6. RESOLUTION 1 – REMUNERATION REPORT

In accordance with section 250R(2) of the Corporations Act, the Company must put the adoption of the Remuneration Report to the vote of Shareholders. The Directors' Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors of the Company. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

However, if the Remuneration Report receives a 'no' vote of 25% or more ("**Strike**") at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board (except a managing director). Where a Resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a Resolution on whether another meeting should be held (within 90 days) at which all Directors (other than a managing director) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company's Remuneration Report for the year ended 31 December 2022 received a Strike at the 2023 Annual General Meeting. As a result, should the Remuneration Report receive a Strike at this Meeting, Resolution 9 will be put to this meeting and this may result in the re-election of the Board. See below explanatory information for Resolution 9 in relation to the conditional Board Spill Meeting Resolution.

In 2023, the Company prioritised commercial strategy execution, accelerated product development, and built a strong pipeline of commercial agreements. To support these initiatives, the Board implemented a dynamic remuneration strategy that reflects the Company's current stage of development.

To enhance and strengthen alignment between Non-Executive Director (**NED**) compensation and shareholder interests, the Company conducted a thorough review of its remuneration practices.

As a result, the Board has:

- (a) implemented a set of clear criteria against which NEDs are held accountable on an annual basis, as reflected in the updated NED Remuneration Policy;
- (b) introduced a minimum shareholding requirement for NEDs to support long-term commitment, which each NED is required to meet within a 3-year period; and

- (c) consolidated and published an overview of the Company's Remuneration Policies to provide a holistic overview of the metrics and methodologies applied by the Board to determine appropriate remuneration and financial incentives for executives and employees of the Company.

As reported in the 2023 Annual Report, in light of the advances the Company has made on the technical and architectural development front and key executive appointments made by the Company in 2022 and 2023, Mr Sean Hehir as Chief Executive Officer of the Company and Mr Antonio J. Viana as Chairman, mutually determined that the business development consultancy services that Mr Viana had provided were no longer required. The consultancy agreement with Mr Viana was terminated by the Company effective 31 December 2023. Mr Viana has also resigned from both the Audit and Governance Committee and the Remuneration and Nominations Committee.

The Company fosters a performance-driven culture through incentive schemes for executives and employees beyond competitive base salaries. For most executives, these include short- and long-term programs with clear metrics aligned to Company, departmental and individual achievements, with Key Management Personnel reviewed according to the Board's assessment of performance in a rapidly evolving market. These short and long-term incentive schemes do not apply to NEDs.

Although it is not the only factor, remuneration plays a key part in determining the Company's ability to compete for human resources and retain executives, particularly in an intensely competitive global market and an industry sector where highly specialised expertise and experience are in high demand. In introducing changes, the Company continues its focus on designing competitive remuneration programmes commensurate with positions, responsibilities, and experience. The updated remuneration policies and practices, formally adopted by the Company, reflect, in the opinion of the Board of Directors, current global market and stakeholder expectations, being performance-based, transparent, globally benchmarked, and aligned with the interests of Shareholders. This dynamic approach ensures performance metrics reflect the Company's evolving strategic and operational priorities. As the Company grows and matures, these metrics will adapt to align with future strategic focus areas.

A voting exclusion statement for Resolution 1 is included in the Voting Exclusions.

7. RESOLUTION 2 – RE-ELECTION OF PIA TURCINOV AM AS DIRECTOR

In 2023, Ms Turcinov was appointed as a Member of the Order of Australia in the King's Birthday 2023 Honours List for her significant service to technology, innovation, and women in STEM.

General Information

Consistent with the accounting standards, the Company discloses the following information concerning the value of the Restricted Stock Units and Service Rights to be issued. A fair value for the Restricted Stock Units and Service Rights to be issued has been calculated using the share price on 26 March 2024 as a guide, noting that the actual fair value will be determined based upon the share price on the grant date. For grants of Restricted Stock Units and Service

Rights to Directors which are subject to Shareholder approval, the grant is valued based upon the share price on the date that shareholder approval is obtained. The Board believes this valuation model to be appropriate to the circumstances and has not used any other valuation or other models in proposing the terms of the Restricted Stock Units or Service Rights.

The Board draws Shareholders' attention to the fact the stated valuation does not constitute, and should **not** be taken as, audited financial information. The reportable value of the employee benefit expense in subsequent financial periods may vary due to a range of timing and other factors. In particular, the figures were calculated effective as at 26 March 2024.

13. RESOLUTION 8 – APPROVAL OF EQUITY PLAN

Background

The ASX Listing Rules generally restrict listed companies from issuing more than 15% of their issued share capital in any 12-month period without shareholder approval. However, an exception to this restriction is Listing Rule 7.2 (exception 13) which states that general Listing Rule requirements for shareholder approval will not apply to an issue under an employee incentive scheme if, within three years before the date of the issue, shareholders approve the issue of securities under the scheme as an exception to the rule.

If the Company's Equity Plan is approved by Shareholders, issues under the Company's Equity Plan (**Plan**) over the next three (3) years will fall under this ASX Listing Rule exception and will not affect the Company's ability to separately issue up to 15% of its total ordinary securities in any 12-month period (without having to obtain further Shareholder approval).

However, the exception does not apply to Directors and their associates, who are deemed related parties of the Company, and issues to such persons will require separate approval under Listing Rule 10.14.

The Plan is designed to:

- (a) assist in the reward, retention and motivation of eligible employees;
- (b) link the reward of eligible employees to Shareholder value creation; and
- (c) align the interests of eligible employees with Shareholders by providing an opportunity for eligible employees to earn rewards via an equity interest in the Company based on creating Shareholder value.

In accordance with ASX Listing Rule 7.2, exception 13, a summary of the key terms of the Plan is set out in Appendix A.

For the purposes of Listing Rule 7.2 exception 13:

- (a) 70,517,957 securities have been issued under the Plan since the Plan was last approved by Shareholders on 26 May 2021; and
- (b) it is proposed that up to 115,000,000 securities will be issued under the Plan subject to its approval at this Annual General Meeting.

If this Resolution is passed, the Company will be able to issue Equity Securities under the Equity Plan without affecting the Company's ability to issue securities under the Company's placement capacity without Shareholder approval. If Resolution 8 is not passed, any Securities issued under the Equity Plan would need to be issued under the Company's 15% placement capacity which effectively decreases the number of Equity Securities it can issue without obtaining Shareholder approval over the 12-month period following the issue date.

Directors' recommendation

The Board unanimously recommends that Shareholders vote in favour of this Resolution.

The Chairman intends to exercise all available proxies in favour of this Resolution.

A voting exclusion statement for this Resolution is included in the Voting Exclusions.

14. RESOLUTION 9 – CONDITONAL BOARD SPILL RESOLUTION

This Resolution (Spill Resolution) is a conditional resolution and will only be effective in the event that Shareholders at this Annual General Meeting cast at least 25% of the votes cast on Resolution 1 are cast against the adoption of the Remuneration Report.

The Corporations Act provides that, if at least 25% of the votes cast on the resolution to adopt the remuneration report at two consecutive annual general meetings are cast against the adoption of the resolution, shareholders must be given the opportunity to vote on a resolution in the form of this Resolution at the second meeting (the "two strikes" rule). As greater than 25% of the votes cast on adoption of the 2022 Remuneration Report at the Annual General Meeting held on 23 May 2023 were cast against the resolution this constitutes a first strike. This Spill Resolution will therefore only need to be put to Shareholders at this Annual General Meeting if there is a second strike i.e., if at least 25% of the votes cast on Resolution 1 are against the adoption of the Remuneration Report.

If this Resolution is put to the Shareholders, this Resolution will be considered as an ordinary resolution, which means that, to be passed, the resolution requires the approval of a simple majority of the votes cast by or on behalf of Shareholders entitled to vote on the matter.

If this Resolution is passed, the Company must hold a further general meeting (Spill Meeting) within 90 days of this Annual General Meeting, to consider the composition of the Board. If a Spill Meeting is required, the details of the Spill Meeting will be notified to Shareholders in due course.

If a Spill Meeting is held, immediately before the end of the Spill Meeting, each of the Directors who were in office when the Board approved the last Directors' Report and who remain in office at the time of the Spill Meeting will automatically cease to hold office, unless they are willing to stand for re-election and are re-elected at the Spill Meeting. This means that if a Spill Meeting is held, the following Directors will automatically cease to hold office as Directors of the Company immediately before the end of the Spill Meeting, unless they are willing to stand for re-election and are re-elected at that meeting:

- Mr Antonio J. Viana (Non-Executive Director and Chairman).
- Mr Geoffrey Carrick (Non-Executive Director);
- Ms Pia Turcinov AM (Non-Executive Director);
- Ms Duy-Loan Le (Non-Executive Director); and
- Mr Peter Van Der Made (Non-Executive Director).

Accordingly, even if Ms Turcinov and Mr Van Der Made are elected or re-elected at this year's Annual General Meeting, they will still be required to be re-elected at the Spill Meeting (if held) to remain in office after the Spill Meeting (if held).

Each of these Directors would be eligible to stand for re-election at the Spill Meeting, however there is no guarantee that they would do so. As Mr Sean Hehir is an Executive Director of the Company, he is excluded from the requirements under the Corporations Act to seek re-election at the Spill Meeting (if held) and will continue to hold office regardless of the outcome of this Resolution or the Spill Meeting (if held).

Directors' recommendation

As each of the above-named directors would have a personal interest in the resolution, and will be excluded from voting on the resolution, the Board unanimously recommends that Shareholders vote against this Resolution, if it is put to the Meeting. The Chairman of the Annual General Meeting intends to vote all "open" proxies **AGAINST** this Spill Resolution if it is put to the Meeting.

A voting exclusion statement for this Resolution is included in the Voting Exclusions.

Appendix A

Summary of the material terms of the Equity Plan

The Company proposes to renew its Equity plan known as the BrainChip Equity Plan ("**Award Plan**"), to assist in the retention and motivation of the Company's employees, directors and consultants (together the "**Eligible Participants**"). The Award Plan is intended to assist with aligning the interests of participants with shareholders by providing an opportunity for Eligible Participants to earn equity interests in the Company.

Under the rules of the Award Plan, the Board has discretion to offer any of the following awards to Eligible Participants:

- options to acquire Shares
- performance rights to acquire Shares
- restricted stock units to acquire Shares
- service rights to acquire Shares subject to meeting specific service milestones; and/or
- Shares,

(collectively, the "**Awards**").

In each case the Awards can be made subject to vesting conditions and/or performance hurdles as determined by the Board.

The terms and conditions of the Award Plan are set out in comprehensive rules. A summary of the rules of the Award Plan is set out below:

- The Award Plan is open to Eligible Participants and other persons providing services to the Company or its related bodies corporate, as determined by the Board.
- Participation is voluntary.
- The Board may determine the type and number of Awards to be issued under the Award Plan to each participant and other terms of issue of the Awards, including but not limited to:
 - what conditions and/or performance hurdles must be met by a participant in order for an Award to vest (if any);
 - the amount payable to be paid by a participant on the grant of Awards (if any);
 - the exercise price of any option granted to a participant;
 - the period during which a vested option, performance right/restricted stock unit or service right can be exercised; and
 - any forfeiture conditions or disposal restrictions applying to the Awards and any Shares that a participant receives upon exercise of their options or service rights, or vesting of performance rights, restricted stock units.
- When any conditions and/or performance hurdles have been satisfied, participants will receive fully vested Shares or their option, performance right/restricted stock unit or service right will become vested and will be exercisable into Shares (as applicable).
- Each vested option, performance right/restricted stock unit and service right enables the participant to be issued or to be transferred one Share upon exercise or vesting (as applicable), subject to the rules governing the Award Plan and the terms of any particular offer.
- Participants holding options, performance rights/restricted stock units or service rights are not permitted to participate in new issues of Securities by the Company but adjustments may be

made to the number of Shares over which the options, performance rights/restricted stock units or service rights are granted and/or the exercise price (if any) to take into account changes in the capital structure of the Company that occur by way of pro rata and bonus issues in accordance with the rules of the Award Plan and the ASX Listing Rules.

- If a "change of control event" occurs to the Company, and unless the Board determines otherwise:
 - Awards granted will vest where the Board determines that the vesting conditions and performance hurdles applicable to those Awards have been satisfied, with vesting to occur on a pro rata basis having regard to the vesting period and actual performance;
 - any options, performance rights/restricted stock units and service rights which the Board determines will not vest under the above sub-paragraph will automatically lapse; and
 - any Share Awards which the Board determines will not vest under the above subparagraph will automatically be surrendered by the participant.

A "change of control" event includes an event when a person or entity becomes a legal or beneficial owner of 50% or more of the issued capital of the Company; a person or entity becomes entitled to, acquires, holds or has an equitable interest in more than 50% of the issued share capital of the Company, a takeover bid or scheme of arrangement occurs, a sale of all or substantially all of the assets of the Company occurs, or a change in the composition of the Board effected by shareholders occurs against the recommendation of the Existing Board which results in a majority of the Board being replaced over a two year period.

- If a participant becomes a "bad leaver", unless the Board determines otherwise:
 - any and all vested options, performance rights/restricted stock units or service rights held by the participant which have not been exercised will continue in force and remain exercisable for a period of 90 days commencing on the date of termination of the Participant's employment or engagement with a Group Company;
 - the participant will be entitled to continue to hold all vested Share Awards;
 - all unvested options, performance rights/restricted stock units and/or service rights held by the Participant will automatically lapse; and
 - all unvested Share Awards held by the Participant will be automatically surrendered by the Participant.

A participant will be a "bad leaver" if the participant resigns, is terminated for performance or is terminated or dismissed for misconduct.

- If a participant is a "good leaver", unless the Board determines otherwise:
 - any and all vested options, performance rights/restricted stock units and service rights held by the participant which have not been exercised will continue in force and remain exercisable for a period of 90 days commencing on the date of termination of the Participant's employment or engagement with a Group Company;
 - the Participant will be entitled to continue to hold all vested Share Awards; and
 - the Board may determine the manner in which any unvested Awards held by the participant will be dealt with.

A participant is a "good leaver" if they are not a "bad leaver".

- The Award Plan limits the number of Awards that the Company may grant without Shareholder approval, such that the sum of all Awards on issue (assuming all options, performance

rights/restricted stock units and service rights were exercised) do not at any time exceed in aggregate 10% of the fully diluted share capital of the Company as at the date of any proposed new Awards.

- The Board may delegate management and administration of the Award Plan, together with any of their powers or discretions under the Award Plan, to a committee of the Board or to any one or more persons selected by them.
- Subject to the Listing Rules and the Constitution, the Board may at any time amend the Award Plan or the terms and conditions upon which Awards have been issued under the Award Plan provided, generally, that the amendment does not materially reduce the rights of any Participant in respect of Awards granted to them.
- The Board may elect to use an employee share trust or other mechanism for the purposes of holding Awards and/or Shares for Participants under the Plan, and delivering Plan Shares on behalf of Participants upon exercise of options, performance rights and service rights (as the case may be).
- Awards may be granted to Eligible Participants residing in Australia, the United States of America, France, India or other jurisdictions, as approved by the Board from time to time, under the Award Plan subject to any local law and local tax requirements.

Appendix B

Material Terms - Put Option Agreement

On 13 August 2020, the Company entered into a put option agreement (**Agreement**) with LDA Capital Limited and LDA Capital LLC (**LDA Capital**) to provide the Company with up to A\$29 million in committed equity capital over the subsequent 12 months. This agreement was varied on 13 October 2021 with the resultant variation provision of available funding under the agreement of A\$65million (**Total Commitment Amount**) The Company has satisfied the First and Second Minimum Draw Down commitments in the varied agreement with a further minimum commitment of A\$15 million during the prior from 01 January 2023 and ending on 31 December 2023. The Company will control the timing and maximum amount of the draw downs under this facility subject only to the minimum draw down commitments described above.

The capital may be accessed by the Company by exercising put options under the Agreement at the Company's election. The total aggregate amount available under the Agreement is A\$65million. This allows the Company to drawdown funds during the term of the Agreement by issuing ordinary shares of the Company (**Shares**) for subscription to LDA Capital. Any issue of Shares by the Company under the Minimum Draw Down Amount is expected to be issued under the Company's Listing Rule 7.1 placement capacity and any issue of Shares by the Company as a result of capital calls above the Minimum Draw Down Amount, will be subject to the Company's available placement capacity at the time and otherwise any required regulatory and shareholder approvals.

The Company may issue call notices to LDA Capital with each call notice being a put option on LDA Capital to subscribe for and pay for those Shares on closing, subject to the satisfaction of certain conditions precedent, including requirements for the Company to have released applicable Corporations Act and ASX filings on the ASX.

Upon issue of a call notice, the Company must within 3 business days of issuing the call notice, issue LDA Capital with Shares for no consideration as 'collateral shares' which LDA Capital is entitled to sell on-market (subject to certain terms) and any unused collateral shares will be adjusted or may be used for subsequent calls, bought back by the Company or transferred to a trustee or nominee of the Company.

The number of Shares subject to a call notice is limited to a maximum of 10 times the average daily number of the Company's Shares traded on the ASX during the 15 trading day period before its issue. The issue price of the capital call Shares issued under the original form of the Agreement was 90% of the higher of the average VWAP of Shares in the 30 trading day period after exercise of the put option (subject to any applicable adjustments) and the minimum price notified to LDA Capital by the Company upon exercise of the put option. On amendment of the Agreement on 13 October 2021 the issue price of the capital call Shares becomes 91.5% of the average of the daily VWAPs throughout the pricing period. The VWAP calculation is subject to adjustment as a result of certain events occurring including trading volumes falling below an agreed threshold level or a material adverse event occurring in relation to the Company.

The Company has previously issued 75,000,000 unlisted options to LDA Capital in accordance with the terms of the agreement and as disclosed to ASX on 17 August 2020.
