prior consent of the Board is obtained. The Company may do everything necessary to enforce any transfer restrictions in respect of Plan Shares, including imposing an ASX holding lock on the Plan Shares or using an employee share trust to hold the Plan Shares during the relevant restriction period.

Ceasing employment/ceasing to hold office

Where a Participant ceases his or her employment or to hold office (as applicable) and is a Good Leaver or a Leaver, all vested Awards that have not been exercised will continue in force and remain exercisable (subject to their conditions) until their expiry date, unless the Board determines otherwise; and any unvested Awards will vest where, in the Board's sole and absolute discretion, any vesting conditions and performance hurdles applicable to those Awards have been satisfied, with that vesting to be on a pro rata basis over the relevant period, unless the Board determines otherwise.

Where a Participant ceases his or her employment or to hold office (as applicable) and is a Bad Leaver (e.g. he or she has engaged in grave misconduct, committed a serious or persistent breach of his or her employment agreement etc.), all vested Awards that have not been exercised will continue in force and remain exercisable (subject to their conditions), until their expiry date, unless the Board determines otherwise; and all unvested Awards will automatically be forfeited by the Participant for the payment by the Company to the Participant of nominal consideration, unless the Board determines otherwise.

Fraudulent or dishonest actions

Where, in the opinion of the Board, a Participant:

- acts fraudulently or dishonestly; or
- wilfully breaches his or her duties to the Company or any of its subsidiaries,

then the Board may deem all unvested Awards of the Participant to have lapsed.

Change of Control Event

On the occurrence of a Change of Control Event (e.g. a person makes an offer for Shares under a takeover bid and the person has voting power in the Company exceeding 50%) the Board will determine, in its sole and absolute discretion, the manner in which all unvested and vested Awards will be dealt with.

Buy-back

The Company may buy back Awards or Plan Shares in accordance with the Short Term Incentive Plan.

Administration and Board discretion

The Board administers the Short Term Incentive Plan, and it may delegate some or all of its powers and functions under the Short Term Incentive Plan to a person or to a committee of the Board.

The Board may amend the Short Term Incentive Plan and the terms on which any Award has been granted (including with retrospective effect), provided that, if the amendment materially reduces the rights of any Participant in respect of Awards granted to them prior to the date of the amendment, then, no such amendment may be made without the consent of a Participant, other than in certain limited circumstances, including, where the amendment is introduced primarily:

- for the purpose of complying with or conforming to present or future legislation governing or regulating the Short Term Incentive Plan or like plans; or
- to correct any manifest error or mistake.

If you do not mark any of the boxes on the item, your proxy may vote as he or she chooses subject to any voting restrictions that apply to the proxy. If you mark more than one box on a item your vote on that item will be invalid.
