#### Dividend or distribution reinvestment plan details

The Company's Dividend Reinvestment Plan (DRP) remains active. The DRP is optional and offers ordinary shareholders in Australia and New Zealand the opportunity to acquire fully paid ordinary shares without transaction costs. It is expected that shares allocated under the DRP will be purchased on market<sup>(3)</sup> and allocated on the dividend payment date. The DRP shares will rank *pari passu* with other fully paid ordinary shares then on issue. The allocation price will be the arithmetic average of the daily volume weighted average market price of all Macquarie Group shares sold through a normal trade on the ASX trading system over the five business days commencing on the fourth business day after the Election Date of 15 May 2024. A shareholder can elect to participate in or terminate their involvement in the DRP at any time. Election notices for participation in the DRP in relation to the final dividend to be paid on 2 July 2024 must be received by the registry by 5:00 pm on 15 May 2024 to be effective for that dividend.
