**10 May 2024**

**ASIC's determination under s713(6) of the Corporations Act 2001**

On 9 May 2024, the Australian Securities and Investments Corporation made a determination pursuant to s713(6) of the *Corporations Act 2001*(Cth) ("Corporations Act") restricting Range International Limited (ASX:RAN, **Company** or **Range**) from relying on the exceptions in s713 to use transaction-specific disclosure until 9 May 2025.

Range clarifies that this restriction means that the Company will not be able to rely on the reduced disclosure/special prospectus rules under s713 and instead must issue a full prospectus in order to raise funds from certain investors. This restriction will not affect the operations and business of the Company.
