Dear Ramona,

**XPON Technologies Group Limited – Request for a Trading Halt**

Pursuant to Listing Rule 17.1, XPON Technologies Group Limited (ASX: XPN) ("**XPON**" or the "**Company**") hereby requests a trading halt effective pre-open on Monday, 22 April 2024.

The trading halt is requested pending an announcement to the market in connection with a placement to sophisticated and institutional investors.

The trading halt is necessary to allow the placement to proceed in an orderly manner and to ensure that trading in the Company's securities does not occur in an uninformed market.

It is expected that the trading halt will end when the company is in a position to provide an announcement to the market regarding the proposed placement.

The Company requests the trading halt until the release of the announcement, but no later than the commencement of normal trading on Wednesday, 24 April 2024 unless the Company otherwise requests.

The Company is not aware of any reason why the trading halt should not be granted, or of any other information necessary to inform the market about the trading halt.

Yours sincerely,

Hasaka Martin  
Company Secretary  
XPON Technologies Group Limited
